16 March 2017

Our Ref: LH/J71116

Mrs R Hannay  
Tweeddale Museum  
High Street  
Peebles  
EH45 8AG

Dear Mrs Hannay

I write with reference to the medal left with us recently, and have pleasure in submitting the following estimate for your consideration:

- To: Re-attach the small ribbon/scroll only. Please note, as no other repair work will be undertaken with this option, the only way to re-attach the scroll is to use glue/resin.  
£85.00
- To: Fully refurbish:- Dismantle, repair all hand paintings; supporters, flags, bottom scroll, central crest, and filigree. Re-produce new 'St Ronan' scroll. Current scroll is beyond repair. Solder new fastening wires to each part and reassemble.  
£5585.00

The above prices are inclusive of VAT.

Due to the skilled craftsmanship required, this work is estimated to take approximately 12-16 weeks from the date authorised by yourself.

Estimates are valid for 30 days. Allowance for removed or replaced fine metal and/or stones has been included where appropriate. Unless prior arrangement has been made these items will not be returned.

If you wish this work carried out we shall be pleased to receive your advice in writing or by email to [repairs@hamiltonandinches.com](mailto:repairs@hamiltonandinches.com)

Yours sincerely  
p.p. Hamilton & Inches Limited
