## Introduction

Welcome to the Teviot & Liddesdale Locality Plan. This plan builds on the Scottish Borders Community Plan and sets out:

- The priorities for improving the area over the next five years
- The actions that will be carried out
- The commitment to work in partnership and use our shared resources<sup>i</sup> in the most effective way to reduce inequality

<sup>i</sup> **Resources** – this could be: funding (e.g. budget or grants), people (e.g. staff of volunteers) or assets (e.g. land, buildings or equipment)

This plan will help those who are in greatest need, and focuses on what action can be taken to improve the quality of life for those who live in Teviot & Liddesdale.

In bringing together this plan we have asked, and will continue to ask, local people across Teviot & Liddesdale what would make the area better.

This plan is structured around four themes:

- Economy, Skills & Learning
- Health, Care & Wellbeing
- Safer Communities
- Environment & Place

From the Area Partnership<sup>i</sup> meetings to date we have gathered all the comments and feedback which you gave and prioritised what you told us is important to you and what will make a difference to the lives of people in the Teviot & Liddesdale area.

Communities, community planning partners<sup>i</sup> and local service providers<sup>i</sup> will need to work together in partnership to plan and deliver better services that meet the needs of the people who use them.

<sup>i</sup> **Area Partnership** – bringing together organisations, groups, individuals and businesses from across the locality to collectively work together

**Community planning partners** – those organisations who are taking forward the Scottish Borders Community Plan

**Local service providers** – those organisations who are providing services locally (e.g. GPs, Community Nurses, Business Advisors, etc.)

At a Borders-wide level this is done through the Scottish Borders Community Plan and the Community Planning Partnership. The key actions are detailed at the end of this plan.

At a Locality level this is done through the Teviot & Liddesdale Locality Plan and the Teviot & Liddesdale Area Partnership.

At a local level, services and communities continue to respond to their local community needs. Local plans, including local community action plans, are referenced at the end of this plan.

## Engaging with our communities

In developing this plan, we have spoken with a number of people at the Teviot & Liddesdale Area Partnership meetings over the past year. Going forward, our aim is to reach out to a wider range of people within the community as we recognise the importance of engaging with everyone in our community.

We will continue to build on this draft plan, and gain further understanding of the needs and ambitions of our communities.

A vital part of this will be ongoing engagement and communication with the people of Teviot & Liddesdale, and to create further opportunities for people to talk to us in person, to take part in surveys or online. We want as many people as possible to be involved.

We have gathered the feedback that you gave us to help shape this plan, and it is really important that you continue to give us your views and thoughts as this plan will have an impact on the community that you live in.

We want the people in Teviot & Liddesdale to get involved and help us deliver the actions in this plan, and we welcome your views on how we do this.

What contribution could you make to your community to make it a better place?
