**SCOTTISH BORDERS COUNCIL  
AUDIT AND SCRUTINY COMMITTEE**

MINUTE of Meeting of the AUDIT AND SCRUTINY COMMITTEE held Via Microsoft Teams on Monday, 23 November 2020 at 10.15 am

Present:- Councillors S. Bell (Chairman), H. Anderson, J. A. Fullarton, J. Greenwell, N. Richards, E. Robson, H. Scott, S. Scott, E. Thornton-Nicol; and for Audit Business Ms H. Barnett and Mr M. Middlemiss.

In Attendance:- Executive Director Finance & Regulatory, Executive Director Corporate Improvement & Economy (para 8), Chief Officer Audit & Risk, Clerk to the Council, Democratic Services Officer (F. Walling); Ms G. Woolman – Audit Scotland.

1. **MINUTE**

There had been circulated copies of the Minute of the Meeting held on 22 October 2020.

**DECISION**

**APPROVED for signature by the Chairman.**

2. **ACTION TRACKER**

There had been circulated copies of the Action Tracker for the Audit and Scrutiny Committee. In reviewing the Action Tracker, the Chief Officer Audit & Risk advised that status updates would be circulated to Members by email for the two outstanding actions relating to the Annual Assurance Statement 2019/20 to the Scottish Housing Regulator. In terms of the action relating to Police Community Action Teams Governance, the Clerk confirmed that a report would be brought to the next Audit & Scrutiny meeting on 10 December 2020.

**DECISION**

**NOTED the Action Tracker**

**AUDIT BUSINESS**

3. **MID-TERM TREASURY MANAGEMENT REPORT 2020/21**

3.1 There had been circulated copies of a report by the Executive Director Finance & Regulatory presenting the mid-year report of treasury management activities for 2020/21 in line with the requirements of the CIPFA Code of Practice, including Prudential and Treasury Management Indicators, and seeking comments from Audit and Scrutiny Committee prior to consideration of the report by Council. This provided a mid-year report on the Council's treasury activity during the six month period to 30 September 2020 and demonstrated that Treasury activity in the first six months of 2020/21 had been undertaken in full compliance with the approved Treasury Strategy and Policy for the year. Appendix 1 to the report contained an analysis of the performance against the targets set in relation to Prudential and Treasury Management Indicators, and proposed revised estimates of these indicators in light of the 2019/20 out-turn and experience in 2020/21 to date for Council approval. The Pension & Investments Manager, Kirsty Robb, highlighted the main points of the Council's Capital Expenditure and Financing summarised in the Appendix to the report. She referred to the element of slippage in the capital programme as a result of COVID-19. Detailed explanations of the movements within the planned expenditure had been reported in the ongoing monitoring reports, the last of which was to the Executive Committee on 17 November 2020. Due to the overall financial position with the effect of COVID-19 on the capital programme and the higher than normal cash level held, Ms Robb explained that there had been no new external borrowing undertaken so

far this year. It was anticipated that borrowing of £10m would be undertaken during the remainder of the financial year.

- 3.2 The Executive Director Finance & Regulatory and Ms Robb answered Members' questions and gave further detailed information where requested. In terms of investments and opportunities to invest surplus balances in the short term, the Executive Director Finance & Regulatory gave assurance that the Council deposited surplus funds only in triple A rated institutions and the priorities when looking at money market funds were security, liquidity and yield in that order. The Chairman asked a question about the Loan Charges estimate contained in the Council's Financial Plan and whether the interest element of the Council's PFI contracts was included in those Loan Charges. The Executive Director Finance & Regulatory explained that accounting for PFI was undertaken separately and under different regulations controlled nationally. Ms Robb offered to provide clarification to the Chairman of how the estimated loan charges figure of £19.111m was calculated. In terms of the PFI contracts the interest rate was fixed for the life of the 25 year contract. There was a facility for re-financing but this was the responsibility of the contractor, with the Council being entitled to a share of any subsequent re-financing gain. The Chairman suggested that it would be helpful to have a paper presented at the next Audit Committee meeting with a summary of the facts relating to the financial elements of the PFI contracts and to explore any opportunities to make national representations through COSLA to change the regulations.

#### **DECISION**

##### **AGREED:-**

- (a) to note that treasury management activity in the six months to 30 September 2020 was carried out in compliance with the approved Treasury Management Strategy and Policy; and**
- (b) that the Treasury Management Mid-Year Report 2020/21, as contained in Appendix I to the report, be presented to Council for approval of the revised indicators; and**
- (c) to request the Executive Director Finance & Regulatory bring a briefing paper on the financial elements of PFI contracts, including any changes being sought on the national regulations.**

#### **4. INTERNAL AUDIT MID-TERM PERFORMANCE REPORT 2020/21**

- 4.1 With reference to paragraph 7 of the Minute of 9 March 2020, there had been circulated copies of a report by the Chief Officer Audit & Risk to inform of the progress Internal Audit had made, in the first 6 months of the year to 30 September 2020, towards completing the Internal Audit Annual Plan 2020/21. It also summarised the statutory obligations for Internal Audit and requirements of the Public Sector Internal Audit Standards (PSIAS). The Internal Audit Annual Plan 2020/21 that was approved by the Audit and Scrutiny Committee on 9 March 2020, set out the audit coverage for the year utilising available Internal Audit staff resources to enable the Chief Officer Audit and Risk (the Council's Chief Audit Executive (CAE)), to provide the statutory annual Internal Audit opinion regarding the adequacy and effectiveness of internal control within the Council. Internal Audit assurance services and annual opinions were also provided to the Scottish Borders Pension Fund Board and Committee, and the Scottish Borders Health and Social Care Integration Joint Board to meet their obligations. Appendix 1 to the report provided details of the half-yearly progress by Internal Audit with the delivery of its programme of work. Internal Audit had made good progress in the first half of the year, despite the COVID-19 pandemic response, though amendments to the Internal Audit Plan 2020/21 required approval by the Committee. At the 23 June 2020 meeting, the Chief Officer Audit & Risk had advised members that, due to the effects of the COVID-19 emergency response, the Internal Audit Annual Plan 2020/21 had been re-assessed in terms of potential changes i.e. add audits to cover new risks, re-schedule medium risk audits to later in the current

year, and defer low risk cyclical audits to a future year. The report listed the proposed Audits to be deferred to 2021/22. The revised Internal Audit Annual Plan 2020/21 (Appendix 1) was now being presented for approval.

- 4.2 The Chief Officer Audit & Risk, Jill Stacey, answered Members' questions and provided more information, in particular about any implications of the audits being deferred. Ms Stacey accepted it was unusual to have a significant change in the audit plan but she was aware that many other Local Authorities were in a similar position. She assured Members that this was a risk-based Internal Audit Plan and in each case, there had been good engagement with Management about the deferral. In some of the services concerned deferral of the audit aligned with strategies relating to the FF24 programme. She agreed that the deferrals may put pressure on capacity to carry out audits in 2021/22 although some of the scheduled audits were cyclical rather than risk based. Although some work may have to be realigned she did not expect there to be a significant impact.

