Unwanted Fire Signals	16	7 x residential care, 2 x domestic, 2 x council offices, 2 x schools, 2 x hospitals, 1 x sports ground.	N/A

**Prevention and Protection activity.**

Fire prevention and protection activity over recent years has been key to reducing the number of fires, casualties and losses in Scotland thus minimising the economic and social impact of fire on communities. The seasonal community safety calendar provides the catalyst for a number of initiatives and schemes throughout the calendar year.

Activity, which is ongoing at the moment within the Teviot & Liddesdale area;

## NOT PROTECTIVELY MARKED

- Community Planning Partnership- Scottish Fire and Rescue Service have been active within the local Resilient Communities groups, and have submitted proposals supporting the Burnfoot Community Futures strategy for the Hub. We have also been actively supporting local elected members who have highlighted combustible materials on common stairwells. We were also present at the Burnfoot Estate multi agency walkround.
- Young Drivers S6 Programme- is an initiative aimed at educating new/potential drivers. PowerPoint presentation in the classroom is followed by practical education with a crashed car in conjunction with local Scottish Fire and Rescue Service crews. This initiative has been running at Hawick High School and has received encouraging feedback from both students and staff.
- Scottish Fire and Rescue Service staff in all our local stations provide Home Fire Safety Visits all year round. The visits provide the householder with a home visit, focussing on identifying and reducing the risks of fire in the home. Smoke detectors with a 10-year battery life are provided as part of this free service. Freephone number for this service is 0800 0731 999.
- Firesharp is an initiative for Primary 6 pupils, providing face-to-face education within our local Primary schools on matters of fire risk and prevention.
- Crucial Crew is the practical follow up to the P6 educational input. All P7 pupils in the area attend a multi-agency event at Tweedbank where they are placed in real life scenarios and guided on the appropriate safe actions.
- Fire Safety Audits provide a targeted examination of a business premises and their relevant documents to ascertain how the premises are being managed regarding fire safety. The enforcement officer also engages with members of staff to confirm their level of fire safety awareness.
- Unwanted Fire Alarm Signals are being addressed by our phased intervention actions which identifies premises which are producing 'false alarms', provides guidance on how to reduce a reoccurrence, and can also evoke legislation if occurrences fail to reduce in number- operationally, this can result in a reduction in the number of fire engines which will attend a 'repeat offender'.
- Fire Case Study and Adult & Child Protection Policies ensure multi agency involvement is provided for the support and protection for our higher risk members of the community.

### Thematic Action Planning

The Prevention & Protection departments of the Scottish Fire and Rescue Service initiate thematic plans throughout the year aimed at making our communities safer.

The spring season thematic period is active (3 March – 28 April) and focusses on the following:

- Grass and Woodland Fires
- Rubbish and Refuse Fires
- Derelict Property

For the spring thematic period, P&P management will be required to report our level of success against the following indicators:

Secondary Fires\*\*

1. The number of deliberate secondary fires

NOT PROTECTIVELY MARKED

## NOT PROTECTIVELY MARKED

2. The number of grass fires
3. The number of woodland/forest fires
4. The number of heathland/moorland fires
5. The number of fires in derelict buildings
6. The number of fires involving refuse/rubbish

### Primary Fires\*

7. The number of deliberate primary fires
8. The number of fires in unoccupied buildings
9. The number of deliberate vehicle fires
10. The number of deliberate fires in industrial, commercial and retail premises

*\*\*Secondary fires include single derelict buildings. Grassland including heath, hedges, railway embankments and single trees. Intentional straw or stubble burning. Outdoor structures including lamp-posts, traffic signs, playground furniture, hoardings etc. Refuse and refuse containers. Derelict vehicles*

*\*Primary fires include buildings (including mobile homes) which are fit for occupation and those under construction. Caravans & vehicles (not derelict). Outdoor storage, plant and machinery. Agricultural and forestry premises & property.*

### Multi Ward Operating Plan

The Multi Ward Operating Plan for Teviot & Liddesdale, covering the Hawick & Hermitage/ Hawick & Denholm Wards is available. The plan sets out the priorities and objectives for the Scottish Fire and Rescue Service (SFRS) within the area. The SFRS will continue to work closely with our partners in Teviot & Liddesdale to ensure we are all 'Working Together For A Safer Scotland'. The plan can be accessed via the following link;
