## Statement of Members' Responsibilities in respect of the Members' Report and the Financial Statements

The Members are responsible for preparing the Members' Report and the LLP financial statements in accordance with applicable law and regulations.

The Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008 require the Members to prepare financial statements for each financial year. Under that law the Members have elected to prepare the LLP financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 101 *Reduced Disclosure Framework*.

Under Regulation 8 of the Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008 the Members must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the LLP and of the profit or loss of the LLP for that period. In preparing these financial statements, the Members are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the LLP will continue in business.

Under Regulation 6 of the Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008, the Members are responsible for keeping adequate accounting records that are sufficient to show and explain the LLP's transactions and disclose with reasonable accuracy at any time the financial position of the LLP and enable them to ensure that its financial statements comply with those regulations. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the LLP and to prevent and detect fraud and other irregularities.

The Members are responsible for the maintenance and integrity of the corporate and financial information included on the SB Cares' website. Legislation in the UK governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

## Accounting Policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the Limited Liability Partnership's financial statements.

### *(i) Basis of preparation*

The financial statements have been prepared in accordance with applicable accounting standards under the historical cost accounting rules.

The financial statements have been prepared in accordance with FRS101. In preparing these financial statements, the Company applied the recognition, measurement and disclosure requirements of International Financial Reporting Standards as adopted by the EU but makes amendments where necessary in order to comply with the Companies Act 2006 and has set out below where advantage of the FRS101 disclosure exemptions have been taken.

In these financial statements, the Company has applied the exemptions available under FRS101 in respect of the following disclosures:

- a cash flow statement and related notes;
- comparative period reconciliations of share capital;
- the effects of new but not yet effective IFRSs; and
- disclosures in respect of the compensation of Key Management Personnel.

As the LLP is a wholly owned subsidiary of Scottish Borders Council, the LLP has taken advantage of the exemption contained in **International Accounting Standard 24 'related parties'** ("IAS24") and has therefore not disclosed transactions or balances with entities which form part of the group as related parties.

### *(ii) Going concern*

The LLP's business activities, together with the factors likely to affect its future development, performance and position, are set out in the Members' report on page 3. The Members have a reasonable expectation that despite there being a significant negative net worth at the end of the year the LLP has adequate resources to continue in operational existence for the foreseeable future with a service provision agreement in place with Scottish Borders Council until March 2020. Thus Members continue to adopt the going concern basis of accounting in preparing the annual financial statements.

### *(iii) Members' Remuneration and Allocation of Profits*

Members are not remunerated by the LLP. A Member's share in the profit or loss for the accounting period is accounted for as an allocation of profits. Unallocated profits and losses are included within 'other reserves'.

### *(iv) Members' Capital*

**Scottish Borders Supports LLP  
Unaudited Members' Report and Financial Statements  
For the year ended 31 March 2018**

The capital requirements of the LLP are determined from time to time by the Members. No interest is paid on capital.

## Accounting Policies *(continued)*

### **(v) Value Added Tax**

The LLP is registered for VAT purposes. Irrecoverable VAT is charged to the relevant expenditure category or included in the capitalised purchase cost of fixed assets. Where output tax is charged or input VAT is recoverable, the amounts are stated net of VAT.

### **(vi) Taxation**

Taxation on all partnership profits is solely the liability of individual members. Consequently neither taxation nor related deferred taxation arising in the LLP are accounted for in these financial statements.

### **(vii) Fixed Assets**

Assets purchased in excess of the de minimis level of £1,000 or grouped £5,000 are included in the balance sheet as fixed assets. Depreciation is applied in the period from 1 April in the financial year following their acquisition.

Depreciation is charged on a straight line basis and the useful life of an asset is deemed to be:

I.T. Systems	3 years
Plant and Equipment	5 years
Rehabilitation Equipment	5-10 years

Assets disposed of, or taken out of use will be fully written off in period of disposal or removal from use.

### **(viii) Income Recognition**

Income is recognised in the accounting period to which it relates. Income from grants, contracts and other services rendered is included to the extent of the completion of the contract or service concerned. Income received in advance is included in the balance sheet within creditors: amounts falling due within one year.

### **(ix) Trade and Other Debtors**

Trade and other debtors are recognised initially at fair value. Subsequent to initial recognition they are measured at amortised cost using the effective interest method, less any impairment losses.

### **(x) Trade and Other Creditors**

Trade and other creditors are recognised initially at fair value. Subsequent to initial recognition they are measured at amortised cost using the effective interest method.

## Accounting Policies *(continued)*

### *(xi) Interest-Bearing Borrowings*

Interest-bearing borrowings are recognised initially at fair value less attributable transaction costs. Subsequent to initial recognition, interest-bearing borrowings are stated at amortised cost using the effective interest model, less any impairment losses.

### *(xii) Financial Assets (including Trade and Other Debtors)*

A financial asset not carried at fair value through profit and loss is assessed at each reporting date to determine whether there is objective evidence that it is impaired. A financial asset is impaired if objective evidence indicates that a loss event has occurred after the initial recognition of the asset, and that the loss event had a negative effect on the estimated future cash flows of that asset that can be measured reliably.

An impairment loss in respect of a financial asset measured at amortised cost is calculated as the difference between its carrying amount and the present value of estimated future cash flows discounted at the asset's original effective interest rate. Interest on the impaired asset continues to be recognised through the unwinding of the discount. When a subsequent event causes the amount of impairment loss to decrease, the decrease in impairment loss is reversed through profit and loss.

### *(xiii) Stock*

Stock is valued at the lower of cost and net realisable value in line with the requirements of International Accounting Standard 2 "Inventories" ("IAS2")
