Dear Sir/Madam. it is with angst and dismay that the proposal for Martin McCall (THE COOPERATIVE FOOD) to open from 6 AM to 11 PM is issued

This gives my neighbours and me seven hours sleep time, and as my house is directly on to pavement and holiday day shortens this time even further as deliveries will then can come anytime between 11 pm and 6 AM, and I can say they are anything but quiet!

I most strongly object to this application and proposal

yours faithfully

JESSIE CROMBIE
