1. Purpose

- 1.1 The Health & Social Care Joint Staff Forum (the Forum) as a strategic body is responsible for facilitating, monitoring and evaluating the effective operation of joint working across NHS Borders and Scottish Borders Council on areas of integrated working, and to support relevant joint Workplace Policies as agreed by the appropriate governance bodies in both NHS Borders and SBC.
- 1.2 Working together will enable shared understanding, engagement with outcomes and effective service delivery. The success of integrated working can be measured by improvements in decision making, the production of enhanced outcomes and the delivery of shared goals.
- 1.3 The purpose of this agreement and terms of reference is to provide a framework for integrated working between the Integration Joint Board (IJB) and the Trade Unions recognised by NHS Borders and Scottish Borders Council. It is not the intention of this agreement to replace or undermine existing Joint Trade Union and management mechanisms in operation for employees of either the Health Board or the Council.

2 Roles and Responsibilities

- 2.1 Trade Unions recognise the IJB's responsibility to improve the wellbeing of the people who use health and social care services, particularly those whose needs are complex and involve support from health and social care at the same time.
- 2.2 The IJB recognises the Trade Unions' role in representing the interests of their members within the workplace, and in improving terms/conditions of service, promoting health and safety at work, and employment security.
- 2.3 It is the responsibility of all parties to demonstrate commitment to working together by ensuring early involvement in all activities of health and social care, in line with the agreed values.

3 Remit

- 3.1 The Forum will:
 - Take a proactive approach in embedding integrated working at all levels of the organisation to assist the process of devolved decision making;
 - Monitor the application of all Workplace Policies related to agreed integration programme and subsequent ongoing development;
 - Consider and comment on other policies;
 - Support the work of the Workforce Development Project Group as required;
 - Ensure the best Workforce practice is shared across the Health & Social Care Partnership;
 - Contribute to the development of Strategies and Action Plans to inform the integration programme of care and subsequent ongoing development;
 - Assist in assessing the impact of strategic decisions upon staff by monitoring and evaluating outcomes through staff surveys and other staff engagement exercises

- Contribute to responses on consultation from the Scottish Government, its sub groups and supporting infrastructure;
- Ensure that any Workforce strategies are underpinned by appropriate Staff Governance, financial planning, implementation planning and evidence;
- Ensure adequate and necessary Facilities arrangements are in place.
- Ensure that the views of all recognised trade unions with an interest in improving the health and social wellbeing and health and social care services, local communities and wider staff are appropriately heard and considered.
- Ensure that there is an effective risk management arrangement in operation focusing on staff issues that identifies clinical, legislative, financial and other risks, and is focused on the safety of patients, clients and users and staff;
- Ensure that members of the Health & Social Care Joint Staff Forum have knowledge and understanding of national health policies and local health and social care issues, and the ability to contribute to strategic leadership and to develop effective working relationships;
- Secure assurance that all staff, are effectively trained, properly supported and performance is formally reviewed on an annual basis.

3.2 The Forum will not, in the conduct of its business, seek to cut across existing joint Trade Union and management mechanisms that operate for either the Health Board or the Council. The Forum must ensure that nothing it does will impinge on the terms and conditions of staff as employees of either the Health Board or the Council.

4 Authority

4.1 In line with the agreed remit, the forum is recognised as an integral part of the Health & Social Care Partnership governance structure, to ensure that there is appropriate staff engagement and staff governance in the development and delivery of services.

5 Reporting Arrangements

5.1 The Forum will provide formal reports to the IJB as required, and be empowered to initiate and sponsor work, in addition to receiving reports from work initiated elsewhere.

5.2 Following a meeting of the Forum, the minutes of that meeting will be presented for information at the next meeting of the IJB and approval at the next Forum meeting.

5.3 The Forum should, annually and within three months of the start of each financial year, provide, approve and agree a work plan detailing the work to be taken forward by the Forum.
