<b>Plan Ref</b>	<b>Plan Type</b>	<b>Plan Status</b>
PP 01	Location Plan	Refused
PP 02	Elevations	Refused

**REASON FOR REFUSAL**

- 1 The application is contrary to Policies ED7 of Scottish Borders Local Development Plan 2016 in that it has not been demonstrated that the proposal meets any of the acceptable land uses listed in Policy ED7 and no overriding justification for the proposed building has been provided that would justify an exceptional permission for it in this rural location and, therefore, the development would appear as unwarranted development in the open countryside. The proposed building and use are not of a scale or purpose that appear related to the nature or size of the holding on which the building would be situated, which further undermines the case for justification in this location.
- 2 The application is contrary to Policies PMD2, ED7 and EP5 of Scottish Borders Local Development Plan 2016 and Supplementary Planning Guidance on Local Landscape Designations in that the scale and design of the proposal would be prominent in the landscape and would result in an unacceptable adverse visual impact on the designated area. The proposed development would detract from the character and quality of the Tweed Valley Special Landscape Area and it has not been adequately demonstrated that the adverse landscape impact would be outweighed by social or economic benefits of national or local importance.
- 3 The application is contrary to Policies PMD2 and ED7 of the Scottish Borders Local Development Plan 2016 in that the proposed temple would result in an unacceptable adverse impact on road safety. The proposed building would increase traffic levels on the existing minor public road and it has not been adequately demonstrated that any traffic generated by the proposal can access the site in manner which does not detrimentally impact on road safety.
- 4 The application is contrary to Policy EP8 of the Scottish Borders Local Development Plan 2016 in that the siting, scale and design of the proposed development would have an unacceptable adverse impact on the setting of the Our Lady's Church. It has not been adequately demonstrated that the proposal can be accommodated on the site in a manner which does not adversely affect the heritage value of a nationally important archaeological site.
- 5 The application is contrary to Policy EP7 of the Scottish Borders Local Development Plan 2016 in that the siting, scale and design of the proposed development would have an unacceptable adverse impact on the setting of the William Cree Memorial Church. It has not been adequately demonstrated that the proposal can be accommodated on the site in a manner which protects the setting of the category C listed building.

**FOR THE INFORMATION OF THE APPLICANT**

If the applicant is aggrieved by the decision of the Planning Authority to refuse planning permission for or approval required by a condition in respect of the proposed development, or to grant permission or approval subject to conditions, the applicant may require the planning authority to review the case under Section 43A of the Town and Country Planning (Scotland) Act 1997 within three months from the date of this notice. The notice of review should be addressed to Corporate Administration, Council Headquarters, Newtown St Boswells, Melrose TD6 0SA.

If permission to develop land is refused or granted subject to conditions, whether by the Planning Authority or by the Scottish Ministers, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, the owner may serve on the Planning Authority a purchase notice requiring the purchase of his interest in the land in accordance with the provisions of Part 5 of the Town and Country Planning (Scotland) Act 1997.
