Mr Wynne further explained that development would contain a petrol station and convenience store to include the sale of alcohol on an off-sales basis between 10 a.m. and 10 p.m. although the premises would be open 24 hrs. Mr Wynne highlighted that the application was seeking an alcohol capacity of 14% and the current policy was set at 10%. Mr Wynne also drew the Boards attention to the Future Customer Profiling Research Report carried out in April 2023 and which was a legal requirement for premises not yet constructed.
- 3.3 The Convener welcomed, Mr Andrew Hunter, Legal Representative to the meeting. Mr Hunter explained that the premises were scheduled for completion at the beginning of August and would be a welcome addition creating 30 full and part-time jobs. Motor Fuel Ltd owned over 50 licensed convenience stores across Scotland and Tweedbank would be run in a similar manner. Mr Hunter referred to the Future Customer Profiling Research Report and the door to door research undertaken, which highlighted that just under 70% of those interviewed were likely to purchase alcohol if it was available. The alcohol would be away from the front door for security reasons and the difference between 10% and 14% in terms of visual impact would be minimal and Mr Hunter was seeking approval of 14% capacity.

URGENT BUSINESS

Under Section 50B(4)(b) of the Local Government (Scotland) Act 1973, the Chair was of the opinion that the item dealt with in the following paragraph should be considered at the meeting as a matter of urgency, in view of the need to make an early decision.

5.0 DRAFT POLICY STATEMENT

- 5.1 There had been circulated copies of the Draft Policy Statement and Mr Kirk advised that the Board were legally required to review the Policy every five years. The current policy had been reviewed by Licensing Officers and updated to include the introduction of the sexual entertainment policy and safety of staff late at night which officers felt were the only amendments necessary.. A twelve week consultation was required and the Board were asked to consider the draft policy prior to the commencement of the consultation.
- 5.2 Councillor Weatherston raised the matter restricting trading to 14 hours within a 24 hour period which was contained in the policy as a standard 11 a.m. – 1 a.m. however he was aware that other Authorities did not have a restriction and considered each application on its own merits. Mr Wynne explained that there was additional wording within the policy for Annual Events such as the Common Ridings but there required to be a threshold within the policy in order for applications seeking additional trading hours to be brought to the Board for consideration.

**DECISION
 AGREED:-**

- (a) that an additional question seeking views on the standard 14 hours trading period i,e 11am to 1am be asked during the consultation process

- (b) that the 12 week consultation be undertaken following the above amendment;
and
- (c) the consultation results be reported to a future meeting.

**PRIVATE BUSINESS
DECISION**

AGREED under Section 50A(4) of the Local Government (Scotland) Act 1973 to exclude the public from the meeting during consideration of the business detailed in the Appendix to this Minute on the grounds that it involved the likely disclosure of exempt information as defined in Paragraph 14 of Part I of Schedule 7A to the Act.
