DECISION

APPROVED the Minute for signature by the Chairman.

2. **FINANCIAL MONITORING REPORT FOR 9 MONTHS TO 31 DECEMBER 2020**

There had been circulated copies of a report by the Executive Director Finance & Regulatory providing details of income and expenditure for the Selkirk Common Good Fund for the nine months to 31 December 2020, a full year projected out-turn for 2020/21, projected balance sheet values as at 31 March 2021 and proposed budget for 2021/22. Treasury Business Partner, Sara Halliday, highlighted the main points of the report and appendices and provided further information in response to Members' questions. Appendix 1 to the report provided the projected income and expenditure position for 2020/21. This showed a projected deficit of £40,208 for the year which was slightly lower than the deficit figure reported at the 9 December 2020 meeting, due to an improvement in the return on the Aegon Investment Fund. Details of grants and donations provided by the Common Good Fund were provided in a table within the report. Appendix 1 also provided the proposed budget for 2021/22. Appendix 2 of the report, provided a projected balance sheet value as at 31 March 2021 showing a projected decrease in the reserves of £129,509. A breakdown of the property portfolio showing projected rental income and net return for 2020/21 and actual property income to 31 December 2020 was shown in Appendix 3a whilst Appendix 3b provided a breakdown of the property portfolio expenditure for 2020/21 and actual property expenditure to 31 December 2020. Appendix 4 provided a breakdown of the property portfolio showing projected property valuations at 31 March 2021. The value of the Aegon Asset Management Investment Fund to 31 December 2020 was shown in Appendix 5 to the report. The fund had a 0.61% unrealised loss in market value since investment, largely due to continued volatility in investment markets. Overall, however, taking account of the income received the fund had achieved a return of 14.09% since investment in February 2018.

DECISION

(a) **AGREED:-**

- (i) **the projected income and expenditure for 2020/21 in Appendix 1 to the report as the revised budget for 2020/21; and**
- (ii) **the proposed budget for 2021/22 as shown in Appendix 1.**

(b) NOTED within the appendices to the report:-

- (i) that expenditure was exceeding income for 2020/21 and 2021/22 and agreed to review expenditure plans to ensure that investments and reserves were not inadvertently eroded:**
- (ii) the projected balance sheet value as at 31 March 2021 in Appendix 2;**
- (iii) the summary of the property portfolio in Appendices 3 and 4; and**
- (iv) the current position of the Aegon Asset Management Investment Fund in Appendix 5.**

3. PROPERTY UPDATE

With reference to paragraph 5 of the Minute of 9 December 2020 and paragraph 8 of the private Minute of that meeting, the Estates Surveyor, Tricia Hill, gave a verbal update on property issues. Members were advised that purchase orders had been raised to contractors for all of the works approved by Members at the last meeting. Due to Covid restrictions progress had been severely hampered but some works had been attended to, including work to the roof on building 3 at Linglie Farm and some of the works at Smedheugh Farm. The works at Victoria Hall had not yet started due the lockdown. With regard to the request at the last meeting regarding repair of the Intruder Alarm at the Green Shed, Members were referred to an email from the Property Officer advising that the cost of installation of a suitable new alarm would be £150 with an ongoing monitoring charge of £120 per annum. In discussing the charges quoted, Members asked Ms Hill to bring back information about the type of alarms installed and monitoring arrangements used for alarms in other Council-owned buildings. Mr Combe advised that there had been a recent pipe burst at the Green Shed. This had been repaired and the contents of the shed were being dried out. In further discussion on property matters, attention was drawn to a problem with the heating in the Victoria Hall. Ms Hill agreed to investigate this.

DECISION

- (a) NOTED the property update.**
- (b) AGREED to request that the Estates Surveyor:**
 - (i) provide further information on security alarms used in other Council buildings to inform a decision on replacement of the alarm in the Green Shed; and**
 - (ii) arrange for the heating system in the Victoria Hall to be checked.**

4. ITEMS LIKELY TO BE TAKEN IN PRIVATE

DECISION

AGREED under Section 50A(4) of the Local Government (Scotland) Act 1973 to exclude the public from the meeting during consideration of the business detailed in the Appendix to this Minute on the grounds that it involved the likely disclosure of exempt information as defined in Paragraph 6 of Part I of Schedule 7A to the Act.

