Appeal ref 19/00016/RREF

Dear Fiona,

With reference to Paul Lawrie's appeal and in light of Paul Grigor's submission to the Local Review Body, would it be possible that the Local Review Body undertake a site visit? I believe that it would enable them to have better understanding of junction.

Kind regards,

Nick

Dear Fiona,

My clients have provided additional photographs of the Junction take from their own vehicle when exiting the junction. I would like the photographs to be made available to the LRB for their consideration at the forthcoming appeal hearing.

Kind regards,

Nicholas Morris
