3 BACKGROUND

- 3.1 The various sets of unaudited accounts for 2018/19 were submitted to Audit Scotland and KPMG, the External Auditors, before the statutory deadline of 30 June 2019, following presentation of the draft accounts to the Audit and Scrutiny Committee at the June 2019 meeting. External Auditors began their detailed audit work in July 2019 and this was completed by the beginning of September 2019.
- 3.2 As part of the statutory requirements the Council is required to advise the public of their right to inspect and object to the various sets of accounts and their supporting papers and make the documents available for inspection. This process was undertaken following the timetable contained in the 2014 Regulations and the inspection period commenced on 1 July 2019. There were 4 objections to the accounts, these related to the Council's purchase of Lowood estate during the year and its measurement and disclosure in the accounts. Audit Scotland confirmed that the estate had been correctly accounted for as an addition in the year and concluded that the accounts were not materially misstated. At the year end the asset was valued in accordance with the accounting policies of the Council, which is in compliance with the Code of Practice on Local Authority Accounting in the UK 2018/19. As no further contractual commitments have been taken out in connection with the development of this site, there is no requirement for Note 12 to disclose future capital plans in connection with this site. Issues with disclosure of the purchase were corrected for the audited accounts. The final management commentary has been amended to reflect narrative around the Lowood purchase.
- 3.3 The Council must meet the Local Authority Accounts (Scotland) Regulations 2014 (the 2014 Regulations) requirement to have the audited Annual Accounts approved by the local authority or the Committee with responsibility for audit or governance prior to signature on the 30 September 2019. As a result this report is being presented to the Audit and Scrutiny Committee at this meeting and is subsequently being presented to the full Council meeting on the 26th September 2019.
- 3.4 Following approval, the 2014 Regulations have the following requirements as set out in Part 3 Section 10 (3):
- Immediately **following the approval of the Annual Accounts** for signature, the statements which form part of those accounts are to be signed and dated as follows—*
- (a) the management commentary by the Section 95 Officer, the Chief Executive and the Leader of the Council;*
 - (b) the statement of responsibilities by the Leader of the Council and the Section 95 Officer, who must also certify the matters referred to in paragraphs (5) and (6) respectively;*
 - (c) the annual governance statement by the Chief Executive and the Leader of the Council;*
 - (d) the remuneration report by the Chief Executive and the Leader of the Council; and*
 - (e) the balance sheets by the Section 95 Officer, to authorise publication of the financial statements.*
- 3.5 These requirements apply to the Annual Accounts of the Local Authority and not to the charity or limited liability partnership accounts, although these have similar signatory requirements. The Section 95 Officer for Scottish Borders Council is the Chief Financial Officer.
