The detailed design and advanced works are progressing and the Project Team continue to proactively engage with the public in relation to both elements. A report was presented to Council at the end of March 2018 requesting delegated authority to commence the land purchase negotiations; to use the appropriate Compulsory Purchase Order powers required; and to allow entry to land for the construction of the Scheme. The completion of the Scheme, currently scheduled for March 2022, will enable further regeneration and development opportunities for the town. There may also be a link to the Innovation Centre above, as there may be opportunities around using the river for energy creation.</p>

Theme 2. Great Place for Living & Learning

1. Provide a suitable environment to retain school leavers and to attract new workers into the area

Ref	Activity	Stakeholder	Outputs	Outcomes	LEAD	Timescale	Mar 2018/ COMPLETE	Mar 2018/ ACTION PROGRESSING
a	Consider how to retain young people in, and attract them back to, the area and ensure they have the skills local businesses need	SDS, SBC, BC, HWU -	Survey of young people to identify what will make them stay / encourage them to return . Communication to employers about apprenticeship schemes. Closer working between employers and further education to develop courses required	A detailed plan for young people showing opportunities which would attract them to stay in the town and / or return eg graduates	SBC / SDS	2016/18'	COMPLETE: Young Enterprise Scotland is being relaunched in the Scottish Borders to encourage school pupils to look at business as an opportunity when they leave school. YES also teaches some excellent life skills that will be of use to future employers. 5 High Schools in the area took advantage of the opportunity for 2017/18, although Hawick is not one of them.	ACTION: Career Pathways - Further discussion is required to determine the appropriate promotion of career pathways for young people ie - should the focus be on retaining young people in the town/area when they leave school; or on encouraging them to learn new skills outside of the town/area and bring these back when they are older? This should also form a key part of an Inward Investment marketing message. ACTION: Innovation Centre: early discussion is being held with Borders College on the creation of an Innovation Centre in the town related to their 'Energy Room'. This will encourage research into sustainable Energy and provide an exciting career option for young people. ACTION: Textile Training Centre Opportunities are being investigated as to how the succession issue can be addressed in the local textile mills. Young people need to be encouraged to consider textiles as a career opportunity again and a new training centre may be one of the ways of doing this. This includes a private sector option. ACTION: Film Town Pilot Project: Funding has been provided to an off-shoot of the Alchemy film project to carry out a feasibility study into whether a film project can be progressed in the town that will provide production studios, innovative film making and skills training for school leavers.
