## Comment Details

Commenter Type: Neighbour

Stance: Customer made comments neither objecting to or supporting the Planning Application

Comment Reasons:

- Overlooking

Comment: I neither object or support this planning proposal, but would like to point out that the window on the north side of the extension would be looking directly into the proposed dining area of my new development. If the window was moved onto the side of the extension facing my proposed driveway, then I would have no objections to this proposal at all.
