

# Monitoring Report for 3 Months to 30 June 2017

# **Report by the Chief Financial Officer**

#### SELKIRK COMMON GOOD SUB-COMMITTEE

# 29 August 2017

#### 1 PURPOSE AND SUMMARY

- 1.1 This report provides the details of the income and expenditure for the Selkirk Common Good Fund for the three months to 30 June 2017 and full year projected out-turn for 2017/18 and projected balance sheet values as at 31 March 2018.
- 1.2 Appendix 1 provides a projected income and expenditure position. This shows a projected surplus of £36,943 for the year.
- 1.3 Appendix 2 provides a projected balance sheet to 31 March 2018. It shows a projected decrease in the reserves of £31,015.
- 1.4 Appendix 3 provides a breakdown of the property portfolio showing projected rental income for 2017/18 and actual property expenditure to 30 June 2017.
- 1.5 Appendix 4 shows the value of the Newton Fund to 30 June 2017.

#### 2 RECOMMENDATIONS

- 2.1 It is recommended that the Common Good Sub-Committee:
  - (a) Agrees the projected income and expenditure for 2017/18 in Appendix 1 as the revised budget for 2017/18;
  - (b) Notes the projected balance sheet value to 31 March 2018 in Appendix 2;
  - (c) Notes the summary of the property portfolio in Appendix 3; and
  - (d) Notes the current position of the investment in the Newton Fund in Appendix 4;

#### 3 BACKGROUND

3.1 This report provides the Committee with financial information for the period to 30 June 2017 and projections to 31 March 2018. The report also contains a projected balance sheet for the Common Good Fund as at 31 March 2018.

## 4 FINANCIAL POSITION 2017/18

4.1 Appendix 1 provides details on income and expenditure for the 2017/18 financial year. The projected net position for the year is a surplus of £36,943.

#### 4.2 **Income & Expenditure – Rental Income**

Rental income for 2017/18 is shown in Appendices 1 & 3, with Appendix 3 detailing the projected annual rental income by individual property.

## 4.3 Income & Expenditure – Non-Property Related Income

Income relating to deed of servitude on Selkirk Hill amounting to £1,500 has now been received. The projected out-turn includes an estimate for the interest receivable on cash deposited with the Council. This, however, does not show as an actual income until the end of the financial year as the amount is dependent on interest rates and the average cash revenue balance invested with the Council over the full financial year. The annual rate of interest applied to the cash deposits is expected to be around 0.30%.

4.4 The capital reserve is invested in the Newton Fund and distributions are made twice a year in September and February from Newton Fund Investments. The proposed budget for 2017/18 is based on a distribution of 2.4% which will be subject to the overall performance of the fund.

# 4.5 Income & Expenditure – Property Expenditure

The property expenditure to 30 June 2017 is detailed in Appendix 3 by property.

#### 4.6 Income & Expenditure - Grants & Other Donations

The grants and other donations approved and distributed to 30 June 2017 are shown below.

<b>Grant Recipients</b>	Approved	£
Approved and Paid to 30 June 2017		
-	-	-
Total Paid to 30 June 2017		0
Approved but not yet paid		
Selkirk Football Club – Floodlights Yarrow Park	21/06/17	5,000
Hill Warden Management Agreement	04/09/14	10,000
Scott's Selkirk Association (to offset nominal rent)	08/08/16	1,175
Total Grants Approved		16,175
Budget 2017/18		19,000
Unallocated/(Overallocated) Budget		2,825

# 4.7 Income & Expenditure – Depreciation Charge

The depreciation charge is projected to be £67,958. This is not a cash transaction and is off-set by a corresponding contribution from the Revaluation reserve. The variance to the previously reported depreciation charge of £76,358 is due to The Green Hut building being fully depreciated at 31 March 2017, thereby reducing the annual depreciation charge by £8,400. The net book value of £4,800 relating to The Green Hut as detailed in Appendix 3 represents the value of the land the building sits on and therefore is not depreciated.

4.8 Appendix 2 provides the balance sheet value to 31 March 2017, the projected movement in year and a projected balance as at 31 March 2018.

#### 4.9 Balance Sheet - Fixed Assets

All fixed assets of the Common Good Fund are revalued every five years as part of the Council's rolling programme. The fixed assets were revalued at 1 April 2014. Appendix 3 shows the values of the individual properties at 31 March 2017, projected depreciation charges 2017/18 and projected value at 31 March 2018.

#### 4.10 Balance Sheet - Newton Investment

- (a) The Newton Real Return Fund (Newton Fund) delivered a positive return of 1.2% in the quarter to 20 June 2017, in line with its benchmark of 1.1%. This was the Fund's second consecutive return in excess of benchmark since the previously reported under-performance in the second half of 2016.
- (b) However, as reported at the end of 2016/17, KPMG were commissioned to evaluate the Newton Fund in terms of its continued suitability for Common Good and Trust Fund investments. KPMG have conducted this assessment and have indicated there are more attractive options available within the market which would provide improved performance.
- (c) A further report will be produced and presented to full Council to seek approval to undertake a procurement exercise in line with the previously approved Scottish Borders Council Common Good and Trusts Investment Strategy.

#### 4.11 Balance Sheet - Cash Balance

The cash held by the fund is projected to be £119,808 at 31 March 2018 and is detailed below:

Cash Balance	£
Opening Balance at 1 April 2017	82,865
Projected surplus/(deficit) for year from Income &	
Expenditure Statement	36,943
Projected net cash movement in Debtors/Creditors	0
Projected Closing Balance at 31 March 2018	119,808

#### 4.12 Balance Sheet - Capital Reserve

The projections for the Capital Reserves include the unrealised gain for the Newton Fund as at 31 March 2017 but due to the nature of the markets no estimate has been made for the current years' movement.

#### **5** IMPLICATIONS

#### 5.1 Financial

In addition to the financial implications explained above in Section 4, costs may be incurred for the procurement of a new Investment Fund Manager.

#### 5.2 Risk and Mitigations

There is a risk that investments in the Newton Fund may reduce in value due to market or investment performance. This risk cannot be fully mitigated; however, it is being managed by the selection of a Fund Manager with a clear objective of preserving capital values while aiming to produce returns in line with the benchmark.

### 5.3 **Equalities**

It is anticipated that there are no adverse equality implications arising from the proposals contained in this report.

### 5.4 **Acting Sustainably**

Whilst there are no economic, social or environmental effects arising from the proposals contained in this report, there are, through the activities reported upon, positive impacts upon the economy through protection of employment, positive impacts upon the quality of community life and improvements in local amenities and nurturing of local talent. The potential improvement in levels of income through the use of the new investment fund will act to make the Common Good Fund more sustainable in the future.

## 5.5 **Carbon Management**

There are no effects on carbon emissions arising from the proposals contained in this report.

#### 5.6 Rural Proofing

There are no effects on rural proofing arising from the proposals contained in this report.

#### 5.7 Changes to Scheme of Administration or Scheme of Delegation

There are no changes required to the Scheme of Administration or Scheme of Delegation arising from the proposals contained in this report.

#### **6 CONSULTATION**

6.1 The Monitoring Officer, the Chief Legal Officer, the Chief Officer Audit and Risk, the Service Director HR and the Clerk to the Council have been consulted and their appropriate comments have been incorporated into this report.