#### **DECISION**

**AGREED to note the progress Internal Audit had made towards completing the Internal Audit Annual Plan 2020/21, to confirm that it was satisfied with the Performance of the Internal Audit service, and to approve the revisions to the Internal Audit Annual Plan 2020/21.**

#### **5. PROGRESS ON IMPLEMENTATION OF INTERNAL AUDIT RECOMMENDATIONS**

- 5.1 With reference to paragraph 6 of the Minute of 25 November 2019, there had been circulated copies of a report by the Chief Officer Audit & Risk providing an update to members of the Audit and Scrutiny Committee on the status of the implementation by Management of audit recommendations made and agreed in Internal Audit reports during 2019/20 and previous years. A table within the report highlighted the current status of Internal Audit recommendations from current and previous years and further details on those recommendations not yet fully implemented were shown in Appendix 1 to the report. In light of the Management resources deployed to the Covid-19 emergency response, the Chief Officer Audit & Risk in April 2020 agreed to an automatic 3-month extension to the due dates of all open Audit recommendations in the Pentana Risk system. In response to the Audit and Scrutiny Committee decision "Requested that the Corporate Management Team determined an escalation process to address those Internal Audit recommendations not completed within the agreed timescale", two quarterly update reports on Internal Audit recommendations had been presented to the Corporate Management Team on 22 July 2020 and on 21 October 2020, to enhance Management monitoring and oversight of progress. Corporate Management Team had drawn attention to the requirement for Internal Audit recommendations to be more routinely cited in Departmental Management Team meetings as part of the monitoring process.
- 5.2 Members asked questions about particular outstanding Internal Audit Recommendations as listed in Appendix 1 to the report, expressing concern about the length of time some were overdue. With regard to the recommendation relating to the delayed Digital Customer Access Programme, Mr Robertson explained that the project had been subject to revision due to the system having to be redesigned. Testing on that was now being finalised and business intelligence work nearing completion. Members requested that the senior managers involved in that programme be asked to attend the next Audit & Scrutiny Committee (Audit business) meeting to provide further information. After Members had received detailed answers to questions about several other actions, there was a general discussion about the way in which the information was presented within the report and Appendix. Members asked for more clarity within the narrative, confirmation that the older actions were still relevant, and an indication in the report of which outstanding actions represented a significant level of risk.

#### **DECISION**

**AGREED:-**

- (a) to acknowledge the progress made by Management in implementing Internal Audit recommendations to improve internal controls and governance, and mitigate risks;
- (b) that further action was still required by Management to implement those outstanding Internal Audit recommendations;
- (c) to note that Internal Audit would continue to monitor for completion of the outstanding recommendations and would provide update reports to the Audit & Scrutiny Committee.
- (d) to request that the senior managers implementing the Digital Customer Access programme attend the next meeting of the Audit & Scrutiny Committee (Audit business) to provide further information.

**6. INTERNAL AUDIT WORK TO OCTOBER 2020**

With reference to paragraph 9 of the Minute of 22 October 2020, there had been circulated copies of a report by the Chief Officer Audit & Risk providing details of the recent work carried out by Internal Audit and the recommended Audit actions agreed by Management to improve internal controls and governance arrangements. The work Internal Audit had carried out in the period from 1 to 31 October 2020 associated with the delivery of the approved Internal Audit Annual Plan 2020/21 was detailed in this report. During this period a total of 3 Final Internal Audit Reports had been issued, on the following subjects: Treasury Management; EU Funded Programmes LEADER and EMFF; and Community Equipment Service. There were no recommendations made, with a category of comprehensive assurance given to the audit of Treasury Management and substantial assurance given to the other two audits. An Executive Summary of the final Internal Audit reports issued, including audit objective, findings, good practice, recommendations (where appropriate) and the Chief Officer Audit and Risk's independent and objective opinion on the adequacy of the control environment and governance arrangements within each audit area, was shown in Appendix 1 to the report. Also included in the report was a summary of current Audit Assurance work in progress. In a discussion of the report Members asked for further information about the Community Equipment Service audit, referring in particular to the previous and outstanding recommendation relating to the signature of the Service Level Agreement (SLA) regarding the funding package for this service to ensure its financial sustainability. Mr Robertson confirmed that the service sought to recycle and re-use all equipment within the store and that although the agreement was for a 50:50 funding split between the Council and NHS Borders the SLA was with NHS Borders and was still to be signed. At the request of the Committee, Mr Robertson agreed to write to the Chief Executive of NHS Borders to encourage the SLA to be signed-off at the earliest opportunity.

**DECISION**

**AGREED to:-**

- (a) note the final assurance reports issued in the period from 1 to 31 October 2020 associated with the delivery of the approved Internal Audit Annual Plan 2019/20;
- (b) note the Internal Audit Assurance work in progress and Internal Audit Consultancy and other work carried out in accordance with the approved Internal Audit Charter;
- (c) acknowledge the assurance provided on internal controls and governance arrangements in place for the areas covered by this Internal Audit work; and

- (d) **request that the Executive Director Finance & Regulatory write to the Chief Executive NHS Borders to encourage sign-off at the earliest opportunity of the SLA relating to the Community Equipment Service.**

## **7. RISK MANAGEMENT IN SERVICES**

7.1 The Executive Director Corporate Improvement & Economy, Rob Dickson, was in attendance to give a presentation on the strategic risks facing the service and the internal controls and governance in place to manage/mitigate those risks, to demonstrate how risk management was embedded within services. With the aid of slides, which included a description, detailed assessment, internal controls and scoring for each risk area, Mr Dickson firstly gave a summary of five Corporate Risks which he managed for the Corporate Management Team. The five Corporate Risks were: Contract Monitoring, now incorporating Live Borders, SB Contracts and CGI; External Events; Major Incidents; Political Instability; and Climate Change. In terms of Climate Change, Mr Dickson explained that this was work in progress with the recent formation of the Sustainable Development Committee and associated reports to Council. Work was being undertaken to update the risk with new Risk Factors, Consequences, Internal Controls and Linked Actions. Once this work was completed, a Risk Score and Target Risk could be decided. In time, Climate Change would have its own Risk Register. Mr Dickson moved on to refer to the Service Risk Registers he oversaw: Planning, Development & Building Standards; Emergency Planning; and Economic Development. Mr Dickson referred in particular to Emergency Planning and the pressure the service had been under over the past 12 months, with the Peebles High School fire, major flooding events and the COVID-19 outbreak. The presentation concluded with reference to three additional Risk Registers relating to Live Borders; Tweedbank Programme Board; and SBC Brexit.

7.2 In a discussion of the presentation, a question was asked as to whether there was a risk in relation to the capacity of Directors to provide what had often been 24-hour cover in relation to the management of major incidents and recent events. Mr Dickson explained that, whilst it used to be the case that just the Chief Executive and Executive Director Corporate Improvement & Economy shared the responsibility for management of emergency events, a range of senior colleagues were now involved and were being given formal training. Members recognised the importance of good communications and use of media particularly in relation to emergency events. As the press were often keen to have comments from elected Members on these occasions, a question was asked about training Members on media engagement. The Clerk confirmed that specific media training had been provided within this term of office to Members with particular areas of responsibility, but this could be revisited. The Chairman thanked Mr Dickson for his presentation and it was noted that the slides would be circulated to Members for their information.

### **DECISION**

**NOTED the presentation**

### **MEMBERS**

Ms H. Barnett and Mr M Middlemiss left the meeting.

## **SCRUTINY BUSINESS**

## **8. SCRUTINY WORK PROGRAMME**

With reference to paragraph 10 of the meeting of 10 February 2020, and after discussion with the Chairman, there had been circulated copies of an updated version of the previously agreed Scrutiny Work Programme. The Clerk provided further information in response to questions about certain hearings.

