Extract from Minute of Meeting of Eildon Area Partnership – 30 June 2022

9.4 **Gala Rugby (Maroon'd)**

The application from Gala Rugby was for £12.5k to deliver the second Maroon'd event at Netherdale on 20 August 2022. The event was planned as a sporting and social event featuring rugby from primary school and high school ages up to senior sevens level. Clan rugby was also included. The event would also include a further range of sporting events, including athletics, football, and a range of live entertainment and food. The event was planned to be free entry, with a shuttle bus running to the town centre. The funding applied for would cover the provision of security staff, portable toilets and showers, marquees for changing and music costs. Ms Mushlin explained that the Panel had recommended to fund the project this year, but was reluctant to continually fund future iterations of the event. Members in attendance unanimously agreed in principle with the recommendation for the funding, but lacking a Member from each of the Wards within the Eildon locality, were not quorate. The decision was therefore subject to future ratification.
