3.0 POLICE SCOTLAND ANNUAL REPORT

There had been circulated copies of a report by the Chief Constable – Police Service of Scotland, Mr Iain Livingstone for the period 1 April 2019 to 31 March 2020 in accordance with Section 12(A) Licensing (Scotland) Act 2005. The report summarised the work undertaken throughout this period. The Scottish Borders Licensing Board area was policed by J Division and Chief Superintendent John McKenzie was the Local Police Commander who had responsibility for all day to day policing functions. The Local Area Commander Chief Inspector Stuart Reid, supported by Jacqueline McGuigan, were based at Galashiels and were responsible for performance management, community engagement, partnership working and the daily management of local personnel. The report outlined the local policing priorities, description of Board area and information on the operation of the Licensing (Scotland) Act 2005. In the Scottish Borders, there were 341 recorded incidents in licensed premises between this period which was a slight decrease of 1.15% on the previous year. There continued to be a notable trend in thefts

of alcohol from 'off sales' premises over the reporting year, which may be due to the introduction of minimum pricing. Police Scotland carried out 1389 recorded inspections of licensed premises in the Borders during the reporting year. On Friday and Saturday evenings police officers are deployed on foot where other incidents permit, to aid with dispersal of licensed premises and reduce antisocial behaviour and violence related incidents between the hours of 2200-0400. The proactive use of exclusion orders and antisocial behaviour legislation continued to contribute hugely to reducing repeat offending in licensed premises and the ongoing joint Police Council initiative on the prevention of the sale or supply of alcohol to children and young people by advertising on the local SBC website and posters at larger events. The crackdown of fake driving licences by visits to local premises and the tackling of serious and organised crime. The report also summarised the proposed activity for the year ahead which included additional staff support, an increase in Licensee Premises being checked and more often, focussing even more on prevention and Police Licensing Officer tasking front line police officers on a weekly basis through a local tasking process and providing additional training to younger in service officers. Inspector McGuigan advised that the report fully acknowledged the many active local partnerships that provided continued support, to enable Police Scotland and partners to drive improvement in licensing and answered Members questions.

DECISION NOTED.

**DECISION
GRANTED**

- (c) **Section 56: Application for Occasional Licence.** Consider application for Occasional Licence:

(i) **JD Wetherspoon (Scot) Ltd**

The Bourtree

9- 22 October and
23 October – 5 November
Various times in external area in
carpark at rear of premises

Representations received:

Police Scotland - none

Licensing Standards Officer - attached

Health - none

Other – none

There had been circulated copies of an application for the grant of occasional licences in respect of 9 – 22 October and 23 October – 5 November. As the date had passed for the 9 – 22 October, only the application in respect of 23 October – 5 November was considered. There had been circulated copies of a letter dated 8 October 2020 from the Licensing Standards Officer. Mr Tunnah explained that the application referred to had been made by the applicant to licence an outdoor area within the car park at the Bourtree Place premises in Hawick. Mr Tunnah went on to explain that due to the COVID19 pandemic, the Scottish Government had temporary restrictions in place regarding the on-sale and consumption of alcohol. The temporary restrictions which were in place until 26 October 2020 limited the sale and consumption to outdoor areas only at licensed premises with a terminal hour of 10.00 p.m. The premises had an extensive external area forming part of the current licensed footprint adjoining their premises close to the remote area car park, detailed in the application. The surrounding area had a mix of residential and commercial properties in the vicinity and there had been noise complaints linked to the premises in the past. The Licensee had recently used an area in the car park without the benefit of an occasional licence and presumably by way of the off-sale facility in the premises licence which had led to complaints regarding noise, nuisance and disturbance. Mr Tunnah further explained that there were very few licensed premises operating in the Hawick area during the period that the temporary restrictions were in place, and as such it was likely that the current external area would be in high demand with this extra area, if granted adding to that footfall with the likelihood that noise, nuisance and disturbance may result in the vicinity. Mr Tunnah requested that, should the Board be minded to grant the application that the following condition be applied to the Licence under the Licensing Objective: Preventing Public Nuisance - to minimise the risk of disturbance or disorder in the vicinity:-

- Adequate and appropriate SIA stewarding be in place at the external areas throughout the licensed hours with a view to lessening the risk of noise, nuisance and disturbance and to assist with the orderly dispersal prior to the terminal hour of 10.00 p.m. and to ensure compliance with any terms and conditions set out in the temporary regulations connected to COVID 19.

The Convener welcomed Mr McSporran, Area Manager and Frank Collins, Brunton Miller Solicitors who joined via Microsoft Teams. Mr McSporran explained that he was aware of only one noise complaint and that the whole outside area would be overseen by Management. The application for the Occasional Licence was to see the business over the COVID 19 restrictions and employing SIA Stewards would be cost restrictive. Mr Collins explained that the Occasional Licence applied for only lasted for 2 weeks and if there was an issue with noise the Board could refuse any further applications. The area was small and the income derived would be much less than the cost of employing SIA Stewards. Mr Tunnah, explained that while he appreciated the difficulties the trade were experiencing, he was concerned that the area was open to the main street and staff may not have control of people turning

up. Mr McSporran disputed that the area was remote and assured the Board that staff would be collecting contact details of everyone attending. The current area was only being used on a Friday and Saturday Night between 6 p.m. – 10 p.m. and the bar would be closed at 9 p.m. The Licensing Team Leader requested confirmation of the hours to be covered by the Occasional Licence and Mr McSporran stated he wished to be permitted the times applied for in order to maximise business provision.

Councillor Richards, seconded by Councillor Turnbull moved that the application be approved as submitted and without the additional condition and this was unanimously supported by the Committee. .

DECISION

GRANTED the Occasional Licence as submitted.

PRIVATE BUSINESS

Before proceeding with the private business, the following motion should be approved:

“That under Section 50A(4) of the Local Government (Scotland) Act 1973 the public be excluded from the meeting for the following item of business on the grounds that it involves the likely disclosure of exempt information as defined in paragraph 14 of Part 1 of Schedule 7A to the aforementioned Act.”

Nature of Objections/Representations

The over provision of alcohol sales within central Hawick, as there where already significant concerns raised when Aldi applied for their licence which was marginally approved. Since then a further licence has been approved for Home Bargains. This would indicate that the over provision requirements, for a town the size of Hawick, have been surpassed and therefor no further licences should be granted.
