SELKIRK COMMON GOOD FUND SUB COMMITTEE TUESDAY, 29 NOVEMBER 2016

A MEETING of the SELKIRK COMMON GOOD FUND SUB COMMITTEE will be held in the COUNCIL CHAMBER, COUNCIL HQ on TUESDAY, 29 NOVEMBER 2016 at 3.00 pm

J. J. WILKINSON,
Clerk to the Council,

22 November 2016

BUSINESS		
1.	Apologies for Absence	
2.	Order of Business	
3.	Declarations of Interest	
4.	Minute (Pages 1 - 4) Minute of 30 August 2016 to be approved and signed by the Chairman (copy attached).	2 mins
5.	Matters arising - Common Good Funding Plaque (Pages 5 - 6) Continue consideration of proposal to erect plaques to indicate where work had been funded by Common Good. (Copy of sample design attached).	10 mins
6.	Financial Monitoring Report to 30 September 2016 (Pages 7 - 16) Consider report by Chief Financial Officer (copy attached).	10 mins
7.	Property Receive verbal update by Estates Surveyor.	10 mins
8.	Any Other Items Previously Circulated	
9.	Any Other Items which the Chairman Decides are Urgent	
10.	Date of next meeting Tuesday 15 February 2017.	
11.	Items likely to be taken in private	

	That under Section 50A(4) of the Local Government (Scotland) Act 1973 the public be excluded from the meeting for the following items of business on the grounds that they involve the likely disclosure of exempt information as defined in the relevant Paragraphs of Part 1 of Schedule 7A to the aforementioned Act.”	
12.	Minute (Pages 17 - 18) Private section of the Minute of 30 August 2016 to be approved and signed by the Chairman.	2 mins
13.	Servitude for New Water Supply to Buxton Cottage, Selkirk. (Pages 19 - 22) Consider report by Service Director Assets and Infrastructure.	5 mins
14.	Management of trees on Victoria Park. Discuss verbal update by Estates Surveyor and quote to cut back trees on Victoria Park.	10 mins

NOTES

- 1. Timings given above are only indicative and not intended to inhibit Members' discussions.**
- 2. Members are reminded that, if they have a pecuniary or non-pecuniary interest in any item of business coming before the meeting, that interest should be declared prior to commencement of discussion on that item. Such declaration will be recorded in the Minute of the meeting.**

Membership of Committee:- Councillors G. Edgar (Chairman), M. Ballantyne, V. M. Davidson and T Combe

Please direct any enquiries to Fiona Walling 01835 826504
Email:- fwalling@scotborders.gov.uk

**SCOTTISH BORDERS COUNCIL
SELKIRK COMMON GOOD FUND SUB COMMITTEE**

MINUTE of Meeting of the SELKIRK
COMMON GOOD FUND SUB COMMITTEE
held in the COUNCIL CHAMBER, HQ on
Tuesday, 30 August, 2016 at 3.00 pm

Present:- Councillors G. Edgar (Chairman), M. Ballantyne, V. M. Davidson and
Community Councillor T Combe

In Attendance:- Solicitor (J Webster), Senior Finance Officer (J Yallop), Estates Strategy
Surveyor (N. Curtis), Democratic Services Officer (F Walling).

One member of public.

1. **MINUTE**

There had been circulated copies of the Minute of 8 June 2016.

