**SCOTTISH BORDERS COUNCIL  
TEVIOT AND LIDDESDALE AREA FORUM**

MINUTES of Meeting of the TEVIOT AND LIDDESDALE AREA FORUM held in Lesser Hall, Town Hall, Hawick on Tuesday, 13 December 2016 at 6.30 pm

-----

Present:- Councillors: G Turnbull (Chairman), S Marshall, W McAteer, D Paterson, R Smith, Community Councillors Mr C Griffiths (Hobkirk).  
Apologies:- Councillor A Cranston, Community Councillor Mrs M Short (Hawick).  
In Attendance:- Neighbourhood Area Manager (Mr F Dunlop), Station Manager Mr R Bell (Scottish Fire and Rescue Service), Inspector Carol Wood (Police Scotland), Democratic Services Officer (J Turnbull).  
Members of the Public 7

1. **ORDER OF BUSINESS**

The Chairman varied the order of business as shown on the agenda and the Minute reflects the order in which the items were considered at the meeting.

2. **MINUTE**

There had been circulated copies of the Minute of the meeting held on 15 November 2016.

**DECISION**

**AGREED to approve the Minute.**

3. **MATTERS ARISING FROM THE MINUTE**

With regard to paragraph 13 of the Minute of 15 November 2016, Councillor Smith advised that 14 young people had been invited to participate in Bailleul's 50<sup>th</sup> anniversary celebrations. There had been no interest received as yet; if anyone was interested they should contact Councillor Smith.

**DECISION**

**NOTED.**

4. **DISABLED PERSONS PARKING PLACES - TRAFFIC REGULATION ORDER**

With reference to paragraph 5 of the Minute of 21 April 2015, there had been circulated copies of a report by the Chief Officer, Roads which proposed to amend the Scottish Borders Council (Disabled Persons Parking Places) Order 2015. The report explained that since the original Order in 2015 a number of additional requests had been received, as well as bays which were no longer required and had been removed. The report detailed the amendments within the Teviot and Liddesdale area as part of a region-wide Traffic Regulation Order (TRO) (omitting those which were no longer required since the beginning of consultation). Ms S Elliot was in attendance and advised that since the TRO had been prepared and advertised, a number of disabled bays were no longer required and had been brought to officers' attention for removal. These bays would not be included in the final TRO and were shown as struck off in the draft schedule shown in Appendix A to the report circulated with the Agenda.

**DECISION**

**AGREED to approve the amendment of disabled parking places in the Teviot and Liddesdale Area listed in Appendix A to the report (as amended by removals) to The Scottish Borders Council (Disabled Persons Parking Places) Order 2015.**

## 5. **COMMUNITY EMPOWERMENT (SCOTLAND) ACT 2015**

5.1 Ms Shona Smith, from the Communities and Partnerships Team, was in attendance to give a presentation on the Community Empowerment (Scotland) Act 2015. In her introduction, Ms Smith advised that although the Act received Royal Assent on 24 July 2015, it was recognised that further regulations and guidance were required for most parts of the legislation. The Act was made of 11 parts. Part 2 of the Act was about Community Planning and more specifically local organisations working to benefit the local community. This would be carried out through joint working, agreeing joint policies and making sure partners knew what each other was doing. Community Planning Partners, who had a statutory duty, were Scottish Fire and Rescue Service, Police Scotland, NHS Borders, Scottish Enterprise and Scottish Borders Council. The Local Outcomes Improvement Plan (LOIP) replaced Single Outcome Agreements. The LOIP would contain the outcomes for the Scottish Borders that were a priority for the Community Planning Partnership. Appropriate community groups must be consulted when developing the LOIP. Subject to the approval of Scottish Parliament the legislation would come into force on 20 December 2016.