### **DECISION**

**NOTED the dates for hearings for the Scrutiny Work Programme.**

*The meeting concluded at 12.30 pm*

**SCOTTISH BORDERS COUNCIL**

**ACTION SHEET MASTER COPY**

**AUDIT and SCRUTINY COMMITTEE 2020/21**

Notes:-

1. Paragraphs Marked with a \* require full Council approval before action can be taken
2. Items for which no actions are required are not included

TITLE	DECISION REQUIRING ACTION	DIRECTORATE/ SECTION	RESPONSIBLE OFFICER	STATUS
<b>28 September 2020</b>				
Best Value Action Plan	<b>The Chairman commented that the detail of progress had been reassuring but it would be helpful to have such information in advance of the meeting to give Members the opportunity to understand and consider what questions they may wish to ask. It had been useful to see the total of actions but for the quarterly reviews going forward, the focus would be on exceptions rather than all actions.</b>	Transformation & Performance	Jason McDonald	Next quarterly update of BV Action Plan scheduled for presentation on 8 February 2021.
Audit Scotland Counter Fraud Reports	<b>Request that the Corporate Fraud Steering Group (Integrity Group) of officers consider all three reports as part of their counter fraud role and responsibilities, and carry out an assessment of counter fraud controls associated with the covid-19-emerging-fraud-risks and report back to the Committee on findings and necessary actions at the earliest opportunity.</b>	Audit & Risk	Jill Stacey	Initiated at the meeting of the Corporate Fraud Steering Group (Integrity Group) on 30 October 2020. Report scheduled for presentation on 8 February 2021.
<b>22 October 2020</b>				
Annual Assurance Statement 2019/20 to the Scottish Housing Regulator	<b>It was requested and noted that future reports would contain more detail with regard to actions taken. A private Members' briefing would also be arranged to update Ward Councillors on progress with the occupancy agreement for Tweedside Park residents.</b>	Customer & Communities	Jenni Craig	In hand.
	<b>Approve the Annual Assurance Statement 2019/20 for submission to the Scottish Housing Regulator.</b>	Customer & Communities	Jenni Craig	Submitted along with the 'Summary Statement of Self-Assessment of Compliance against Regulatory Framework' to the Scottish Housing Regulator via the Landlord Portal on 26 November 2020. Complete.

Police Community Action Teams Governance	<b>AGREED that officers bring back a report with details on enhancing reporting to Executive Committee and investigating a mechanism for improving communication between the Oversight Group and Police, Fire and Rescue and Safer Communities Board.</b>	Clerk to the Council	Jenny Wilkinson	Scheduled for presentation to A&SC (Scrutiny business) meeting on 10 December 2020.
<b>23 November 2020</b>				
Treasury Management Mid-Year Report 2020/21	<b>AGREED to request the Executive Director Finance &amp; Regulatory bring a briefing paper on the financial elements of PFI contracts, including any changes being sought on the national regulations.</b>	Finance & Regulatory	David Robertson	Draft Treasury Management Strategy 2021/22 scheduled for presentation on 8 February 2021.
Progress on Implementation of Internal Audit Recommendations	<b>AGREED to request that the senior managers implementing the Digital Customer Access programme attend the next meeting of the Audit &amp; Scrutiny Committee (Audit business) to provide further information.</b>	Customer & Communities Transformation & Performance	Jenni Craig Jason McDonald	Next meeting of Audit & Scrutiny Committee (Audit business) is on 8 February 2021.
Internal Audit Work to October 2020	<b>AGREED to request that the Executive Director Finance &amp; Regulatory write to the Chief Executive NHS Borders to encourage sign-off at the earliest opportunity of the SLA relating to the Community Equipment Service.</b>	Finance & Regulatory	David Robertson	In hand.

## **Scottish Borders Council Audit & Scrutiny Committee Petitions Procedure**

Part of the remit of the Audit & Scrutiny Committee is to consider petitions submitted to the Council in accordance with the Council's approved petitions procedure, outlined below, and to determine the appropriate action to be taken within the terms of the procedure.

### **Petitions**

1. Petitions should raise issues which relate to matters within the responsibility of Scottish Borders Council or the general well-being of the residents of the Scottish Borders. Petitioners should be able to demonstrate that there is a public interest in the issue that they are raising.
2. A petition should be on a standard form, titled and should include a clear statement (no more than 250 words) which covers the main subject. Any further information, for example, about measures already taken or approaches made to other bodies, should be included but limited to no more than 4 sides of A4 paper.
3. Petitions should be accompanied by at least 10 signatures in total, from persons aged 16 and over, resident in the Scottish Borders. The signatures must be from a minimum of 3 separate addresses. The principal petitioner should be on the Register of Electors for the Scottish Borders Council area.
4. Petitions from local businesses shall be accepted where there is support from at least 5 businesses on the Valuation Roll for Scottish Borders Council.
5. Elected Members may not be a signatory on a petition and no petition will be accepted from a political party.
6. Where there are already regulatory procedures in place or the matter relates to individuals, then it would not be appropriate to accept such petitions, therefore petitions shall not be accepted:
  - (i) about planning, licensing, or other matters where there are already regulatory procedures in place;
  - (ii) about personal or business issues;
  - (iii) about commercially sensitive or confidential material;

- (iv) about individual Councillors, members of Council staff, or other individuals who may easily be identified;
  - (v) about employees' terms and conditions of employment;
  - (vi) about information which is protected by an interdict or court order;
  - (vii) about an allegation that someone has broken the law;
  - (viii) which contain language which is defamatory, offensive, provocative or otherwise inappropriate;
  - (ix) which relate to a complaint or grievance (which should be handled through the Council's complaints procedure);
  - (x) which relate to a decision made by the Council or a committee during the preceding six months; and
  - (xi) which are identical or similar to other petitions made within the preceding twelve months.
7. The Clerk to the Council, or her representative, shall ensure petitions keep to procedures and are admissible. All valid petitions, with accompanying information if any, shall be passed to the next scheduled meeting of the Audit & Scrutiny Committee. Petitions which are the same, or substantially similar, shall be considered together.
  8. A summary report shall be prepared for the Committee by the Clerk to the Council about any petitions received during the period that are considered inadmissible for any of the reasons listed in paragraph 6 above. The Committee will make the final decision as to whether these are valid.

### **Meetings of the Audit & Scrutiny Committee**

9. When hearing a petition the relevant Director(s), Executive Member(s) and Community Planning Partner representative(s) shall be invited to attend the meeting to provide further information, as appropriate.
10. The principal petitioner should indicate on the form whether or not he/she, or a named deputy, wish to have the opportunity to make a statement at the meeting of the Audit & Scrutiny Committee where their petition is being considered. It would be normal practice to allow the principal petitioner or a deputy to speak, but this is at the discretion of the Chairman of the Committee.
11. No deputation to the Meeting of the Audit & Scrutiny Committee shall exceed 10 in number and, at the discretion of the Chairman, only one speaker shall be heard by the Committee. The time allowed to present the petition shall not exceed 10 minutes, except at the discretion of the Chairman. The speaker should also be prepared to answer questions.

