Nature of Objections/Representations OBJECTION TO LIVE PERFORMANCES & PARTIES.
As a resident of [redacted] on Annay Road I object to the above on the grounds of noise disruption and parking issues. I already have issues with Wodden Mill customers parking on my driveway, it's a daily occurrence and a huge inconvenience especially when I am classed as disabled and am unable to park outside my own house! Party nights and receptions will only act to heighten this problem. This is a residential area as well as commercial and thought must be given to the people who live here. The Abbey Mill already squeeze sometimes 3 tour buses at a time into that car park so the noise level is already high. The crowds that gather outside my house is ridiculous. We've even had tourists wandering in the front door! In the summer months we endure the book festival, the 7's, melrose ball (thumping music & drunk people until 7am this year!) as well as weddings every weekend at Harmony gardens, if these plans go ahead its going to make living here impossible. The noise level in this area is already really high. I object strongly to crowds of people, loads of cars, and loud music on my doorstep. We live far too close to the mill for the noise not to be hugely detrimental to our homelife and my health [redacted]

Please consider stopping these plans.

Yours sincerely
