

## Teviot & Liddesdale Area Partnership

<b>Draft Locality Plan – Economy, Skills &amp; Learning</b>		
<b>Priority</b>	<b>Success</b> What would success look like? (Measures)	<b>Partnership</b> How can we work in partnership together?
Learning and training which is accessible and affordable and which meets the needs of all individuals including local employers	<p>Borders College buses are timetabled to run at times which suit students and meet their needs</p> <p>Employers to offer shared Modern Apprenticeships to enable more businesses and services to offer Modern Apprenticeships</p>	
Fast, reliable broadband and mobile connectivity for all communities and businesses		
Promote and support local and big business developments including Hawick's business incubator centre and offer support to businesses who need to diversify		
Promote alternative routes into employment, including the Centre of Excellence in Textiles Profile key areas for economic growth to inform business development and investigate opportunities for new industry		

## Teviot & Liddesdale Area Partnership

Improve transport and road connectivity and consider the potential economic growth from connecting with Carlisle airport and Border Railway	Local and new industry development is shaped by the opportunities local transport provides	
Continue the development of a strong tourist offer and build on the profile created by Visit Scotland and Midlothian and Borders Tourism Action Group
