

MONITORING REPORT FOR 9 MONTHS TO 31 DECEMBER 2014

Report by the Chief Financial Officer

JEDBURGH COMMON GOOD SUB COMMITTEE

4 February 2015

1 PURPOSE AND SUMMARY

- 1.1 This report sets out details of transactions on the Jedburgh Common Good Fund for the 9 months to 31 December 2014 and projects full year revenue income and expenditure for 2014/15 and balance sheet values at 31 March 2015.
- 1.2 Appendix 1 provides a projected Income and Expenditure position. This shows a projected deficit of £5,081 for the year, an increase of £2,662 against approved budget due mainly to higher than budgeted grant awards.
- 1.3 Appendix 2 provides a projected Balance Sheet to 31 March 2015. This shows a decrease in the Revenue Reserve of £5,081 to fund the projected deficit. The projected usable cash revenue reserve is £78,521.
- 1.4 This Appendix also shows a projected increase in the Capital Reserve of £2,154.

2 RECOMMENDATIONS

- 2.1 It is recommended that the Common Good Sub Committee:
 - (a) Agrees the projected out-turn in Appendix 1 as the revised budget for 2014/15.
 - (b) Notes the projected Balance Sheet as detailed in Appendix 2.
 - (c) Notes the current position of the investment in the Newton Fund as detailed in Appendix 3.
 - (d) Considers whether there should be a transfer from the usable cash balance within the revenue reserve to the capital reserve invested in the Newton Fund.

3 BACKGROUND

3.1 This report provides the Committee with financial information and projections for the period to 31 December 2014. The report also contains a projected balance for the Common Good Fund to the 31 March 2015.

4 FINANCIAL POSITION 2014/15

- 4.1 Appendix 1 provides detail on income and expenditure for the 2014/15 financial year. The net position for the year is a deficit of £5,081 which will be funded from the Revenue Reserves.
 - Income & Expenditure Non-Property Related Income
- 4.2 Jedburgh Bowling Club has repaid £21,000 of the loan and has now agreed a repayment schedule for the balance. The interest projections have been reviewed and updated resulting in projected additional income of £338.
- 4.3 The projected out-turn includes an estimate for the interest receivable on cash deposited with the Council. This, however, does not show as an actual income until the end of the financial year as amount is dependent on interest rates and the average cash revenue balance invested with the Council's Loans Fund over the full financial year.
- 4.4 The Capital Reserve is invested in the Newton Fund and distributions from are made twice a year in September and February. A dividend of £14,979 was received by the Jedburgh Common Good Fund at 30 September 2014. The Newton Fund is currently anticipated to fully return the £25,000 budget, however, this is subject to the underlying performance of the investments held by the Fund.
 - Income & Expenditure Grants and Other Donations
- 4.5 The Grants and Other Donations distributed to 31 December 2014 are shown below. These exceed the current budget by £27,000. With the possibility of additional grants being awarded before the year end it is recommended the budget should increase to £30,000. There are currently no other outstanding commitments.

Balance Sheet

- 4.6 Appendix 2 provides the balance sheet position at 31 March 2014, the projected movement in year and a projected final balance sheet position for 31 March 2015.
- 4.7 All fixed assets of the Common Good Fund are revalued every 5 years as part of the Council's rolling program. The fixed assets currently shown on the Balance Sheet are due for revaluation from 1 April 2014. The Council's Estates Section is currently finalising these and the final year end balance sheet will be adjusted to reflect these revaluations.

Usable Cash Balance within Revenue Reserve

4.8 The usable cash held by the fund as part of its Revenue Reserve is projected to be £78,521, an in year projected movement of £16,371. The movement is from the following:

Projected Usable Cash Revenue Balance	£	£
Opening Balance at 1.4.14		62,150
Repayment of Principal (Long Term Debtors):		
Jedburgh Bowling Club loan	21,000	
Jedburgh Golf Club Ioan	1,000	
Jedburgh Community Trust loan	167	
		22,167
Projected deficit for year from Income & Expenditure Statement		(5,081)
Net cash movement in Debtors/ Creditors		(715)
Projected Closing Balance at 31.3.15		78,521

In light of the projected usable cash balance in the revenue reserve being £78,521, it is proposed that the Sub-Committee consider transferring some additional cash into the Capital Reserve with the Newton Fund to improve returns and allow for capital appreciation.

Capital Reserve

4.9 The projections for the Capital Reserve include the unrealised profits for the Newton Fund as at 31 December 2014.

5.2 **Risk and Mitigations**

There is a risk that investments in the Newton Fund may reduce in value due to market or investment performance. This risk cannot be fully mitigated, however, it is being managed through by the selection of a Fund Manager with a clear objective of preserving capital values while aiming to produce returns in line with the benchmark.

It is anticipated that there are no adverse equality implications arising from the proposals contained in this report.

5.4 **Acting Sustainably**

Whilst there are no economic, social or environmental effects arising from the proposals contained in this report, there are, through the activities reported upon, positive impacts upon the economy through protection of employment, positive impacts upon the quality of community life, improvements in local amenities and nurturing of local talent. The potential improvement in levels of income through the use of the new investment fund will act to make the Common Good Fund more sustainable in the future.
