### **3 BACKGROUND**

- 3.1 The Scheme Advisory Board (SAB) at the request of the Cabinet Secretary for Finance and Constitution, Derek Mackay MST, launched a consultation on the future structure of Scottish LGPS in June 2018. The SAB has commissioned the Pensions Institute to manage the consultation process.
- 3.2 The consultation seeks to establish the views of the employers and employee representative groups on whether outcomes for the members and sponsors of the Scottish Local Government Pension Scheme (SLGPS) can be improved by altering the structure of the scheme. The consultation asks these stakeholders to compare the advantages and disadvantages of the current scheme structure against three options that, by differing degrees, consolidate the functions of the scheme's 11 constituent funds through greater collaboration, pooling or merger.
- 3.3 The 4 Options identified in the consultation reports are:
  1. Retain the current structure with 11 funds, the status quo
  2. Promote cooperation in investing and administration between the 11 funds
  3. Pool investments between the 11 funds
  4. Merge the 11 funds into one or more funds
- 3.4 The four criteria against which each of the options is to be assessed are:
  1. Cost of investing
  2. Governance
  3. Operating risks
  4. Infrastructure investment
- 3.5 Employer and employee representative organisations are asked to respond to the consultation questions and return it via email to the Pensions Institute no later than Friday 7<sup>th</sup> December 2018.

### **4 SCOTTISH BORDERS COUNCIL PENSION FUND BOARD RESPONSE**

- 4.1 Following the launch of the consultation process a seminar was organised by SAB on 27<sup>th</sup> June 2018. The seminar was attended by representatives of all 11 funds. Scottish Borders Council Pension Fund was represented by both members of the Pension Fund Committee and the Pension Board.
- 4.2 Since the launch seminar all information available on the options has been fully shared including background documents issued with the consultation, including an initial response from Strathclyde Pension Fund and the draft Unison response.
- 4.3 At the joint meeting on 13 September 2018 the Committee and Board discussed the different options and it was agreed fully by the Committee and by the majority of the Board that the response from the Pension Fund should be supportive of option 2 – promotion of cooperation and collaboration.
- 4.4 Employer organisations are also encouraged to submit responses to the consultation.
