Re: British Lions Test Match vs New Zealand

The current Lions Tour has two borderers playing, one of which comes from Hawick and it would be an opportunity for people with no Sky Contracts to view these games. The Waverley shows all Sports on our premises, at great cost to us - over £1600 per month for our Contracts to date, and this would help towards recouping some of these costs, and giving an even better service to our regular customers.

We know we are on maximum opening hours giving a full service to customers unlike others who only open at lucrative times for the benefit of themselves. It's ironical that other pubs who do not even fulfil their 'operating plan hours' would be eligible to apply.

The Waverley has been in the family business for the past 47 years, and prides itself in having had no problems with any unsavoury trouble for many years.

Because the time difference between New Zealand and U.K. the games are out with the normal opening hours we hope the police and Licensing Board will look favourably towards this application and not be spoiling a few peoples enjoyment of these game

Yours faithfully,

W. Ian Smith
