
TREASURY MANAGEMENT STRATEGY 2019/20

Report by Chief Financial Officer

AUDIT AND SCRUTINY COMMITTEE

14 February 2019

1 PURPOSE AND SUMMARY

- 1.1 **This report is to enable the Audit and Scrutiny Committee to undertake their scrutiny role in relation to the Treasury Management activities of the Council. It presents the proposed Treasury Management Strategy for 2019/20 for consideration prior to Council approval.**
- 1.2 The Treasury Management Strategy is the framework which ensures that the Council operates within prudent, affordable limits in compliance with the CIPFA Code.
- 1.3 The Strategy for 2019/20 to be submitted to Council on 28 February 2019 is included in this report at Appendix 1 and reflects the impact of the Administration's draft Financial Plans for 2019/20 onwards on the prudential and treasury indicators for the Council.

2 STATUS OF REPORT

- 2.1 Due to delay in the receipt of the grant from Scottish Government there has been a delay in the drafting of the Capital Plan. This has impacted on the drafting of the treasury strategy. The report is currently out for consultation and comments will be reported at the meeting.

3 RECOMMENDATIONS

- 3.1 **It is recommended that the Committee considers whether to make any comments or recommendations on the draft Treasury Management Strategy for 2019/20 prior to presentation to the Council for approval.**

4 BACKGROUND

- 4.1 The Audit and Scrutiny Committee is responsible for scrutinising the Treasury Management Strategy in line with recommended practice set out in the CIPFA (Chartered Institute of Public Finance and Accountancy) Code (i.e. Treasury Management in the Public Services: Code of Practice and Cross-sectorial Guidance Notes).

5 TREASURY MANAGEMENT STRATEGY 2019/20

- 5.1 Appendix 1 contains the draft Treasury Management Strategy for 2019/20 for consideration by the Audit and Scrutiny Committee.
- 5.2 This is based on the Administration's current draft Financial Capital Plans for 2019/20 to 2028/29, yet to be published and as such is subject to change as these plans will not be presented to Council for approval until 28 February 2019. The final version of this report which will be reported to Council will include a 20 year loans charges projection based on assumed future capital expenditure.
- 5.3 Appendix 1, Annex A contains a summary of the proposed indicators within the strategy. The significant changes from the 2018/19 strategy are:
- (a) Increase in the Capital Financing Requirement (CFR) for 2020/21 due to the inclusion of the new 2 new primary schools and the forward fund of the Borders Innovation Park. Also impacting on the CFR movement is the anticipated capital borrowing requirements associated with the re-phasing of projects from 2018/19 into 2019/20 and future years as well as movements in the scheduled debt amortisation projections for the year.
 - (b) Increase in the Authorised Limit from 2019/20 onwards is associated with the increase in external borrowing resulting from the capital plan.
- 5.4 The table below shows the "Operational Boundary" against the anticipated levels of external borrowing. The external borrowing levels should not normally exceed the operational boundary limit, defined by the Prudential Framework. The gap between these two elements as seen in the table, consistently shows that the Council maintains an "under-borrowed" position for current and next 5 years. The gap however is reducing year on year due to the ambitious capital program and the profile of the notional loan charges.

6 IMPLICATIONS

6.1 Financial

There are no additional financial implications in relation to this report its content specifically relating to the financing and investment activities of the Council.

6.2 Risk and Mitigations

The key purpose of presenting the Strategy to Audit and Scrutiny Committee scrutiny is to ensure that the members are satisfied with this element of the risk management framework for the treasury management function within the Council. The risks to delivering the Strategy have been identified within the Strategy itself at Appendix 1. Controls and mitigating actions have been implemented, monitored and reviewed in line with the Council's Risk Management Policy. The Strategy provides the parameters and guidance for the investment and borrowing decisions for the Council.
