REASON FOR REFUSAL

- 1 The development would be contrary to Policy HD2 of the Local Development Plan 2016 and New Housing in the Borders Countryside Guidance 2008 in that it would amount to sporadic residential development in a countryside location unrelated to a building group that meets policy definitions and no overriding case for a dwellinghouse has been substantiated.

FOR THE INFORMATION OF THE APPLICANT

If the applicant is aggrieved by the decision of the Planning Authority to refuse planning permission for or approval required by a condition in respect of the proposed development, or to grant permission or approval subject to conditions, the applicant may require the planning authority to review the case under Section 43A of the Town and Country Planning (Scotland) Act 1997 within three months from the date of this notice. The notice of review should be addressed to Corporate Administration, Council Headquarters, Newtown St Boswells, Melrose TD6 0SA.

If permission to develop land is refused or granted subject to conditions, whether by the Planning Authority or by the Scottish Ministers, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, the owner may serve on the Planning Authority a purchase notice requiring the purchase of his interest in the land in accordance with the provisions of Part 5 of the Town and Country Planning (Scotland) Act 1997.
