Along the North West Robust Boundary – again
Note the dense Sycamore planting along with
Other more recent planting

PHOTO 2
Looking West from the proposed site
Come mature planting but note the conifer
Planting along the North West Robust Boundary

DESIGN STATEMENT MAP
DOCUMENT 3

PHOTO 4
Looking West, highlighting the mixed planting
Carried out in the Buffer Zone.

AERIAL PHOTO
Demonstrates how the the building group has
developed on a South East to North West access
and highlights the incompatibility of including
the site to the North East (document 1)
within the building group