PRIVATE BUSINESS

5. MINUTE

The private section of the Minute of 9 December 2020 was approved.

The meeting concluded at 3.20 pm

MONITORING REPORT FOR 12 MONTHS TO 31 MARCH 2021

Report by Executive Director, Finance & Regulatory

SELKIRK COMMON GOOD FUND SUB-COMMITTEE

9 JUNE 2021

1 PURPOSE AND SUMMARY

- 1.1 This report provides the details of the income and expenditure for the Selkirk Common Good Fund for the year 2020/21 including balance sheet values as at 31 March 2021, a full year projected out-turn for 2021/22, and projected balance sheet values as at 31 March 2022.**
- 1.2 Appendix 1 provides the actual income and expenditure for 2020/21. This shows a surplus of £10,512 for the year, which is better than the previously reported surplus on 10 February 2021, as a result of an underspend in Grants & Donations and the property expenditure budget.
- 1.3 Appendix 2 provides an actual balance sheet value as at 31 March 2021. It shows a decrease in the reserves of £63,147, partly due to the annual release from Revaluation Reserve off-set by unrealised gain on the Aegon Asset Management Fund.
- 1.4 Appendix 3a provides a breakdown of the property portfolio showing actual rental income and net return for 2020/21.
- 1.5 Appendix 3b provides a breakdown of the property portfolio showing actual property expenditure for 2020/21.
- 1.6 Appendix 4 provides a breakdown of the property portfolio showing actual property valuations at 31 March 2021.
- 1.7 Appendix 5 shows the value of the Aegon Asset Management Investment Fund to 31 March 2021.

2 RECOMMENDATIONS

2.1 It is recommended that the Common Good Fund Sub-Committee:

- (a) Notes the actual income and expenditure for 2020/21 in Appendix 1;**
- (b) Agrees the projected income and expenditure for 2021/22 in Appendix 1 as the revised budget for 2021/22;**
- (c) Notes the final balance sheet value as at 31 March 2021, and projected balance sheet value as at 31 March 2022 in Appendix 2;**
- (d) Notes the summary of the property portfolio in Appendices 3 and 4; and**
- (e) Notes the current position of the Aegon Asset Management Investment Fund in Appendix 5.**

3 BACKGROUND

3.1 This report provides the Committee with financial information for the period to 31 March 2021 and projections to 31 March 2022. The report also contains a projected balance sheet for the Common Good Fund as at 31 March 2022.

4 FINANCIAL POSITION 2020/21

4.1 Appendix 1 provides details on income and expenditure for the 2020/21 financial year, which resulted in a surplus of £10,512, as well as projections for 2021/22.

4.2 Income & Expenditure – Property Income

Rental income for 2020/21 is shown in Appendices 1 & 3a, with Appendix 3a detailing the projected annual rental income by individual property. Actual income is reported on a cash basis until the year end with quarter 4 reports incorporating any annual adjustments for prepayments and accruals.

4.3 Income & Expenditure – Non-Property Related Income

- (a) The outturn position shows an amount of £63 relating to interest receivable on cash held by SBC, a small increase from projections. Also included are dividends from the Common Good Funds investment in Aegon Asset Management amounting to £9,551 which is slightly ahead of the revised projection of 4.5% return, while less than the overall 5% target and the monthly distribution profile projections provided by Aegon.
- (b) As the full economic recovery from the COVID-19 impact is not yet known the projections for 2021/22 have been retained at 4.5% compared to the target of 5%. The position will be monitored closely with Aegon Asset Management.
- (c) Included within other income for the year is a rebate from Aegon Asset Management of £158 which, along with the £56 received in March 2020, has been re-invested to purchase an additional 213 units. Rebate income received in March 2021 of £56 has been accounted for within income but the corresponding 52 units were not purchased until April 2021.