12. Notice of petitions scheduled to be considered by the Audit & Scrutiny Committee will be through the usual on-line public access facility to committee papers, with a link from the petitions "page" on the Council website. Those signing petitions should be made aware that the detail of the petition, with their name and address (but not signature), will be published on the Council website as part of the agenda pack for the meeting of the Audit & Scrutiny Committee.
13. For the moment, no "e-petitions" will be facilitated, or comments from the public accepted on petitions scheduled for consideration by the Audit & Scrutiny Committee.
14. The procedure at the meeting, for each petition considered, shall be as follows:
  - (i) the meeting shall be in public unless the subject matter of the petition would be deemed to be confidential under the terms of Section 7A of the Local Government (Scotland) Act 1973;
  - (ii) the principal petitioner, or named deputy, shall give a statement in explanation of the petition;
  - (iii) there will be an opportunity for Members of the Committee to ask questions of the petitioner or their named deputy;
  - (iv) there will be an opportunity for any Director(s), Executive Member(s) and Community Planning Partner representative(s) present to ask questions of the petitioner or their named deputy;
  - (v) a response to the petition may be heard from a Director, Executive Member and/or Community Planning Partner representative present at the meeting;
  - (vi) there will be an opportunity for Members of the Committee to ask questions of any Director, Executive Member(s) and Community Planning Partner representative(s) present at the meeting;
  - (vii) there will be an opportunity for the petitioner or their named deputy to ask questions of any Elected Member, Director or Community Planning Partner representative present at the meeting;
  - (viii) Members of the Committee shall then discuss the information available and consider their findings. The Committee may defer a decision should further information be required.

Note: any contribution on behalf of the petition from a second or other speaker(s) shall be at the discretion of the Chairman. The public will not be allowed to speak at the meeting unless invited to do so by the Chairman.
15. The Audit & Scrutiny Committee shall agree to one of the following:-

- (i) refer the petition to another Committee or Director, with or without a recommendation or comment. That Committee or Director shall then make the final decision which could include taking no further action;
  - (ii) refer the petition to the relevant Community Planning Partner, with or without a recommendation or comment, if appropriate;
  - (iii) that the issue(s) raised do not merit or do not require further action.
16. The decision of the Audit & Scrutiny Committee, and any reason for that decision, shall be recorded in the Minute of the Meeting and a copy of the Minute shall be sent to the principal petitioner by Democratic Services staff. Where the petition is referred to a Director or another body, the responsibility for communicating the final outcome of the petition is also referred. Updates on these outcomes will be provided to the Audit & Scrutiny Committee.
17. There will be no right of appeal in response to a final decision made in response to a petition.
18. The usage and effectiveness of the petitions procedure shall be reviewed on an annual basis.

### Petitions – submission form

If you wish to submit a petition for consideration by the Audit & Scrutiny Committee, please complete the form below. You are advised to refer to the Guidance Questions and Answer sheet provided.

Details of Principal Petitioner	
Please enter the name and contact details of the person raising the petition. <i>The Principal Petitioner must be on the Register of Electors for the Scottish Borders Council area.</i>	
Name:	MALCOLM CAMPBELL
Address:	3 NESSY PLACE
	COLDSTREAM
Postcode:	
Telephone no:	
Email:	

Title of Petition and Petition Statement
Please enter the title of the Petition and a statement to cover the main subject of the Petition or the action you would like the Council to take.

**Title:** STOP SCOTTISH BORDERS COUNCIL REMOVING SCOTTISH FLAGS FROM HENDERSON PARK IN COLDSTREAM.

**Statement (no more than 250 words):**

AS PER PETITION ON CHANGE.ORG [ [HTTPS://WWW.CHANGE.ORG / COLDSTREAM FLAGS](https://www.change.org/coldstream-flags) ]

" SCOTTISH FLAGS WERE PUT UP BY AN INDIVIDUAL IN COLDSTREAM TO CHEER US ALL UP DURING THE COVID OUTBREAK WHEN WE SHOULD HAVE BEEN CELEBRATING OUR CIVIC WEEK BUT COULD NOT. AS COLDSTREAM IS THE "FIRST TRUE BORDER TOWN" IT IS ENTIRELY APPROPRIATE THAT SCOTTISH FLAG SHOULD FLY PROUDLY IN HENDERSON PARK AND TOURISTS AND RESIDENTS HAVE BEEN PLEASED TO ENJOY THESE FLAGS. THE INDIVIDUAL WHO PUT UP THESE FLAGS RECEIVED INSTRUCTIONS FROM THE COUNCIL TO REMOVE THEM BASED ON ONE COMPLAINT. FACEBOOK IS ALIVE WITH LOCALS FURIOUS AT THE REMOVAL OF THESE FLAGS AND WE WOULD LIKE THE COUNCIL TO RECONSIDER BASED ON WIDER OPINION "

AT 21/9/20 THE PETITION HAS > 3000 SIGNATURES

**Further information.**

Please enter below any measures already taken, or persons/organisations approached to attempt to resolve the issues. Attach additional sheets to this form if required but please note that this information must be limited to no more than 4 sides of A4 paper.

SEE ATTACHED

**Presentation of petition to the Committee.**

Please indicate below if you would like the opportunity to make a statement at the meeting of the Audit & Scrutiny Committee when your petition is considered. Whether or not you will be invited to do so will be at the discretion of the Chairman.

I do/~~do not~~ wish the opportunity to make a brief statement about the petition.

I would like my deputy named below to make a statement on my behalf.

Name of deputy ..... DAVID SHUPHERD .....

Contact details ..... , - 1 HOME TERRACE, COWSIRHAM, TD12 4DN .....

Signature of deputy.....

\* please delete as appropriate

**Signature of Principal Petitioner.**

If you are satisfied your petition meets all the requirements as stated in the Guidance Questions and Answers please add your signature and date below.

Signature of Principal Petitioner.....

Date... 18<sup>th</sup> Sept 2020

**Accompanying signatures.**

Your petition must be accompanied by at least 10 signatures in total, from persons aged 16 and over, resident in the Scottish Borders. The signatures must be from a minimum of 3 separate addresses.

*Please be aware that if the petition is on the agenda for a meeting of the Audit & Scrutiny Committee the names and addresses, but not signatures, of all signatories will be published on the Council website.*

## FURTHER INFORMATION

---

The flags were first put up in Henderson Park in 2014 following a request from Scottish Borders Council to the Community Council to dress up the park and add some colour to mark the Commonwealth Games being held in Scotland and the baton being carried through the town by Olympic athletes. The chairman of the Community Council asked David Shepherd to do this as he is a very respected local signwriter with experience in creating displays that comply with all health and safety legislation and make the town more attractive (e.g. the Coldstream sign on the ground at the end of Guard's Road in the town). Since then the flags have been up each year at Henderson Park to mark the town's Civic Week (first full week in August) and remain up until after the anniversary of Flodden Day on 9th September.

This year a message was given to David on 7th September (copies available if required) that "a complaint" was "received about a saltire flag flying on Council property" and that the flags should be removed immediately. Despite requests, no reason was given at this point in this email exchange as to the nature of the complaint and the flags were removed on 7th September (and therefore were not flying on Flodden Day for the first time since 2014).

Scottish Borders Council have since gone on record in an FOI request that there was no complaint, merely an enquiry and that the "flags were erected/attached to Council property with no prior permission".

The FOI response continues:-

"Whilst these may have been erected in this location in previous years to mark Coldstream Civic Week, this year they have remained in place for over a month." ... "This decision was taken by officers and is solely related to these items being on Council property and is in no way related to the type of flag flown".

In the 1990s the tourist information service was moved out of the town but Scottish Borders Council were at pains to assure the town that Coldstream would be promoted strongly as a Gateway town but none of that happened. We have a Gateway Centre but that was brought about by local individuals. It is sad that Scotland's "first true border town" has very little to attract the kind of tourists who were happily having their photos taken next to the flags even as David was taking them down.

From research online it is clear that the Council has a protocol for "the flying of flags from Council buildings" which (from the Equality Impact Assessment online) seems to have been updated last in April 2016. The document suggests that it is reviewed every two years so perhaps a review now might allow the arrangement for flags to be flown at Henderson Park between Civic Week and Flodden Day to be formalised?