5.2 Locality plans focused on smaller areas, one of these being Teviot, and again appropriate community groups must be consulted. Part 3 of the Act concerned Participation Requests. Ms Smith explained that a Participation Request was a request that could be made by a community participation body which believed it could improve the outcome of a service. The request must be agreed unless there were reasonable grounds for refusal. It was hoped that this part of the Act would come into force in February/March 2017. Part 4 of the Act dealt with Community Right to Buy. Ms Smith explained that communities, with populations over 10,000, would now be able to use Community Right to Buy. Part 5 of the Act was regarding Asset Transfer requests. Assets were land or buildings owned by public authorities. Public authorities would be required to publish a register of their assets; Scottish Borders Council had published their register on their website. Ms Smith went on to explain that a group could request to buy or lease land from a public authority if it had a written constitution, was open to anyone in the community, was community led and was for the benefit of the community. This part of the Act would come into force on 23 January 2017. Part 8 of the Act was the requirement for all Councils to publish a list of all their Common Good properties, Councils would have to consult with community councils or other community groups before selling or changing the use of any of their Common Good properties. Part 9 of the Act deal with allotments. The Act set out a standard size of 250 square metres for an allotment. Applications for allotments would be required to be submitted in writing. Part 10 was in respect of public decision making. This part of the Act would give Scottish Ministers the power to require that public authorities, such as SBC, promoted and supported the involvement of the community in the decision and activities of the organisation. To conclude her presentation, Ms Smith advised that further information on the Act could be found on the website at: [communityengagement@scotborders.co.uk](mailto:communityengagement@scotborders.co.uk)

5.3 There followed a discussion on allotments. Ms Smith advised that SBC were trying to encourage people to take up allotments. However, there was little interest. Members noted that the Act gave power to communities and would be an opportunity for them to become actively involved to benefit their community. However, it was highlighted that many communities would need support and guidance. Ms Smith confirmed that officers would be available to give advice and to attend community council meetings if required. Ms Smith added that there would also be changes to the granting of Community Choice funding as it would no longer be controlled by local authorities. The part of the Act relating to Common Good properties was discussed and Ms Smith advised that community groups required to be consulted before SBC made any changes or sold a Common Good properties. She suggested that community groups be involved in any conversations around decisions involving Common Good properties. Community groups would also be able to participate in the decisions affecting their community, for example, SBC's budget setting process. In answer to a question regarding the former Hobkirk Primary School building, Ms Smith advised that each Asset Transfer request would be

dealt with on an individual basis. Consideration as to funding, what services the community council proposed to provide, operational control and maintenance of the asset would need to be established. The Communities and Partnership Team would be available to give advice and guidance on the procedure to follow. The Chairman thanked Ms Smith for the informative presentation.

#### **DECISION**

**NOTED the presentation.**

#### **6. NEIGHBOURHOOD SMALL SCHEMES AND QUALITY OF LIFE**

With reference to paragraph 7 of the Minute of 15 November 2016, there had been circulated a report by Service Director Neighbourhood Services seeking approval for proposed new Neighbourhood Small Schemes and Quality of Life Schemes from the Area Forum. The following Neighbourhood Small Schemes had been requested for consideration by Teviot and Liddesdale Members: installation of drop kerbs at the entrance to Wilton Park Road and adjacent to the main entrance to Wilton Lodge Park, Hawick; installation of drop kerbs at the entrance to Murray Place, Denholm; and installation of timber fencing to create a bin storage area at Wilton Crescent, Hawick. The following Quality of Life Scheme had been requested for consideration by Members: financial contribution to Escape Youth Services towards their delivery of the Hawick Music Initiative project.

