Child Protection Policy

Statement: Riddell Fiddles has a duty of care to safeguard all children involved in the organisation from harm.

Riddell Fiddles will ensure the safety and protection of all children involved in the group through adherence to the Child Protection guidelines adopted by Riddell Fiddles. A child is defined as a person under the age of sixteen years old.

Policy Aims

The aim of the Riddell Fiddles Child Protection Policy is to promote good practice i.e. providing children and young people with appropriate safety, protection and encouragement whilst at Riddell Fiddles or associated guitar group.

Good Practice Guidelines

All personnel are encouraged to demonstrate exemplary behaviour in order to protect themselves from false allegations.

Our Practice

- Always working in an open environment avoiding private situations and encouraging open communication. Parents are encouraged to stay (many learn an instrument at the same time) and have refreshments or watch the classes.
- All young people are treated with respect and dignity
- Within the group balanced relationships are built up based on mutual trust and empowering children to share in decision making.
- The aim is to make music enjoyable and fun.
- If a tutor needs to touch the child's hand to correct poor practice the child's permission must first be sought.
- At residential events such as folk festivals there must be an adequate number of parents in attendance. Adults, unless a parent/carer, should not enter children's rooms or invite children into their rooms.
- A responsible adult must not drink alcohol if in charge of young people.
- Tutors should give enthusiastic and constructive feedback.
- If, on a residential course, parents are not present written parental consent needs to be obtained including the right to administer/seek medical treatment.
- Parental consent is needed if tutors are required to transport young people in their cars.

Use of Photographic/Filming Equipment at Musical Events

It is recognised that vigilance should be maintained in this area. However, due to the performance aspect of the group, it is inevitable that some photography will occur. Close monitoring is maintained to avoid unsuitable use of images .

Recruitment & Training of Tutors

Riddell Fiddles recognises the need to take reasonable steps to ensure tutor suitability.

Tutor's background and career is known prior to working in the group

All volunteers/staff should complete a form and are asked for disclosure details. Two fully disclosed staffs run Riddell Fiddles and one of these is always present at the group.

Confidentiality

Every effort should be made to ensure that confidentiality is maintained for all concerned. Information should be handled and disseminated on a need to know basis only.

Declaration

On behalf of Riddell Fiddles we, the undersigned, will oversee the implementation of the Child Protection Policy and take all reasonable steps to ensure it is adhered to.

<u>Applicant Details</u> Name and Address of Applicant/Organisation: Telephone No: E-mail address:	Philipphaugh Community School Grace Frew (Head Teacher) 01750 21774 gfrew@scotborders.gov.uk
Address to which payment should be made:	Scottish Borders Council
<u>Activities</u> Please supply a brief description of the activities of your organisation and the benefits it brings to the local community:	Community School and Community Centre

<p><u>Assistance Requested</u> Please indicate the sum requested and the purpose for which it will be used:</p>	<p>In April 2014, Philiphaugh Community School received confirmation of a successful Big Lottery grant application for £248,750 to deliver the 'Bannerfield Active' project. This project will expand the existing small play park, create new pathways and install a new multi-use games area :</p> <p>1a) Play Park : The existing play park contains two swing-sets and a small climbing frame. The newer swing set and climbing frame will be retained in situ with the older swing-set required to be removed from site. Pupils, parents and residents have been consulted and as part of the consultation identified popular pieces of play equipment such as new swings (with 'spider-swing'), slides, zip-wire, monkey bars, climbing/clambering, round-about etc.... Once completed the play park area of the development will be accessible to pupils directly from Philiphaugh Community School grounds, via a new gate and tarmac pathway <u>and</u> accessible at all times to the wider community via separate gate(s). Because of the dual school/community use of the play park, the proximity to Long Philip Burn and the Ettrick Water and also because of the issues with dog waste in the area, the play equipment area will be fenced.</p> <p>1b) Pathways : In addition to the play area, the intention is to construct tarmac footpaths within the site. As well as enabling access between the play area and the new muga (see below), this will also give access around the site and to new footpaths being designed as part of the scheduled Selkirk Flood Protection scheme.</p> <p>1c) Multi-use Games Area (muga) : An enclosed muga, suitable for various sports (e.g.) football, hockey, basketball will be created. Fencing will be heavy-duty, 3m high on 3-sides and 1m high on the side facing the Bannerfield properties and it is intended that the surface will be of porous tarmac . The muga will be available for casual use (turn up and play) at no charge, will not be floodlit, but installation of security lighting will be considered.</p> <p>Whilst £248,750 is a significant sum of money, the actual amount budgeted for play equipment supply and install is only £40k. The bulk of the budget will be spent on groundworks, pathways, play surfaces, fencing and landscaping which are all very necessary areas, but of little interest or excitement for the key users (i.e.) local children. This £40k play budget will purchase a number of quality pieces of equipment, but should the opportunity arise and additional budget be secured, this will be used specifically for play equipment. To this end, the Bannerfield Active project would like to request £5,000 from the Common Good fund specifically for play equipment.</p>

When will the donation be required:	July 2014
If this is a one-off project then please give the following details – Date (s): Estimated total cost: Funds already raised by applicant's own efforts: Funds raised or expected to be raised from other sources (please state sources):	The project is one-off It will be completed calendar year 2014 and if possible by August 2014 (this will be dependant upon the procurement process and selected supplier availability) Total Cost : £262,650 Funds raised : £262,650 £5,000 Common Good £5,000 SBC Small Schemes With a stipulation that any additional budget secured will be used to increase the £40k play equipment budget and be used specifically for additional play equipment