The decision making on flag flying appears to be reserved to the Convenor per the protocol itself and we would like to know his involvement in this complaint/ enquiry if any.

Interestingly the Equality Impact Assessment prepared re the Flag Protocol talks about "the many benefits that help Scottish Borders Council contribute well to it's (sic) obligations under the Equality Act. Examples include: *(my highlighting)*

...

- **Ensures Scottish Borders Council demonstrates dignity and respect for the tradition of flag flying within the United Kingdom ...**
- **Encourages flag flying which allows Scottish Borders Council to promote positive messages including pride, inclusiveness, respect and celebration**

We would like to understand why this year the people of Coldstream were not allowed to have the flags flying on the anniversary of the Battle of Flodden in 1513, why a complaint is suddenly not a complaint any more and whether the council would like to work with the community to formalise what it had previously accepted as the norm (and in actual fact itself commissioned in 2014).

Recipient: Scottish Borders Council

Letter: Greetings,

Stop Borders Council removing Scottish flags from Henderson Park  
in Coldstream

The flags were first put up in Henderson Park in 2014 following a request from Scottish Borders Council to the Community Council to dress up the park and add some colour to mark the Commonwealth Games being held in Scotland and the baton being carried through the town by Olympic athletes. The chairman of the Community Council asked David Shepherd to do this as he is a very respected local signwriter with experience in creating displays that comply with all health and safety legislation and make the town more attractive (e.g. the Coldstream sign on the ground at the end of Guard's Road in the town). Since then the flags have been up each year at Henderson Park to mark the town's Civic Week (first full week in August) and remain up until after the anniversary of Flodden Day on 9th September.

This year a message was given to David on 7th September (copies available if required) that "a complaint" was "received about a saltire flag flying on Council property" and that the flags should be removed immediately. Despite requests, no reason was given at this point in this email exchange as to the nature of the complaint and the flags were removed on 7th September (and therefore were not flying on Flodden Day for the first time since 2014).

Scottish Borders Council have since gone on record in an FOI request that there was no complaint, merely an enquiry and that the "flags were erected/attached to Council property with no prior permission".

The FOI response continues:-

"Whilst these may have been erected in this location in previous years to mark Coldstream Civic Week, this year they have remained in place for over a month." ... "This decision was taken by officers and is solely related to these items being on Council property and is in no way related to the type of flag flown".

In the 1990s the tourist information service was moved out of the town but Scottish Borders Council were at pains to assure the town that Coldstream would be promoted strongly as a Gateway town but none of that happened. We have a Gateway Centre but that was brought about by local individuals. It is sad that Scotland's "first true border town" has very little to attract the kind of tourists who were happily having their photos taken next to the flags even as David was taking them down.

From research online it is clear that the Council has a protocol for "the flying of flags from Council buildings" which (from the Equality Impact Assessment on line) seems to have been updated last in April 2016. The document suggests that it is reviewed every two years so perhaps a review now might allow the arrangement for flags to be flown at Henderson Park between Civic Week and Flodden Day to be formalised?

The decision making on flag flying appears to be reserved to the Convenor per the protocol itself and we would like to know his involvement in this complaint/ enquiry if any.

Interestingly the Equality Impact Assessment prepared re the Flag Protocol talks about "the many benefits that help Scottish Borders Council contribute well to it's (sic) obligations under the Equality Act. Examples include: *(my highlighting)*

...

- Ensures Scottish Borders Council demonstrates **dignity and respect for the tradition of flag flying within the United Kingdom ...**
- **Encourages flag flying which allows Scottish Borders Council to promote positive messages including pride, inclusiveness, respect and celebration**

We would like to understand why this year the people of Coldstream were not allowed to have the flags flying on the anniversary of the Battle of Flodden in 1513, why a complaint is suddenly not a complaint any more and whether the council would like to work with the community to formalise what it had previously accepted as the norm (and in actual fact itself commissioned in 2014).

---

## **FLAG FLYING IN HENDERSON PARK, COLDSTREAM**

**Briefing paper by Service Director, Assets & Infrastructure**

---

### **AUDIT AND SCRUTINY COMMITTEE**

**10 December 2020**

---

#### **1 PURPOSE AND SUMMARY**

- 1.1 This report summarises the content and context of a petition received by the Council for the Audit & Scrutiny Committee.**

#### **2 BACKGROUND**

- 2.1 A Petition entitled "Stop Scottish Borders Council removing Scottish Flags from Henderson Park in Coldstream" was received by the Clerk to the Council on 21 September 2020. Accompanying the petition, as a further petition on Change.org with over 3,000 signatures, c.375 being residents in the Scottish Borders. In the supporting statement submitted with the petition it states "it is entirely appropriate that Scottish flags should fly proudly in Henderson Park." A further document, called "Flag gate" was also submitted (see Appendix 1).
- 2.2 In September 2020 Scottish Borders Council received an enquiry about flags flying at Henderson Park, Coldstream. Following a review, officers from the Parks and Environment team found that the flags had been installed by Presenting Coldstream but were unable to establish that the correct permissions had been obtained from the Council to fly the flags. Subsequently officers contacted Presenting Coldstream and requested that the flags be removed, which was carried out in a timely manner.
- 2.3 The "Flag gate" document introduced additional background information on the flying of flags at Henderson Park, dating back to 2014 and the celebrations associated with the Commonwealth Games of that year. It set out that since that date the flags had been erected to coincide with Civic week (first full week of August) and they stayed in place until Flodden day 9<sup>th</sup> September.
- 2.4 "Flag gate" also sets out the following:-  
*We would like to understand why this year the people of Coldstream were not allowed to have the flags flying on the anniversary of the Battle of Flodden in 1513, why a complaint is suddenly not a complaint any more and whether the council would like to work with the community to formalise what it had*

*previously accepted as the norm (and in actual fact itself commissioned in 2014).*

### **3 COUNCIL PROCESSES AND PERMISSIONS**

- 3.1 **Flag Flying Protocol** - The flying of flags is covered by a Protocol set out in the document "The flying of flags from Council buildings And Arrangements for books of Condolence" (see Appendix 2). This sets out prescribed locations/procedures for flag flying, and the due process for discretionary decision making regarding flying of flags out-with these prescribed locations/procedures:-
- "From time to time decisions in relation to a particular set of circumstances will require to be taken. In such instances the Convener (whom failing the Vice Convener) will make the decision after consulting the Chief Executive, his/her deputy or the Property Manager and if appropriate the Lord Lieutenants and the Lord Chamberlain's office."
- 3.2 Upon review, Officers did not find any prior permission had been sought under these discretionary powers and the Convenor / Chief Executive had not been consulted on the flying of flags at Henderson Park. Similarly, no approach had been made to the Estates Management Team as referred to at paragraph 3.5 below.
- 3.3 While the protocol "The flying of flags from Council buildings And Arrangements for books of Condolence" does contain the above discretionary decision making, it does not explicitly state the criteria for such exceptions or the procedure for communities and third parties to make such discretionary requests. It also does not make clear any procedure for the removal of unauthorised flags. It is recognised that a review of the Flag Flying Protocol is required to provide greater clarity and avoid misunderstandings arising in future.
- 3.4 **Park Bookings Process** - Third party use of public open spaces for community based activities is supported by the Council, but prior agreement should be sought using the Park Bookings Process. No such agreement had been negotiated regarding the erection of the flags at Henderson Park.
- 3.5 **Use of Council Property** - Any access to or use of Council owned property by communities and third parties such as private undertakers/utility companies, requires that they seek permission for a wayleave or access agreement which is typically facilitated through the Councils Estate Management team, supported as required by Parks and Environment, Legal services and any other appropriate service area. No such agreement had been negotiated regarding the erection of the flags at Henderson Park.
- 3.6 **CV-19 Recovery Board** - In response to CV-19 the Council has established a Recovery Board as an additional control measure to ensure that the services it provides communities are considered in the context of CV-19 and are safe. The erection and management of the flags flown at Henderson Park were not considered by the Recovery Board.
- 3.7 **Safety Advisory Group** - Due to the effects of CV-19, all Civic Festivals/Common Ridings this year were cancelled. The Council usually

facilitates these through the Safety Advisory Group (SAG) which did not take place this year due to the cancellations and other CV19 related pressures.