DECISION

APPROVED the Minute for signature by the Chairman

2. **FINANCIAL MONITORING REPORT TO 30 JUNE 2016**

2.1 There had been circulated copies of a report by the Chief Financial Officer providing the details of income and expenditure for the Selkirk Common Good Fund for the three months to 30 June 2016, full year projected out-turn for 2016/17 and projected balance sheet values as at 31 March 2017. Senior Finance Officer, John Yallop, highlighted the main points of the report and appendices. Appendix 1 to the report provided a projected income and expenditure position. This showed a surplus of £17,369 for the year, which was in excess of that originally projected, due to a £1,000 one-off payment for servitude right over Selkirk Hill for a water pipe. The proposed budget was based on a distribution of 2% from the Newton Fund Investments which would be subject to the overall performance of the fund. Appendix 2 to the report provided a projected balance sheet to 31 March 2017. With reference to paragraph 2.1 of the Minute of 8 June 2016 an additional investment of £55,000 had been transferred into the Newton Fund. This left a projected closing cash balance of £93,320 at 31 March 2017. A breakdown of the property portfolio was detailed in Appendix 3, showing the projected rental income for 2016/17 and where applicable actual property expenditure to 30 June 2016. Appendix 4 showed the value of the Newton Fund to 30 June 2016. During Quarter 1 the Fund had generated a positive absolute return, ahead of its return objective. The Fund performed well in volatility following the Brexit vote, due to being very cautiously positioned ahead of the Referendum. The market value of Selkirk Common Good investments at 30 June 2016 had yielded a 7% unrealised gain on the total invested to date. With regard to Grants and Donations there had been a total amount of £6,904 paid to 30 June 2016. Taking into account the approved, but not yet paid, £10,000 payment in respect of the Hill Warden Management Agreement, a balance of £9,596 remained for allocation.

2.2 In the ensuing discussion on the accounts Councillor Davidson asked whether there had been any progress on the agreement, at the end of 2012, to lease an area of ground on South Common Farm to Scottish Water for the installation of a new water storage tank. The Estates Strategy Surveyor agreed to look into this.

DECISION

- (a) **AGREED** the projected income and expenditure for 2016/17 shown in Appendix 1 to the report as the revised budget for 2016/17;
- (b) **NOTED:-**
 - (i) the projected Balance Sheet value to 31 March 2017 in Appendix 2 to the report;
 - (ii) the summary of the property portfolio in Appendix 3 to the report; and
 - (iii) the current position of the investment in the Newton Fund in Appendix 4 to the report.
- (c) **AGREED** to receive an update at the next meeting on any progress in relation to the agreement made in 2012 to lease an area of ground on South Common Farm to Scottish Water.

3. APPLICATION FOR FINANCIAL ASSISTANCE

3.1 Selkirk Community Council

There had been circulated copies of an application from Selkirk Community Council for a grant of £5,000 as a contribution towards the cost of upgrading the footpath to Philiphaugh Sawmill to allow disabled access. Councillor Edgar explained the background to this application. The footpath, which was on Council owned land on the top of the new flood protection embankment, was partly tarred but had one section which had a surface of chips rather than tar. The intention was to uplift the existing chips and resurface with an overlay of bitumen. The work would be carried out by the contractors, RJ MacLeod, who had carried out the work on the Selkirk flood defences. It was noted that the estimated total cost of the upgrade would be £26,350 with £21,350 of that being provided by RJ MacLeod. Members discussed the application and were unanimous in their support of the proposal. It was agreed to approve in principle a grant of £5,000 but first to make a query about whether the balance required could be funded from the Scottish Borders Council Small Schemes budget as this would be the preferred funding source if eligible.

DECISION

AGREED to grant £5,000 to Selkirk Community Council, as the balance towards the cost of upgrading the footpath to Philiphaugh Sawmill, if funding for this project cannot be allocated from the Small Schemes budget.

3.2 Live Borders

There had been circulated copies of an application from the Disability Sport Development Officer of Live Borders for a grant of £4,000 towards the total cost of £8,404 for a new swimming pool hoist for Selkirk Leisure Centre. Live Borders proposed to purchase an Arjo Neptune pool lift and swim chair. This equipment would be used by those in the community who had a disability or required additional support when transferring from changing area into the pool. Live Borders were contributing £2,400 from their budget. Before discussing this application Councillor Davidson confirmed that she was no longer a trustee for Live Borders. Mr Yallop raised the appropriateness of the application given that Live Borders was in essence a commercial organisation. However it was noted that Live Borders was in fact a charity. In the ensuing discussion Members were keen to support the proposal. The facility would allow even the severely disabled to access the pool and the installation of the hoist would benefit numerous families and community groups across the area. It was pointed out that this would be an upgrade to the pool which would help to secure its future. Reference was made to the annual capital grant

