ELIOT'S PARK GRAZINGS – ASSET VALUATION

3. With reference to paragraph 7(a) (iv) of the Minute of Meeting of 5 March 2014, the Estates Officer presented information in relation to the basis for the evaluation of Eliot's Park Grazings and explained that the value of £100,000 went back to a previous valuation on the Environment and Infrastructure account; part of the land was zoned for housing in the previous local plan. He advised that the value would be reviewed next year and the change of zoning would be taken into account. Members discussed the benefits of the Sub-Committee lodging an application for outline planning permission for the provision of social housing. The Estates Surveyor referred to previous discussions when there was a conflict of interest with the Golf Club and a planning application would need to take this into account. The Estates Surveyor also advised that he would need to discuss such a proposal with the Housing Strategy Manager (G. Begg), to ascertain his opinion. Members discussed the situation and agreed the way forward would be for a progress report to be considered at the next meeting.

DECISION

AGREED that the Estates Surveyor would advise on a feasibility report, in relation to the proposal to lodge an application for outline planning permission for the provision of social housing, for consideration at the next meeting after consultations had taken place relating to (a) the impact of developer contributions; and (b) Housing and Registered Social Landlords.

TWEEDDALE YOUTH ACTION LEASE

4. With reference to paragraph 7(a) (iii) of the Minute of Meeting of 5 March 2014, Mr Ian Jenkins, Chairman of Tweeddale Youth Action Group (TYA) was present at the meeting. It was noted during the discussions that Councillors had attended a meeting with TYA, the premises were the only premises in the area suitable to TYA and the £7,000 rental could not be afforded. Reference was made to negotiations which had taken place with Peebles Silver Band relating to the rental of the Band Hall. The Estates Surveyor in email correspondence to Members had advised that he had carried out a valuation of the property in 2013 and calculated an annual market rent of £8,400. TYA considered a rent of £8,400 to be too high and had not signed a temporary occupation agreement or lease. Since 1 December 2012, TYA paid £5,000 rent on 19 November 2013 and their rent arrears were currently £7,080 (this included an insurance recharge). Following discussions with Mr Jenkins, the Estates Surveyor had looked again at the rental valuation and by using different comparable rents, he could justify a reduced rent of £7,000 however he considered that this was more than TYA were able to pay. Councillor Bhatia preferred the option of a reduced rental of £7,000 because this would form a formal lease and the Group could apply for financial assistance from other bodies as well as the Peebles Common Good Fund towards the rental. On being invited to address the Sub-Committee, Mr Jenkins advised that TYA was content to treat its payment of £5,000 as the full rent for the year to 30 November 2013 and could afford a rental of £3,000 per annum thereafter. He referred to the services provided by the group and submitted that they served the common good by providing services to young people which were not available through Peebles High School.

DECISION

AGREED that the premises be let to Tweeddale Youth Action at a rent of £5,000 for the year to 30 November 2013 and thereafter at an annual fee of £3,000 and that the length of the lease be over 10 years; and that the Estates Surveyor would clarify the entry date.

PEEBLES FISHING RIGHTS

6. In referring to the Accounts of Peebles Common Good Fund, Community Councillor A. Kubie sought clarification on how the issue of fishing permits were accounted for in the accounts. The Legal and Licensing Services Manager advised that the Peebles Fishing rights were managed by the Borders Sport and Leisure Trust from the Swimming Pool as had been the case before the transfer to the Trust and they retained the income from permits issued.

DECISION

NOTED the position.
