Nature of Objections/Representations

I very strongly object to the various amendments to the licensing hours and operating plan as listed in the brief (un-dated) overview and report, in haste, from overseas having only today been advised by a neighbour by e-mail about the imminent deadline for objections.

My grounds are:

LOCATION - nestled beside our quiet residential development just outside the Melrose Abbey Heritage site and in the countryside.

NOISE POLLUTION - noise travels miles. Consider voices, music, amplification, taxis, etc. . . .

SAFETY/PARKING - very restricted on-site parking for customers outside Abbey Mill. At large-scale events cars would be along road verges or within Melrose Mill park with tight

LITTER - in historic Scotland pony field, verges, etc. parking.  
Bottles issue. . . .

POLICING - will there be extra or any police presence when events end? Inevitably there will be situations getting out of hand when alcohol is sold or made available.

ENOUGH IS ENOUGH - Obes Melrose need another venue for social events, polluting the peace and reputation of this 'Best Place to live in UK' status?? Surely not!