from Scottish Borders Council to Live Borders and the Mr Yallop agreed to check their commitment and whether there was any slack in the capital allocation. It was noted that ClubSport Ettrick and Lauderdale were also being asked to make a contribution. Members suggested that consideration be given as to whether a contribution could be sourced from the Quality of Life budget. After further discussion Members unanimously agreed that the Common Good Fund should support the proposal and to make up the balance required to purchase the hoist, up to a total of £6,000, after alternative sources of funding had been explored.

DECISION

AGREED to grant up to £6,000 to Live Borders to meet the balance required to purchase a new swimming pool hoist for Selkirk Swimming pool, after alternative sources of funding had been explored.

4. PROPERTY

The Estates Strategy Surveyor, Norrie Curtis, gave a verbal update on current property issues with reference to actions from the last meeting. He confirmed that the Property Officer, Tom Holmes, had instructed the required works to be carried out on the wall alongside Buccleuch Road. With regard to the Green Hut and the problem with the fit of the door on the new ramp Mr Combe agreed to meet with Mr Holmes on site to discuss what needed to be done. The Chairman confirmed that repairs to the parapet at the bridge over the mill lade in Victoria Park had been carried out and that the Common Good Fund had contributed towards the cost. He offered to look into the cost of a small plaque to erect on the bridge, drawing attention to this historical feature, as suggested at the last meeting. It was also agreed that a small sign should be designed and used to indicate where Selkirk Common Good funds had contributed towards particular projects. Mr Curtis agreed to consult the Council's sign shop and look into the cost of designing and producing appropriate signs. The Chairman also asked Mr Curtis to enquire about repairs to the gate pillars at Victoria Hall. It appeared that work had started on these as the surface had been chipped off but they had subsequently been left and looked unsightly. In further discussion about the maintenance of Common Good property Members asked for a programme of works to be produced containing a prioritised list of the works required.

DECISION

(a) NOTED the updates.

(b) AGREED that:-

- (i) a site meeting be arranged between the Property Officer and Mr Combe to discuss the work required to improve the fit of the door on the new ramp at the Green Hut;**
- (ii) the Chairman look into the provision of a small descriptive plaque to erect on the mill lade bridge in Victoria Park;**
- (iii) the Estates Strategy Surveyor investigate the cost of producing small signs to indicate where Common Good funds had contributed towards particular projects;**
- (iv) the Estates Strategy Surveyor investigate the position with regard to the repair of the gate pillars at the Victoria Hall; and**
- (v) a prioritised programme of works be produced in respect of the ongoing maintenance of property owned by Selkirk Common Good.**

5. **ITEMS LIKELY TO BE TAKEN IN PRIVATE
DECISION**

AGREED under Section 50A(4) of the Local Government (Scotland) Act 1973 to exclude the public from the meeting during consideration of the business detailed in the Appendix to this Minute on the grounds that it involved the likely disclosure of exempt information as defined in Paragraph 6 of Part I of Schedule 7A to the Act.

6. **MINUTE**

Members approved the private section of the Minute of 8 June 2016.

7. **PROPERTY**

Members considered an update from the Solicitor.

