**Report by Chief Officer Audit & Risk**

---

### **AUDIT AND SCRUTINY COMMITTEE**

**13 November 2017**

---

#### **1 PURPOSE AND SUMMARY**

- 1.1 **The purpose of the report is to provide an update to Members of the Audit and Scrutiny Committee on the status of the implementation by Management of audit recommendations made and agreed in Internal Audit reports during 2017/18 and previous years.**
- 1.2 Internal Audit is an independent appraisal function established for the review of the internal control system as a service to Scottish Borders Council. It objectively examines, evaluates and reports on the adequacy of internal control as a contribution to the proper, economic, efficient and effective use of resources and the management of risk.
- 1.3 The Internal Audit activity adds value to the organisation (and its stakeholders) when it considers strategies, objectives, and risks; strives to offer ways to enhance governance, risk management and control processes (by way of making audit recommendations); and objectively provides relevant assurance.
- 1.4 The Remit of the Audit and Scrutiny Committee includes the Audit function to consider "all matters relating to the implementation of recommendations contained within internal audit reports", as part of its high level oversight of the framework of internal control, risk management and governance within the Council.

#### **2 RECOMMENDATIONS**

- 2.1 **I recommend that the Audit and Scrutiny Committee:-**
  - (a) **Acknowledges the progress made by Management in implementing Internal Audit recommendations; and**
  - (b) **Considers whether it is satisfied with the progress or whether any further action is required.**

### 3 BACKGROUND

- 3.1 Internal Audit is an independent appraisal function established for the review of the internal control system as a service to Scottish Borders Council. It objectively examines, evaluates and reports on the adequacy of internal control as a contribution to the proper, economic, efficient and effective use of resources and the management of risk.
- 3.2 The Internal Audit activity adds value to the organisation (and its stakeholders) when it considers strategies, objectives, and risks; strives to offer ways to enhance governance, risk management and control processes (by way of making audit recommendations); and objectively provides relevant assurance.
- 3.3 Management has the responsibility for ensuring that agreed audit actions are implemented to address the identified weaknesses and mitigate risks. At Internal Audit Final Report stage the Audit Recommendations are input to Pentana (previously Covalent), the Council's corporate performance management system. This is designed to assist with Management tracking of implementation, to link with relevant risks and to evidence improvement.
- 3.4 The Remit of the Audit and Scrutiny Committee includes the Audit function to consider "all matters relating to the implementation of recommendations contained within internal audit reports", as part of its high level oversight of the framework of internal control, risk management and governance within the Council. A summary of the status of recommendations was presented within the Internal Audit Annual Report 2016/17 presented to the Audit and Risk Committee on 28 March 2017.
- 3.5 Internal Audit continues to perform its standard quarterly follow-up activity to check that recommendations have been implemented and to ensure that the new controls had the desired effect on improving internal control and governance, and reducing risk. Internal Audit works with Management to address any actions that become overdue, and bring any matters to the attention of the Audit and Scrutiny Committee. There were occasions when recommendations were superseded and therefore no longer relevant when alternative solutions were required to manage the identified risks, or it was necessary to grant extra time to complete recommendations.
- 3.6 The following table highlights the current status (as at 5 November 2017) with regards to Internal Audit recommendations arising from current and previous years:

<b>Year identified</b>	<b>Total</b>	<b>Implemented</b>	<b>Not Yet Due</b>	<b>Overdue</b>
2017/18 (to Sept)	15	0	15	0
2016/17	10	8	2	0
2015/16	21	20	1	0
2014/15	34	30	2	2

Further details on those Internal Audit recommendations that are not yet fully implemented by Management (either Not Yet Due or Overdue) are shown in Appendix 1.
