Dear Madam,

**LICENSING (SCOTLAND) ACT 2005 - OCCASIONAL LICENCE APPLICATION
PREMISES: THE GREEN, GREENLAW, DUNS, TD106.
APPLICANT: DUNCAN GAVIN MCGINNIS (on behalf of Greenlaw Festival
Trust)**

I refer to the above application and in terms of Section 58(1)(b)(ii) of the Licensing (Scotland) Act 2005, I make the following representation in relation to the application, and recommend that it be granted subject to the conditions as indicated by an 'X' on the attached appendix being applied.

Applicant seeks an occasional licence on Sunday 2nd July 2017 for Greenlaw Festival Activities between the hours of 13:00 – 16:30. The festivities include a pet show, prize giving and general get together.

On 30th June 2016, the Greenlaw Festival caused significant anti-social behaviour and disorder, to such an extent that although no Police resources had been dedicated to the event, a Sergeant and six Officers were deployed from various locations in the Scottish Borders to deal the ongoing incidents and were required to remain there for the duration of the event.

A summary of the incidents / issues that were identified are as follows: -

The following quantity of alcohol was seized from under age persons

- 13 bottles of Budweiser
- 11 cans of Strongbow
- 5 bottles of Stella
- 1 bottle of wine
- 1 bottle of Blue Wicked

- 6 x 70cl bottles of whisky, vodka, cider
- 2 x cocktail bottles.

A call was received from one of the organisers reporting a youth smoking cannabis outside marquee

A local resident reported of group of drunken youths in the High Street.

A local residents car was damaged following a fight between approx 8 youths in Church Hill.

A crime report was submitted following report of an assault on a 16yr old youth from Berwick.

A 45 yr old local male issued with a recorded police warning for urinating in the garden of a property having just left the marquee.

A 15yr old intoxicated youth was returned home to Duns by Police having been denied entry into a taxi due to his state of intoxication / vomiting.

It was noted that there was a distinct lack of supervision by organisers with little / no visible presence of stewards / marshals / door staff.

One steward seen to be wearing a high viz jacket was described by one officer as being drunk.

In order to address these issues the organisers have been requested to attend Scottish Borders Council Safety Advisory Group, which the Police Scotland Licensing Officer will attend.

In addition to the conditions requested on the attached appendix, it is also requested that the licensed area be restricted to the marquee where the bar is situated with no Off Sales, which can be appropriately stewarded.

It is appreciated that this is an afternoon event and may not attract the numbers of the previous two days and the conditions have been amended to reflect this.

This representation is submitted for your attention in consideration of this application.

Yours faithfully

Philip Gormley QPM
Chief Constable