The meeting concluded at 4.00 pm

This page is intentionally left blank

MONITORING REPORT FOR 6 MONTHS TO 30 September 2016

Report by the Chief Financial Officer

SELKIRK COMMON GOOD SUB-COMMITTEE

29 November 2016

1 PURPOSE AND SUMMARY

- 1.1 This report provides the details of the income and expenditure for the Selkirk Common Good Fund for the six months to 30 September 2016 and full year projected out-turn for 2016/17 and projected balance sheet values as at 31 March 2017.**
- 1.2 Appendix 1 provides a projected Income and Expenditure position. This shows a projected surplus of £16,164 for the year.
- 1.3 Appendix 2 provides a projected Balance Sheet to 31 March 2017. It shows a projected decrease in the reserves of £60,194 due mainly to further investment in the Newton Fund, see Appendix 4.
- 1.4 Appendix 3 provides a breakdown of the property portfolio showing projected rental income for 2016/17 and actual property expenditure to 30 September 2016.
- 1.5 Appendix 4 shows the value of the Newton Fund to 30 September 2016.

2 RECOMMENDATIONS

- 2.1 It is recommended that the Common Good Sub-Committee:**
 - (a) Agrees the projected Income and Expenditure for 2016/17 in Appendix 1 as the revised budget for 2016/17;**
 - (b) Notes the projected Balance Sheet value to 31 March 2017 in Appendix 2;**
 - (c) Notes the summary of the property portfolio in Appendix 3; and**
 - (d) Notes the current position of the investment in the Newton Fund in Appendix 4.**

3 BACKGROUND

3.1 This report provides the Committee with financial information for the period to 30 September 2016 and projections to 31 March 2017. The report also contains a projected balance sheet for the Common Good Fund as at 31 March 2017.

4 FINANCIAL POSITION 2016/17

4.1 Appendix 1 provides details on income and expenditure for the 2016/17 financial year. The projected net position for the year is a surplus of £16,164.

4.2 Income & Expenditure – Rental Income

Rental income for 2016/17 is shown in Appendices 1 & 3, with Appendix 3 detailing the projected annual rental income by individual property.

4.3 Income & Expenditure – Non-Property Related Income

The projected out-turn includes an estimate for the interest receivable on cash deposited with the Council. This, however, does not show as an actual income until the end of the financial year as amount is dependent on interest rates and the average cash revenue balance invested with the Council over the full financial year. The annual rate of interest applied to the cash deposits is expected to be around 0.36%.

4.4 The capital reserve is invested in the Newton Fund and distributions are made twice a year in September and February from Newton Fund Investments. The first of two annual Dividends (£2,880) was received in October 2016, therefore not shown in the actuals in Appendix 1. The proposed budget for 2016/17 is based on a distribution of 2.0% of 2015/16 investments. However, additional investment of £55,000 in 2016/17 has led to a higher level of dividends received. It is therefore proposed to increase the budget to £5,000.

4.5 Income & Expenditure – Property Expenditure

The property expenditure to 30 September 2016 is detailed in Appendix 3 by property.

4.6 Income & Expenditure – Grants & Other Donations

The grants and other donations approved and distributed to 30 September 2016 are shown below. Further to the agreement of the Selkirk Common Good Committee on 30 August 2016 to approve a grant of up to £6,000 for a pool hoist at Selkirk Swimming Pool, the Senior Finance Officer has established that with funding from Live Borders and Quality of Life the balance required is £5,004. This contribution will come with a caveat that at year end Selkirk Common Good will be reimbursed if Live Borders underspend their Capital Budget. This grant approval takes the total committed grant expenditure to £26,908. With this in mind it is proposed to increase the 2016/17 budget by a further £3,500 to £30,000.

Grant Recipients	Approved	£
Approved and Paid to 30 September 2016		
Selkirk Chamber of Trade – Pop up Shops	08/06/16	4,000
Selkirk Silver Band	08/06/16	750
Scott's Selkirk Association (to offset nominal rent)	08/06/16	1,175
Scott's Selkirk Association (refund 2014/15)	08/06/16	979
Total Paid to 30 September 2016		6,904
Approved but not yet paid		
Hill Warden Management Agreement	04/09/14	10,000
Selkirk Community Council – Upgrade Footpath	30/08/16	5,000
Live Borders – Selkirk Swimming Pool Hoist	30/08/16	5,004
Total Grants Approved		26,908
Budget 2016/17		26,500
Unallocated/(Overallocated) Budget		(408)

4.7 **Income & Expenditure – Depreciation Charge**

The depreciation charge is projected to be £76,358. This is not a cash transaction and is off-set by a corresponding contribution from the Revaluation reserve.