- 3.8 In accordance with standard practice for unauthorised installations or use of council assets, the Flags were requested to be removed by Officers without any involvement of the Convenor, the Leader or the Chief Executive. However, officers accept that this situation could have been handled differently and would offer an apology to Presenting Coldstream.

#### 4 FLAG GATE – FOI REQUEST

- 4.1 In the correspondence on 7 September 2020 with Presenting Coldstream, officers mistakenly described the enquiry regarding the flags as a complaint. This was an error.
- 4.2 The Councils complaints policy is available on line ([https://www.scotborders.gov.uk/info/20016/have\\_your\\_say/155/make\\_a\\_complaint](https://www.scotborders.gov.uk/info/20016/have_your_say/155/make_a_complaint)). Under the terms of this policy, if an issue is a first time request for action, it is classified as an enquiry, as was the case in this instance.
- 4.3 A Freedom of Information Request (FOI 14546) was received on 7 September requesting details of “the complaint [about] the Scotland flags in Coldstream”. As there was no official complaint held on record, the response to this FOI request stated that there was no complaint. The erroneous referral in correspondence with Presenting Coldstream to “a complaint” on 7<sup>th</sup> September was later corrected. It is noted that this may have caused some confusion.

#### 5 COMMENTARY ON ISSUES RAISED

- 5.1 The following table summarises the concerns raised within the petition and also the “Flag gate” document and gives comments.

Concerns raised	Commentary
<i>Petition - “Scottish Flags were put up by an individual in Coldstream to cheer us all up during the Covid outbreak when we should have been celebrating our civic week but could not. As Coldstream is the “first true border toon” it is entirely appropriate that Scottish Flag should fly proudly in Henderson Park and tourists and residents have been pleased to enjoy these flags..... We would like the Council to reconsider based on wider opinion”</i>	Any third party use of a Council Public Open space is facilitated as set out in section 3. Organisers can seek permission(s) to carry out their activities using these processes at any time and would be given support and guidance throughout. Any caveats the Council may wish to be observed would be advised and the third party use can then proceed as agreed.  Civic celebrations are co-ordinated through the Safety Advisory Group (SAG); due to CV19 this year all civic events were cancelled and the SAG did not operate.
<i>Flag Gate - Flag gate identifies that the Council has a flag flying protocol and</i>	As no application for use had been received then no consideration was given to the flag flying protocol. Officers did not approach the

<p><i>seeks to clarify if the Council Convener was involved in the complaint/enquiry.</i></p>	<p>Council Convener as set out under the protocol to seek his consideration of the matter.</p>
<p><i>Flag Gate - We would like to understand why this year the people of Coldstream were not allowed to have the flags flying on the anniversary of the Battle of Flodden in 1513.</i></p>	<p>Any third party use of a Council Public Open space is facilitated as set out in section 3. Organisers can seek permission(s) to carry out their activities using these processes at any time and would be given support and guidance throughout. Any caveats the Council may wish to be observed would be advised and the third party use can then proceed as agreed.</p> <p>Civic celebrations are co-ordinated through the Safety Advisory Group (SAG) due to CV19 this year all civic events were cancelled and the SAG did not operate.</p>
<p><i>Flag Gate - why a complaint is suddenly not a complaint any more</i></p>	<p>The following is an excerpt from the Council's internet which clarifies what is a complaint, and when a complaint is in fact an enquiry. Details of this policy are below:-</p> <p><i>Is your issue a complaint?</i></p> <p><i>Is the issue you want to raise:</i></p> <ul style="list-style-type: none"> <li>• <i>a routine first time request for a service like a missed bin?</i></li> <li>• <i>a first time reporting of a fault like a pothole or a broken street light?</i></li> <li>• <i>a request for compensation only like insurance or third party claim?</i></li> <li>• <i>issues that are in court or have already been heard by a court or a tribunal?</i></li> <li>• <i>a disagreement with a decision where a statutory right of appeal exists, for example in relation to council tax or planning?</i></li> </ul> <p><i>If the issue you want to raise is one of the above, please <a href="#">report it online</a> as we would not treat these issues as complaints."</i></p>
<p><i>Flag Gate - whether the council would like to work with the community to formalise what it had previously accepted as the norm (and in actual fact itself commissioned in 2014).</i></p>	<p>Any third party use of a Council Public Open space is facilitated as set out in section 3. Organisers can seek permission(s) to carry out their activities using these processes at any time and would be given support and guidance throughout. Any caveats the Council may wish to be observed would be advised and the third party use can then proceed as agreed.</p>

	<p>Civic celebrations are co-ordinated through the Safety Advisory Group (SAG) due to CV19 this year all civic events were cancelled and the SAG did not operate.</p> <p>The Council will continue to work with communities to help them achieve their aspirations in regards to civic festivals and events.</p>

The flags were first put up in Henderson Park in 2014 following a request from Scottish Borders Council to the Community Council to dress up the park and add some colour to mark the Commonwealth Games being held in Scotland and the baton being carried through the town by Olympic athletes. The chairman of the Community Council asked David Shepherd to do this as he is a very respected local signwriter with experience in creating displays that comply with all health and safety legislation and make the town more attractive (e.g. the Coldstream sign on the ground at the end of Guard's Road in the town). Since then the flags have been up each year at Henderson Park to mark the town's Civic Week (first full week in August) and remain up until after the anniversary of Flodden Day on 9th September.

This year a message was given to David on 7th September (copies available if required) that "a complaint" was "received about a saltire flag flying on Council property" and that the flags should be removed immediately. Despite requests, no reason was given at this point in this email exchange as to the nature of the complaint and the flags were removed on 7th September (and therefore were not flying on Flodden Day for the first time since 2014).

Scottish Borders Council have since gone on record in an FOI request that there was no complaint, merely an enquiry and that the "flags were erected/attached to Council property with no prior permission".

The FOI response continues:-

"Whilst these may have been erected in this location in previous years to mark Coldstream Civic Week, this year they have remained in place for over a month." ... "This decision was taken by officers and is solely related to these items being on Council property and is in no way related to the type of flag flown".

In the 1990s the tourist information service was moved out of the town but Scottish Borders Council were at pains to assure the town that Coldstream would be promoted strongly as a Gateway town but none of that happened. We have a Gateway Centre but that was brought about by local individuals. It is sad that Scotland's "first true border town" has very little to attract the kind of tourists who were happily having their photos taken next to the flags even as David was taking them down.

From research online it is clear that the Council has a protocol for "the flying of flags from Council buildings" which (from the Equality Impact Assessment on line) seems to have been updated last in April 2016. The document suggests that it is reviewed every two years so perhaps a review now might allow the arrangement for flags to be flown at Henderson Park between Civic Week and Flodden Day to be formalised?

