2. **APPLICATION FOR FINANCIAL ASSISTANCE**

There had been circulated copies of an application for financial assistance from Lauderdale Scout Group seeking a contribution of £2,300 towards the purchase of an area of ground currently owned by Scottish Borders Council (SBC) as forming part of the car park of the Scout Hall. The application advised that the Scout Group had agreement, in principle, to acquire this land from SBC and the funding would help towards the purchase and the legal costs and would also cover the removal of the area from SBC's adopted road list. Acquiring this piece of land would further improve the facilities and would enable reconfiguration of the current car park to make it safe for pedestrians accessing the hall. It would also allow an opportunity to use a safer outdoor space for activities and long term, would also provide flexibility to extend or adapt the hall to accommodate the ever growing Scout Group. After consideration the Members agreed to approve the application.

**DECISION**

**AGREED that a sum of £2,300 be granted to Lauderdale Scout Group as a contribution to cover the cost to acquire the area of ground.**

amount of £190 related to interest receivable on cash held by SBC and also included dividends from the Common Good Funds investment in Kames Capital Investment Fund which amounted to £13,850 which was in line with the overall 5% target and monthly distribution profile projections provided by Kames. #### **4. ASSET REGISTER**

There had been circulated copies of a draft Asset List prepared by the Principal Solicitor in terms of the Council Report by the Service Director Regulatory Services dated 31 January 2019 on the duties placed on Scottish Borders Council in respect of common good assets by Part 8 of the Community Empowerment (Scotland) Act 2015 and recommended actions to ensure compliance with such duties. The Solicitor, Ms McDonald was present and reported that the draft asset list had been produced in compliance with the Act, using current heritable property registers together with information available regarding moveable items. Following approval of the asset list by the Common Good Sub-Committee, the Council would publish the proposed list of common good assets and undertake a 12 week public consultation period. Following the consultation period, the Sub-Committee would be asked to agree the finalised Common Good Asset Register. The Register would then be published within six months from the end of the consultation period. There was a discussion on the items on the Asset Register and some suggested amendments to descriptions were agreed. It was noted that any items identified in the future could be added to the Register at a later date.

#### **DECISION**

**NOTED the updated Asset Register.**

#### **5. PROPERTY**

5.1 There had been previously circulated a letter received from a member of the community making a request to rent the grazings known as Refuse Tips 1 and 2. The Estates Officer, Ms Stewart was present and explained the details around the land in question. Refuse Tip 1 was vacant and required topping and spraying. Refuse Tip 2 was vacant, but animals on the Calfward Park grazings were able to cross the burn and access it at present. Refuse Tip 2 had previously been rented by the person renting Calfward Park for three months of the year. A fence was to be erected across the base of Refuse Tip 2 as part of the previously agreed woodland planting scheme. A water pump would need to be installed before the fence was constructed and Ms Stewart would co-ordinate this. Members agreed that the application to rent Refuse Tips 1 and 2 should be progressed with the interested party and Members delegated powers to Ms Stewart to make contact with both tenants to put the necessary arrangements in place, in consultation with the Sub-Committee Members.

#### **DECISION**

**AGREED that powers be delegated to the Estate Officer, in consultation with the Sub-Committee Members, to arrange the necessary tenancy agreements.**

- 5.2 Ms Stewart advised that the Tree Consultant dealing with the Lauder Burn had proposed that he provide a report on the condition of the poplar trees adjacent to the road at a cost of £200. It was noted that it was likely that some branches would require to be removed.

**DECISION**

**AGREED the payment of £200 to the tree consultant to carry out this work.**

- 5.3 With reference to paragraph 3 of the Minute of 31 July 2019, Ms Stewart advised that the areas for the proposed woodland scheme on Lauder Common had now been agreed with the tenant. Hugh Chalmers of Tweed Forum presented the scheme to the Community Council in November and would now submit the report to the Woodland Trust. Ms Stewart was now in negotiations with the tenant to reduce the rent to reflect the reduction in grazing area and once agreed this would be legally documented in a Minute of Agreement. Ms Stewart advised that fees for the work had previously been estimated at £1.5k. However, this had increased and following negotiation amounted to £2,836k.

**DECISION**

**AGREED to:-**

- (a) **progress the woodland and negotiations with the tenant; and**
- (b) **meet the increased fees of £2.836k.**

- 5.4 It was reported that the Scottish Kennel Club had requested use of Lauder Common land for an event from Tuesday 24 November to Sunday 29 November 2020.

**DECISION**

**AGREED to give consent to Scottish Kennel Club.**