4.8 Appendix 2 provides the balance sheet value to 31 March 2016, the projected movement in year and a projected balance at 31 March 2017.

4.9 **Balance Sheet – Fixed Assets**

All fixed assets of the Common Good Fund are revalued every five years as part of the Council's rolling programme. The fixed assets were revalued at 1 April 2014. Appendix 3 shows the values of the individual properties at 31 March 2016, projected depreciation charges 2016/17 and projected value at 31 March 2017.

4.10 **Balance Sheet – Newton Investment**

- (a) Over the quarter to 30 September 2016 the Fund again delivered a positive absolute return and although being behind its Benchmark figure for the Quarter remains well ahead for the year to date. The Fund has delivered a significant proportion of global-equity performance (in Sterling terms) since the start of the year, while managing to exhibit reduced levels of volatility and demonstrating an impressive ability to preserve capital.
- (b) These returns have been realised despite significant economic uncertainty in the UK as a result of the EU Referendum vote and global geopolitical uncertainties surrounding the US presidential election. Significant returns were made in equity markets (amplified for UK based investors by further weakening of the pound which dropped to a 30 year low against the US dollar). Strong performance by government bond exposures as well as higher yields in corporate bond holdings have also contributed to the returns made by the Fund in the quarter.
- (c) The Funds strategy is to provide an absolute return with an acceptable level of volatility by promoting capital preservation over the pursuit of

short-term gains. To this end in times of economic uncertainty the Fund remains cautiously positioned.

4.11 **Balance Sheet – Cash Balance**

The cash held by the fund is projected to be £92,114, an in-year projected decrease of £38,836, due mainly to further investment of £55,000 in the Newton Fund. The projected cash movement for 2016/17 is as follows:

Cash Balance	£
Opening Balance at 1 April 2016	130,950
(Investment)/Disinvestment in Newton Fund	(55,000)
Projected Surplus for year from Income & Expenditure Statement	16,164
Projected Closing Balance at 31 March 2017	92,114

4.12 **Balance Sheet – Capital Reserve**

The projections for the Capital Reserves include the unrealised gain for the Newton Fund as at 31 March 2017 but due to the nature of the markets no estimate has been made for the current years' movement.

5 IMPLICATIONS

5.1 **Financial**

There are no further financial implications other than those explained above in Section 4.

5.2 **Risk and Mitigations**

There is a risk that investments in the Newton Fund may reduce in value due to market or investment performance. This risk cannot be fully mitigated; however, it is being managed by the selection of a Fund Manager with a clear objective of preserving capital values while aiming to produce returns in line with the benchmark.

5.3 **Equalities**

It is anticipated that there are no adverse equality implications arising from the proposals contained in this report.

5.4 **Acting Sustainably**

Whilst there are no economic, social or environmental effects arising from the proposals contained in this report, there are, through the activities reported upon, positive impacts upon the economy through protection of employment, positive impacts upon the quality of community life and improvements in local amenities and nurturing of local talent. The potential improvement in levels of income through the use of the new investment fund will act to make the Common Good Fund more sustainable in the future.

5.5 **Carbon Management**

There are no effects on carbon emissions arising from the proposals contained in this report.

5.6 **Rural Proofing**

There are no effects on rural proofing arising from the proposals contained in this report.

- 5.7 **Changes to Scheme of Administration or Scheme of Delegation**
There are no changes required to the Scheme of Administration or Scheme of Delegation arising from the proposals contained in this report.

6 CONSULTATION

- 6.1 The Monitoring Officer, the Chief Legal Officer, the Chief Officer Audit and Risk, the Chief Officer HR and the Clerk to the Council have been consulted and their appropriate comments have been incorporated into this report.