#### **DECISION**

**(a) AGREED the following new Neighbourhood Small Schemes for implementation:-**

- |   |               |
|---|---------------|
| <b>(i) Installation of drop kerbs at the entrance to Wilton Park Road and adjacent to the main entrance to Wilton Lodge Park, Hawick,</b> | <b>£2,370</b> |
| <b>(ii) Installation of drop kerbs at the entrance to Murray Place, Denholm; and</b>  | <b>£1,760</b> |
| <b>(iii) Installation of fencing to provide a bin storage area At Wilton Crescent, Hawick .</b>   | <b>£1,143</b> |

**(b) AGREED a financial contribution from the Quality of Life Scheme to Escape Youth Services towards their delivery of the Hawick Music Initiative project. £2,500**

**(c) NOTED:-**

- (i) the updates on previously approved Neighbourhood Small Schemes as detailed in Appendix A to the report; and**
- (ii) the updates on previously approved Quality of Life Schemes as detailed in Appendix B to the report.**

#### **7. POLICE SCOTLAND**

7.1 Inspector Carol Wood, Police Scotland, was in attendance to update the Teviot and Liddesdale Area Forum on performance, activities and issues across the Ward. A report had been circulated prior to the meeting. The Ward Plan Priorities for Teviot and Liddesdale were highlighted as Drug Dealing and Misuse, Road Safety, Violent Crime and Antisocial Behaviour. In summary, Inspector Wood reported that with regard to the Drug Dealing and Misuse priority, two males had been found in possession of a class B drug and had been dealt with and reported accordingly. A 43 year old female was reported for the possession of a class B drug following a drugs house search. A 19 year old male had been arrested for an offence and once in custody was found in possession of a quantity of

tablets. It was suspected these tablets were class C prohibited substance and once analysed, the relevant charges would be preferred against the male. Police Scotland continued to receive intelligence from the public in relation to drug matters and encouraged this. Completely anonymous information could be left on Crimestoppers on 0800 555 111.

- 7.2 In terms of the Road Safety priority, Community officers continued to give attention to areas where they had received complaints of speeding and inconsiderate driving. Officers patrolled in identified locations and carried out periodic road checks to positively influence driver behaviour. Officers would continue to educate drivers at every opportunity and communicate with young drivers who travelled to meeting points to meet with friends and other car enthusiasts. Officers paid particular attention to these drivers and the vehicles and thorough examinations were conducted of their vehicles to ensure compliance with road vehicle construction and use regulations. It was essential that complaints about driving behaviour were notified to the police via 101 at any time.
- 7.3 Tragically, a fatal accident occurred on the evening of Saturday 19 November on the A698 at Knowesouth. A full traffic collision investigation had been carried out in an effort to establish the cause of the accident. Information gleaned from this would have a bearing on any future discussions on actions needed to be taken at this location.
- 7.4 Vehicles continued to receive parking tickets in the 30 minute zone in Hawick High Street, North Bridge Street and O'Connell Street. The police would give illegal parking attention whenever possible. Other incidents included a charge of dangerous driving and four incidents of driving without insurance. There were also two fixed penalty tickets issued for the use of a mobile phone whilst driving and one for speeding. The National Festive Drink Driving campaign was underway. There would be an increase in road checks throughout the day and night in order to deter drink driving and detect those who continued to drive under the influence. The public were encouraged to report drink drivers either to the police on 101 or Crimestoppers on 0800 555 111.
- 7.5 In respect of the Violent Crime priority there were no robberies reported during November. However, there were two serious assaults. Four males had been charged with an assault on 12 November at North Bridge Street and reported to the Procurator Fiscal.
- 7.6 With regard to Antisocial Behaviour, police continued to give attention to the Howegate area at weekends and at other areas where youth problems had been reported. Throughout November there were eight official police warnings given for antisocial behaviour and two fixed penalty tickets issued.
- 7.7 The Police continued to ask communities to contribute to the Your View Counts consultation. The online consultation was open all year. The link for the survey is <https://www.surveymonkey.co.uk/r/8LMB9WX>
- 7.8 There followed a discussion and Members highlighted that parked cars were affecting businesses on the High Street. There was also concern with speeding in the Burnfoot area and litter at The Haugh. In answer to questions, Inspector Wood advised that the police required a specific complaint to enable investigation of CCTV. With regard to the traffic at The Loan and the safety of children, this was being investigated and there would be a discussion when the results from the speed monitoring equipment had been analysed. The school have also given parents safety messages. The new CCTV equipment was working and had a wide coverage. There would be increased foot patrols in the area and any beggars would be dealt with.

