If this is a one-off project then please give the following details –	
Date (s):	
Estimated total cost:	Approx £2,344
Funds already raised by applicant's own efforts:	
Funds raised or expected to be raised from other sources (please state sources):	We organise various fundraising events each year such as pop up shops, bake sales, race nights, family ceilidhs, summer raffle, bonus ball. We also hold 3 concerts each year, entertain at Ettrick & Yarrow Show, play at various Christmas events including a concert in Ettrickbridge Village Hall, carols at the Haining, Margaret Kerr Unit and Riverside Nursing Home.
	We also receive donations and collections at various concerts and events during the Common Riding season which all goes towards the general running costs of the band i.e music, hall and instrument insurance, electricity, water charges, travel costs, transport, instrument repairs etc.
	During 2018 the band travelled to Cheltenham to compete in the National Brass Band Championships of Great Britain after qualifying at the Scottish Championships – this event cost the band nearly £6,500 for travel, accommodation, entry fee, conductors fees and music. This took a large amount of funds out of our bank account.
	The band, along with many other local groups received a legacy in 2018 which is noted in the band accounts. This money is being ring fenced for urgent work required on the band hall (pointing work -£5,000, and roof repairs approx. £2,000), and soundproof flooring (currently awaiting a quote). The balance of this legacy will be put into a separate account for any emergencies that arise.
