Has an effective audit committee structure and composition of the committee been selected?

This should include:

- separation from the executive
- an appropriate mix of knowledge and skills among the membership
- a size of committee that is not unwieldy
- where independent members are used, that they have been appointed using an appropriate process.

Does the chair of the committee have appropriate knowledge and skills?

Are there arrangements in place to support the committee with briefings and training?

Has the membership of the committee been assessed against the core knowledge and skills framework and found to be satisfactory?

Does the committee have good working relations with key people and organisations, including external audit, internal audit and the chief financial officer?

Is adequate secretariat and administrative support to the committee provided?

Yes

The membership of the Audit and Risk Committee comprises six elected members not on the Executive Committee (4 from the Administration and 2 from the Opposition) and one non-voting independent member appointed from an external source. The latter helps to enhance the robustness and independence of the Audit and Risk Committee's operations.

There is an open recruitment and selection process to appoint external members of the Audit and Risk Committee outwith the cycle of local elections to facilitate continuity management of membership (Selection Committee; appointment for 3 years to October 2018).

Further to members' training, the chair of the Audit and Risk Committee meets regularly with the Chief Officer Audit & Risk including pre-meetings.

There is a comprehensive Induction Programme for those appointed to the Audit and Risk Committee including: Outline of Corporate Governance; role of the Audit and Risk Committee; role of Internal and External Audit; Assurance Framework; and Audit Cycle. Informal Sessions involving Internal and External Auditors usually prior to each Audit and Risk Committee meeting are used for the purpose of briefing and training to coincide with the Audit Cycle.

A formal assessment against the Knowledge and Skills Framework was carried out 16 January 2017 as part of the annual self-assessment with conclusion of improving and satisfactory skills and knowledge.

Members, in particular the chair of the Audit and Risk Committee, utilise opportunities as required to keep in touch on a continuing basis with the key people involved in the Council's governance e.g. the Leader of the Council, the Chief Executive, the Chief Financial Officer, the External Auditor and the Chief Officer Audit & Risk.

A Committee Officer is assigned to the Audit and Risk Committee. There are six scheduled meetings of the committee each year – January, March, April/May, June, September and November – to coincide with the Audit Cycle. Additional meetings can be arranged as required.