## **DECISION**

**NOTED the report.**

## 8. ALLOCATION OF HOUSING IN THE SCOTTISH BORDERS - TEVIOT AND LIDDESDALE AREA

- 8.1 The other presentation of the evening was from Mr Charles Johnston, Principal Officer – Plans & Research Environment and Infrastructure. Mr Johnston began by stating that his presentation detailed the Council's requirement for proposed housing sites to meet housing land requirements. The Council had approved draft Supplementary Guidance (SG) identifying proposed sites on 10 November to go out for public consultation. Mr Johnston advised that the Reporter from Scottish Government had identified a shortfall in housing in the Scottish Borders of 916 units. He explained that the criteria set for housing land included that the development should be in keeping with the settlement and local area and that the required infrastructure was either committed or would be funded by the developer. Five or more units were required for the site, developer interest, infrastructure issues, transport, and contamination assessment were also key considerations. A call for sites had identified 113 sites which had been submitted from third parties; 165 sites had been assessed in total. Stage 1 of the assessment of the site was the initial Red Amber Green (RAG) assessment which was against set criteria and this process had eliminated some sites. Stage 2 was a detailed assessment of potential sites and consultation with internal and external parties. Stage 3 was the identification of preferred and alternative sites. The Reporter had now confirmed that 811 units were required in the Scottish Borders. The units had been identified approximately as follows: 60% in the Central Borders, 20% in Berwickshire and 20% in Northern Scottish Borders. Mr Johnston further advised that finding new sites had been challenging and the process generated a range of opinions.
- 8.2 Mr Johnston went on to discuss the sites that had been identified in the Teviot and Liddesdale area. The first preferred site he discussed was at Leishman Place. This site had a five unit capacity and had been suggested by a Housing Association. Another preferred site was at Henderson Road, with the capacity for six units. The next preferred site was at Fairhurst Drive. This would be a redevelopment site with 10 units. The final site was an alternative site – a longer term project, this was 60 units at Burnfoot. There were issues in addressing the water course within this site. Mr Johnston went on to advise that there were already a number of sites which had previously been identified in the area that had not been taken forward.
- 8.3 Mr Johnstone concluded his presentation by stating that the public consultation on the draft SG had begun and would end on 30 January 2017. All responses would be considered by the Planning Policy and Access Team and there would be further internal consultation/discussion on any issues raised. Responses on the consultation could be sent to [localplan@scotborders.gov.uk](mailto:localplan@scotborders.gov.uk) or to the Team at Council Headquarters. Mr Johnstone would also be pleased to assist with any queries on the process, his telephone number was 01835 826671. The Chairman thanked Mr Johnston for the interesting presentation.

### **DECISION**

**NOTED the presentation.**

## 9. SCOTTISH FIRE & RESCUE SERVICE

- 9.1 There had been circulated a report from Station Manager Russell Bell, Hawick Fire Station, presenting information on response and resilience activities for the month of November 2016. In summary, Mr Bell reported that during the period of the report there had been one house fire (small fire in kitchen extinguished by removal); two open fires (one woodland deliberate and one outdoor faulty electrical equipment); five Special Service occurrences and eight Unwanted Fire Alarm Signals. In relation to Water Rescue training, the station had now received a dedicated Mercedes Sprinter van with towing trailer and boat to allow a full deployment to a water rescue incident. Once training was completed, a live status would be placed against Hawick as a Water Rescue Station. The high volume pump which had previously been reported to be leaving Hawick, would remain until the required training had been carried out at its new destination (Dundee).