4.4 Income & Expenditure – Property Expenditure

- (a) The property expenditure for 2020/21 is shown in Appendices 1 & 3b, with Appendix 3b detailing the projected property expenditure by individual property. Actual expenditure is reported on a cash basis until the year end with quarter 4 reports incorporating any annual adjustments for prepayments and accruals.
- (b) The projected expenditure for 2021/22 is shown in Appendix 1. These projections have been updated following additional information from Estates regarding works required at the 3 farms.
- (c) Appendices 3a and 3b show a full breakdown of the projections for property rental and repairs for 2021/22.

4.5 Income & Expenditure – Grants & Other Donations

The grants and other donations approved and distributed to 31 March 2021, are shown below:

- (b) Grant approved subject to the condition that, they continue to source other forms of grant funding and the CGF be consulted on any future disposals.

4.6 Income & Expenditure – Depreciation Charge

The depreciation charge for the year is £110,081. This is not a cash transaction and is off-set by a corresponding contribution from the Revaluation Reserve at the end of the financial year.

- 4.7 Appendix 2 provides the actual balance sheet value as at 31 March 2021, and a projected balance sheet as at 31 March 2022.

4.8 Balance Sheet – Fixed Assets

All fixed assets of the Common Good Fund are revalued every 5 years as part of the Council's rolling programme. The fixed assets were revalued at 1 April 2019. Appendix 4 shows the values of the individual properties at 31 March 2021, actual depreciation charges for 2020/21 and projected values at 31 March 2022.

4.9 Balance Sheet – Investment Fund

The fund has a 0.78% unrealised gain in market value since investment, largely due to continued volatility in investment markets. Overall, however,

taking account of the income received the fund has achieved a return of 16.84% since investment in February 2018.

The unrealised loss reported at 31 March 2020, which was due to a fall in the overall markets resulting from COVID-19, has over the last 12 months been fully recovered.

4.10 Balance Sheet – Cash Balance

The cash held by the fund is £66,038 at 31 March 2021 and is detailed below:

Net Cash Movement in Debtors/Creditors	5,053
Rebate Investment in Aegon	(214)
Closing Balance at 31 March 2021	66,038

4.11 Balance Sheet – Capital Reserve

The projections for the Capital Reserves include the unrealised gain for the Aegon Asset Management Fund as at 31 March 2021 but due to the nature of the markets no estimate has been made for the future years' movement.

5 IMPLICATIONS

5.1 Financial

There are no further financial implications other than those explained above in Section 4.

5.2 Risk and Mitigations

There is a risk that investments in the Aegon Asset Management Fund may reduce in value due to market or investment performance. This risk cannot be fully mitigated; however, it is being managed by the selection of a Fund Manager with a clear objective of preserving capital values while aiming to produce returns in line with the benchmark.

5.3 Intergrated Impact Assessment

There is no impact or relevance to Equality Duty or the Fairer Scotland Duty for this report. This is a routine financial monitoring report which forms part of the governance of the management of the Common Good Funds. Nevertheless, a light touch assessment has been conducted and this will be published on SBC's Equality and Diversity Pages of the website as in doing so, signifies that equality, diversity and socio-economic factors have duly been considered when preparing this report.

5.4 Acting Sustainably

Whilst there are no economic, social or environmental effects arising from the proposals contained in this report, there are, through the activities reported upon, positive impacts upon the economy through protection of employment, positive impacts upon the quality of community life and improvements in local amenities and nurturing of local talent. The potential

improvement in levels of income through the use of the new investment fund will act to make the Common Good Fund more sustainable in the future.

5.5 Carbon Management

There are no effects on carbon emissions arising from the proposals contained in this report.

5.6 Rural Proofing

There are no effects on rural proofing arising from the proposals contained in this report.

5.7 Changes to Scheme of Administration or Scheme of Delegation

There are no changes required to the Scheme of Administration or Scheme of Delegation arising from the proposals contained in this report.