The decision making on flag flying appears to be reserved to the Convenor per the protocol itself and we would like to know his involvement in this complaint/ enquiry if any.

Interestingly the Equality Impact Assessment prepared re the Flag Protocol talks about "the many benefits that help Scottish Borders Council contribute well to it's (sic) obligations under the Equality Act. Examples include: *(my highlighting)*

...

- Ensures Scottish Borders Council demonstrates **dignity and respect for the tradition of flag flying within the United Kingdom ...**
- **Encourages flag flying which allows Scottish Borders Council to promote positive messages including pride, inclusiveness, respect and celebration**

We would like to understand why this year the people of Coldstream were not allowed to have the flags flying on the anniversary of the Battle of Flodden in 1513, why a complaint is suddenly not a complaint any more and whether the council would like to work with the community to formalise what it had previously accepted as the norm (and in actual fact itself commissioned in 2014).

## **Balance between 20mph speed limits and Street Architecture**

**Briefing Paper by Service Director, Assets & Infrastructure**

---

### **AUDIT AND SCRUTINY COMMITTEE**

**10 December 2020**

---

#### **1 PURPOSE AND SUMMARY**

- 1.1 This report provides details to Members on the balance between 20mph speed limits and the use of street architecture, and an update on the 20mph experiment across settlements in the Scottish Borders.**

#### **2 STREET ARCHITECTURE AND TRAFFIC CALMING OPTIONS**

- 2.1 There are a variety of traffic calming features available for construction. However, research into the efficacy of these in general is very dated, and in rural settings, is extremely rare. Examples in Appendix 1. The most commonly used traffic calming features are:
- Signing
  - Lining and Surface Treatments
  - Humps and Bumps
  - Variable Message Signs
  - Islands, Chicanes, Build Outs
  - Protected Parking and Realignment
  - Light Controlled Crossings
  - Roundabouts
  - Gateway Treatments and Transition Buffers
  - Shared Spaces (moratorium at present)
- 2.2 Each traffic calming feature comes with its own advantages and disadvantages and some work in tandem better with others. Costs vary depending on the interventions and some have ongoing maintenance issues. Others can cause problems on bus routes and emergency access roads and noise and vibration are frequently cited as intolerable by residents. It is rare for an individual traffic calming feature to be successful in the longer term, and it is generally accepted that a mix and match of features is the most appropriate. Also worth bearing in mind is that some traffic calming features have a very localised effect, and consideration is needed into possible adverse effects elsewhere and unintended consequences.

### 2.3 Eddleston Study

It is fair to say that there is a distinct lack of modern research into the effectiveness or otherwise of traffic calming features in rural areas and in particular on villages bounded by national speed limit roads. The Council's traffic and road safety team successfully applied to the Transport Scotland Road Safety Research fund for 'The Eddleston Study' into traffic calming features. This research involved Edinburgh Napier University conducting a worldwide literature review of the effects of traffic calming as well as an analysis of recently introduced local traffic calming features in Eddleston. An assessment of the strengths of traffic calming measures is detailed in the following table.

#### Assessment of Strengths of Traffic Calming Interventions:

<b>Intervention measure to reduce speed</b>	<b>Strength of evidence*</b>
There is little evidence as to the effects of rural roundabouts in villages	<b>Weak</b>
Vehicle Activated Signs (VAS) with the speed of travel or a message such as 'Slow Down' if travelling at a speed assessed as high for the speed limit appear to be effective at reducing speeds. Decreases of about 6 mph resulted for the mean and 85th percentile speeds at 12 months. VAS, including LED signs were reported to be very effective in reducing vehicle speeds at community entrances.	<b>Strong</b>
In-village speed tables and road humps are reported to be effective in reducing speeds on the approach to, at and at a short distance after the location.	<b>Medium</b>
In-village chicanes are reported to be effective in reducing speeds on the approach to, at and at a short distance after the location. These may include pavement build-outs in reducing the road width.	<b>Medium</b>
The use of centre islands and lane narrowing appeared to have a small effect on speed reduction relative to other measures	<b>Weak</b>
For pedestrian islands in-village symmetrical, induce 1 m lateral shift and be enhanced by post-and-chain barriers or barrier bollards and located near to residential buildings visible from the carriageway.	<b>Weak</b>
As gateway speed reduction measures rumble strips may be effective for reducing high speed entry to the settlement.	<b>Weak/ Medium</b>
The use buffer or transition zones outside of villages through use of Chevron markings (among other measures) appears to have a moderate effect on reducing entry speeds.	<b>Weak</b>
The use of Transverse bar markings at entrances to villages appears to have a moderate effect on reducing village entry speeds.	<b>Weak</b>
Red road markings and on-road speed signing have a moderate effect on reducing village entry speeds.	<b>Weak</b>
Centre-line removal in villages can reduce speeds driven by up to 2 mph.	<b>Weak</b>
The use of 'natural traffic calming' measures – hedges and trees – appear to have negligible impact on driver speeds.	<b>Weak</b>
The use of coloured road material such as red bricks can help to reduce speeds driven, often in combination with	<b>Weak/Medium</b>

physical intervention measures at locations such as at village gateways and at intersections.	
Use of a combination of measures appears to be effective at reducing vehicle speeds entering and travelling through a low speed limit area within small settlements	<b>Medium</b>

2.4 In the context of Eddleston village, where Dragon’s teeth at the speed limit change were introduced first, followed by Vehicle Activated Signage (VAS), the evidence from this Literature Review is that careful selection of additional traffic calming measures may provide a synergetic effect in bringing down motor vehicle speeds as they enter and proceed through the village. Further application of traffic calming measures on the approach or at the village gateways, plus the potential for further measures in the village itself, would look to be the approach needed. There is a range of options which include, for example, installing VAS at or close to each gateway and changes in road surface colour, potentially with the 30mph speed limit painted onto the red surfacing. The potential for speed tables and chicanes may be limited by proximity of residential properties and geometry but may be worth exploring as they were both reported as achieving relatively high speed reductions.

### 3 20MPH EXPERIMENT UPDATE

3.1 At its meeting on 27 August 2020, Council agreed to implement a Sustrans/Transport Scotland externally funded £1.2M trial of 20mph across all streets in settlements with existing 30mph speed limit in the Scottish Borders. This involved 97 settlements in total, including 8 trunk road towns. The timetable for the work was as follows:

- **August 28 2020** – First Traffic Survey (pre/baseline data collection)
- **September 3 2020** – First Email issued to all Community Councils
- **October 5 2020** - Roll out of trial 20mph schemes across all 89 settlements with 30mph speed limit, excluding trunk road settlements.
- **October 26 2020** - All signing completed in 89 settlements and awaiting Transport Scotland permission for remaining 8 settlements with trunk routes running through.
- **October 30 2020** – Second Email and first Community Council Survey sent out to all Community Councils.
- **November 16 2020** - Agreement from Transport Scotland for trunk route towns starting with Hawick.
- **November 16 2020** – Second Traffic Survey (post signing only data collection).

3.2 From December 2020 through to February 2021, an analysis of traffic surveys and determination of possible traffic calming features will be carried out in discussion with Elected Members and Police Scotland. The timetable is then:

- **January 2021** – Second Community Council Survey
- **March 2021** – Third Traffic Survey
- **April 2021** - Public consultation; Third Community Council Survey; Parent survey
- **May 2021** – Fourth Traffic Survey

3.3 From June to August 2021, further consultation will be carried out with Elected Members on options for a recommendation report to Council. It is

anticipated this report will be presented to Council in September 2021. Depending on the decision of Council at that time, from October 2021 to May 2022, the statutory process will take place to introduce any retained 20mph schemes, and decommission others.