- 9.2 Fire prevention and protection activity ongoing within the Teviot and Liddesdale area included: Road safety awareness training, a classroom based consequence giving a demonstration of a road traffic collision scene detailing the crew's responsibilities, actions and techniques. Driving Into the Future which was an initiative at educating new/potential drivers. This initiative had been running at Hawick High School and had received encouraging feedback from both students and staff. Firesharp which was for Primary 6 pupils, providing face to face education on fire risk and prevention. Mr Bell further advised that the Out of Hospital Cardiac Arrest extended trial period had now ended. A report had been passed to the Scottish Fire and Rescue Service's Strategic Leadership Team with recommendations that trial stations continued to offer the service and that it was rolled out to all stations in Scotland via a three year delivery plan.

**DECISION  
NOTED.**

10. **OPEN QUESTIONS**  
There were no open questions.

**DECISION  
NOTED.**

11. **COMMUNITY COUNCIL SPOTLIGHT**

- 11.1 Hobkirk Community Councillor Mr Cliff Griffiths, expressed concern that it had been reported that there had been discussion regarding the rerouting of heavy traffic from Towerdyke to Bonchester Bridge. The discussion had taken place without consultation with Hobkirk Community Council or Ward Elected Members. Mr Griffiths added that there would be a major problem in altering the junction and an impact on the nearby falconry business. The Ward Councillors added that this was a road safety issue and there were a number of considerations. There had been no consultation and it would appear that the proposal would move heavy traffic to another area without considering the impact. Councillors Turnbull and Smith advised that they had been acting in their role as representatives on the Timber Transport Group. The issue had been raised at the September Area Forum following a presentation from Mr James England, South of Scotland Timber Transport Officer and they had pursued with Mr England following the meeting. The discussion had been around the funding for a feasibility study and all considerations would be looked at during the study.

- 11.1 Mr Griffiths further advised that Hobkirk where setting up a Community Trust, they were at the early stages as there were issues with the electoral register. Another response had been received from a windfarm developer.

**DECISION  
NOTED the report.**

12. **DATE OF NEXT TEVIOT AND LIDDESDALE AREA FORUM MEETING**  
The next meeting of the Teviot and Liddesdale Area Forum was scheduled for Tuesday, 17 January 2017 at 6.30 pm in the Lesser Hall.

**DECISION  
NOTED.**

***The meeting concluded at 8.25 pm***

---

## **NEIGHBOURHOOD SMALL SCHEMES AND QUALITY OF LIFE**

### **Report by Service Director Neighbourhood Services**

---

## **TEVIOT & LIDDESDALE AREA FORUM**

**17 January 2017**

---

### **1 PURPOSE AND SUMMARY**

- 1.1 **This report seeks approval for the proposed new Quality of Life and Small Schemes from the Area Forum.**
- 1.2 The following Neighbourhood Small Schemes have been requested for consideration by the Teviot & Liddesdale members: - Paint benches in bus shelters at Mart Street and Trinity Gardens, Hawick; Clean Lawson Bridge, Laurie Bridge and Langlands bridge, Hawick.
- 1.3 The following Quality of Life Schemes have been requested for consideration by the Teviot and Liddesdale members: - Install handrail at steps leading to St Mary's Kirkyard off Drumlanrig Square, Hawick; Install staggered wooden fences at Courses footpath, Chesters.

### **2 RECOMMENDATIONS**

- 2.1 **I recommend that the Teviot & Liddesdale Area Forum:**
- (a) **approves the following new Neighbourhood Small Schemes for implementation:-**
- (i) **Paint benches in bus shelters at Mart Street and Trinity Gardens, Hawick** £218
- (ii) **Clean Lawson Bridge, Laurie Bridge and Langlands Bridge, Hawick** £894
- (b) **approves the following new Quality of Life Schemes for implementation:-**
- (i) **Install handrail at entrance to St Mary's Kirkyard, Hawick** £425
- (ii) **Install staggered wooden fences at Courses footpath, Chesters** £107
- (c) **notes the updates on previously approved Neighbourhood Small Schemes as detailed in Appendix A to this report.**
- (d) **notes the updates on previously approved Quality of Life Schemes as detailed in Appendix B to this report.**

### 3 BACKGROUND

3.1 Elected Members, Community Councils and the public can request potential Neighbourhood or Quality of Life schemes or work to be undertaken by the Neighbourhood squads by contacting the Neighbourhood Area Manager direct. Neighbourhood Operations is contactable via the new Scottish Borders Council telephone number 0300 100 1800, e-mail address – enquiries@scotborders.gov.uk or by writing to Neighbourhood Services, Council Headquarters, Newtown St. Boswells, Melrose TD6 0SA.

