For the attention of Mr Alan Niven

Dear Sir/Madam,

I write to you in connection with the license application for a Metal Dealer/Car Dealer at Redpath Metal Recycling, Crowbyuers Yard, Hawick, TD9 9SN

I wish to object to the license on the following grounds.

- (a) The area around Crowbyuers Yard is now residential, and within the 30 mph limit as was not the case when the original scrap yard was developed.
- (b) The seven day working schedule will impact on our lives ie noise and car parking.
- (c) Crowbuyers Yard is adjacent to Slitrig Water, as this is a flood area, effluent from scrap cars could seep into the river.
- (d) Repaired cars are tested around the area at high speed, which resulted in damage to my property after an accident, of which i had to pay.

Yours Sincerely

K.T. & M. More