- 3.4 A marketing strategy for the current scheme is ongoing with radio, internet and social media updates and advertising. The Council website FAQ is updated regularly to reflect questions from the public. All primary aged children have been issued with high viz vests. An Evaluation group is being set up, consisting of SBC Officers, Edinburgh Napier University academics, Sustrans, Transport Scotland, all of whom have confirmed, with confirmation awaited from Police Scotland.
- 3.5 As expected, there has been a mixed reaction to the widespread introduction of the 20mph schemes. Some communities are warmly welcoming the trial, while others are unhappy over a lack of consultation at the outset. Some have reservations on the need for all streets to be included, and there have been a number of queries over justification, based on very few injury accidents and questions of over funding, even though the scheme is fully externally funded. It would appear that some drivers are also unsettled over the additional drive time, and conversely some pedestrians are happier with the change in driver behaviour. Some residents are finding noise disturbance reduced by slower moving vehicles. Early discussions from both local Police Sergeants has not seen a spike in complaints over speeding or driver behaviour, with complains over non-compliance and poor driving similar to locations when 30mph was speed limit in place. Police are not surprised with the level of compliance so far.

## **POLICE COMMUNITY ACTION TEAMS GOVERNANCE**

**Report by Executive Director, Finance & Regulatory**

---

### **AUDIT & SCRUTINY COMMITTEE**

**10 December 2020**

---

#### **1 PURPOSE AND SUMMARY**

- 1.1 This report provides further details of the potential amended governance arrangements for the Police Community Action Teams.**
- 1.2 At its meeting held on 22 October 2020, the Audit & Scrutiny Committee requested a further report be brought back with details on enhancing transparency and performance monitoring of the Police CATs to the Executive Committee and investigating a mechanism for improving communications between the Oversight Group and the Police, Fire & Rescue and Safer Communities Board.
- 1.3 As previously reported, the performance monitoring of the CATs could be moved from the CAT Member/Officer Oversight Group and be reported through the Executive Committee on a quarterly basis. This would allow a more public view of the work of the CATs. Reports are published committee papers and available on the Council website.
- 1.4 A workshop could be held for members of the Police, Fire & Rescue, and Safer Communities Board to explain the process used to decide on the work of the CATs, including when issues are passed to Police Scotland. This would allow members of that Board to gain an insight into the governance of the CATs. It may also be helpful to consider whether the CAT Oversight Group and the Police, Fire & Rescue and Safer Communities Board should meet informally, in private, once per year to discuss the work of the CATS and raise any concerns.

#### **2 RECOMMENDATIONS**

- 2.1 **I recommend that the Committee:-**
  - (a) NOTES that those involved in the current CAT Member/Officer Oversight Group consider it to be working effectively, therefore it remains the officer view that no changes are required to the governance arrangements.**

- (b) CONSIDERS, however, whether to make any recommendations to Council on the current Police Community Action Teams governance arrangements, potentially:**
- (i) that the tasking of the Police Community Action Teams remains with the CAT Member/Officer Oversight Group;**
  - (ii) that the performance monitoring of the Police Community Action Teams be moved from the CAT Member/Officer Oversight Group to the Executive Committee, with reporting on a quarterly basis; and**
  - (iii) the Police, Fire & Rescue and Safer Communities Board and the CAT Member/Officer Oversight Group meet informally, in private, on an annual basis, to discuss the work of the Police Community Action Teams.**
- (c) AGREES to RECOMMEND that a workshop be held for members of the Police, Fire & Rescue and Safer Communities Board to explain the process of tasking for the Police Community Action Teams.**

### **3 BACKGROUND**

- 3.1 At its meeting on 22 October 2020, the Audit and Scrutiny Committee considered a report regarding the possibility of the Policy Community Action Team Officer/Member Strategic Oversight Group being included in the Scheme of Administration as a formal committee of Council. Officers explained that due to the intelligence information being provided by Police Scotland to the CAT Member/Officer Oversight Group it was not possible in its current form for the Strategic Oversight Group to be included in the Scheme of Administration.
- 3.2 While the recommendation in that report was to take no further action, an option was given to change the governance structure to allow performance management of the CATs to be carried out through the Executive Committee, with operational tasking of the CATs carried out by a new Member/Officer Reference Group. Following discussion at the meeting, the Committee requested a further report be brought back with details on enhancing transparency and performance monitoring to the Executive Committee and investigating a mechanism for improving communications between the Oversight Group and the Police, Fire & Rescue and Safer Communities Board. A workshop could also be considered if required.

### **4 CAT GOVERNANCE**

- 4.1 Should Members wish to suggest changes to the governance arrangements currently in place for the Police CATs, consideration will need to be given to how best this can be achieved. As previously reported, the performance monitoring of the CATs could be moved from the CAT Member/Officer Oversight Group and be reported through the Executive Committee on a quarterly basis. This would allow a more public view of the work of the CATs. Reports are published committee papers and available on the Council website.
- 4.2 The current Member/Officer Oversight Group would continue to work under its current rules to oversee the tasking of the CATs. This would ensure that police intelligence information was restricted to that Group. As currently happens, all Elected Members would still be able to feed in any issues within their own Wards to the CATs by raising these with members of the Oversight Group, the Safer Communities & Community Justice Manager, or the CAT Sergeants.
- 4.2 A workshop could be held for members of the Police, Fire & Rescue, and Safer Communities Board to explain the process used to decide on the work of the CATs, including when issues are passed to Police Scotland. This would allow members of that Board to gain an insight into the governance of the CATs. It may also be helpful to consider whether the CAT Oversight Group and the Police, Fire & Rescue and Safer Communities Board should meet informally, in private, once per year to discuss the work of the CATS.
- 4.3 As previously advised, it is the view of all that are involved in the process that the current arrangements with the Strategic Oversight Group seem to be working well and is successful.

## 5 IMPLICATIONS

### 5.1 Financial

There are no costs attached to any of the recommendations contained in this report.

### 5.2 Risk and Mitigations

There is a risk that while some Members may feel excluded from information being provided to the current Police CATs Strategic Oversight Group, there are currently 9 Elected Members on the Group who can give assurance to the work of the CATs. Performance statistics are also provided each quarter to the Executive Committee.

### 5.3 Integrated Impact Assessment

No IIA has been carried out as it is considered there will be no unlawful discrimination, harassment or victimisation, or any impact on equality of opportunity for those who do or do not share a characteristic of age, disability, gender re-assignment, trans/transgender identity, marriage or civil partnership, pregnancy and maternity, race groups, religion or belief, sex-gender identity, and sexual orientation.

### 5.4 Acting Sustainably

There will be no economic, social or environmental effects arising from the recommendations in this report.

### 5.5 Carbon Management

There are no effects on the Council's carbon emissions arising from the recommendations in this report.

### 5.6 Rural Proofing

There is no impact on those living in rural areas arising from the recommendations in this report.

### 5.7 Changes to Scheme of Administration or Scheme of Delegation

Any changes which are required to the Scheme of Administration will require Council approval.

## 6 CONSULTATION

- 6.1 The Monitoring Officer/Chief Legal Officer, the Chief Officer Audit and Risk, the Service Director HR & Communications, and Corporate Communications have been consulted and any comments received have been incorporated into the final report. Police Scotland were also consulted.