The following schemes have been requested for consideration via these routes to enhance the Teviot & Liddesdale Area:-

- (a) Prepare and paint benches in the 3 bus shelters in Mart Street, Hawick and prepare and apply wood stain to bench in bus shelter at Trinity Gardens, Hawick (£218). This request was received from Ward Councillors.
  - (b) Clean accessible paintwork on Thomson Bridge, Laurie Bridge and Langlands Bridge, Hawick (£894). This request was received from Ward Councillors.
  - (c) Supply and install handrail on steps leading to St Mary’s Kirkyard off Drumlanrig Square, Hawick (£425). This request was received from Ward Councillors.
  - (d) Install staggered wooden fences at the top and bottom of Courses footpath, Chesters (£107). This request was received from ward Councillors.
- 3.2 Works will be scheduled to meet specific area needs, local timetable and to maximise the overall efficiency of the works programme.
- 3.3 Updates on previously approved Neighbourhood Small Schemes as detailed in Appendix A to this report.
- 3.4 Updates on previously approved Quality of Life Schemes as detailed in Appendix B to this report.

### 4 IMPLICATIONS

#### 4.1 Financial

(a)

	Quality of Life	Small Schemes	Total
15/16 Carry Forward	11,363	17,005	28,368
16/17 Budget	20,000	34,702	54,702
<b>Total Budget</b>	<b>31,363</b>	<b>51,707</b>	<b>83,070</b>
Committed Previously	25,895	36,902	62,797
Proposed per Report	532	1,112	1,644
Remaining Balance	4,936	13,693	18,629

- (b) A budget of £34,702 is available through Neighbourhood Services for small schemes in the Teviot and Liddesdale area in 2016/17. It has been agreed previously that this budget will be split equally between the Hawick & Hermitage and Hawick & Denholm Wards. Taking in to account the carry-over from 2015/16, if the above schemes are approved, then there will be a remaining budget of £8,986 in Hawick & Hermitage Ward and £4,707 in Hawick & Denholm Ward for future schemes.
- (c) In addition, a budget of £20,000 is available for Quality of Life schemes in the Teviot & Liddesdale Area in 2016/17. It has been agreed previously that this budget will be split equally between the Hawick & Hermitage and Hawick & Denholm Wards. Taking in to account the carry-over from 2015/16 if the above schemes are approved, there will be a remaining budget of £2,661 in Hawick & Hermitage Ward and £2,275 in Hawick & Denholm Ward for future schemes.

#### 4.2 Risk and Mitigations

If these budgets are not spent, the local area will not benefit from improvement works being carried out.

#### 4.3 Equalities

The proposals within this report will not have an adverse impact on any of the equality groups - race, disability, age, sexual orientation or religion/belief.

#### 4.4 Acting Sustainably

It is anticipated that there will be a variety of economic, social or environmental benefits arising from the proposed schemes in para 3.1.

#### 4.5 Carbon Management

There are no significant effects anticipated on carbon emissions to the Council by doing or not doing what is proposed.

#### 4.6 Rural Proofing

This report does not relate to new or amended policy or strategy and as a result rural proofing is not an applicable consideration.

#### 4.7 Changes to Scheme of Administration or Scheme of Delegation

There is no change to either the Scheme of Administration or the Scheme of Delegation.

### 5 CONSULTATION

- 5.1 The Chief Financial Officer, the Monitoring Officer, the Chief Legal Officer, the Chief Officer Audit and Risk, the Chief Officer HR and the Clerk to the Council have been consulted and any comments received have been incorporated in the final report.
