Nature of Objections/Representations

Noise: The house is situated in a rural setting, quiet and tranquil. The Edinburgh wool mill's buildings & windows do not have sound proofing with single glaze windows, where excessive noise will be heard especially from events with music & live performances.

Traffic Congestion & Safety: The car park is not sufficiently large enough with cars parking down the road & spilling into the residential development of Abbey Mill Park. It's a safety issue when leave Abbey Mill Park onto Annay Road, due to reduced visibility. Residential parking is used with no consideration to have annex land and property.

Saturation: There are sufficient venues in Melrose to cater for those listed on the application without moving to the quieter outskirts of the village.
