Nature of Objections/Representations

I live in a conservation area and the amendments to the premises licence proposed by the Abbey Mill with off sales hours from 10.00am to 10.00pm would be unacceptable to myself and in all probability to other local residents.

Parking in front of the mill shop is at a premium when used by touring buses and customer cars and the proposed use for weddings, funerals, birthdays, retirements, charity fundraisers and tastings would further add to the congestion ^{with cars etc} ~~and cars~~ having to overspill onto the Annisay Road.

The noise level created at parties, retirements etc would be difficult to control and this I would also find unacceptable.

It is with regret that I must object to all the proposals as laid down in the notice to neighbours which I received earlier this week.

Yours faithfully
