(CaCC, CuCC, DGC, NCC and SBC being together referred to as the “**Participating Authorities**”)

BACKGROUND:

- (A) The Participating Authorities have been working in partnership to develop proposals for a Growth Deal (known as the “Borderlands Inclusive Growth Deal”) to unlock the potential for sustainable and inclusive economic growth across the combined area served by the Participating Authorities.
- (B) The Participating Authorities consider that the benefits of the Growth Deal, in promoting and improving the well-being of the respective areas served by the Participating Authorities (and the people within those areas), will only be maximised if they collaborate with each other in performing the public tasks associated with oversight and delivery of the Growth Deal; and they consider that collaboration, under the framework set by this Agreement, represents the best means to maximise the impact of the Growth Deal in achieving the objectives (which they have in common) underlying their participation in the Growth Deal.
- (C) It is anticipated that the formal documentation to put the Growth Deal in place [will be signed shortly]; and it is therefore appropriate that the provisions governing the collaborative arrangements among the Participating Authorities with regard to

oversight and delivery of the Growth Deal should be recorded in a formal Collaboration Agreement, in the interests of ensuring that a robust governance framework is in place.

- (D) The Participating Authorities intend that this Collaboration Agreement should fulfil the requirement to establish a sound governance structure as part of the Growth Deal Monitoring and Reporting Framework (as defined below) to be overseen by the Scottish City Region and Growth Deal Delivery Board.
- (E) CaCC, CuCC and NCC (in exercise of their powers under section 1 of the Localism Act 2011) and DGC and SBC (in exercise of their powers under section 20 of the Local Government in Scotland Act 2003) wish to enter into this Collaboration Agreement accordingly.

IT IS AGREED as follows:

1 DEFINITIONS AND INTERPRETATION

- 12.8 Each Accountable Body shall maintain a separate account within its financial ledger to which all grant funding and other income relating to the Growth Deal shall be credited, and out of which all grant funding advanced to Delivery Partners for the purpose of delivery of Growth Deal Projects shall be debited.
- 12.9 Claims for payment out of the Growth Deal Programme Budget shall be submitted by a Delivery Partner to the PMO in the form of the Borderlands Growth Deal Grant Claim Form for review, assessment and processing by the PMO prior to forwarding to the Accountable Body for authorisation and payment; and (subject to clause 12.10) providing in each case the Accountable Body is satisfied, acting reasonably, that the Borderlands Growth Deal Grant Claim Form has been validly completed and includes all of the information required under the Monitoring and Reporting Framework and the claim is valid (by reference to the provisions of this Agreement, the provisions of the relevant funding agreement between the Accountable Body and the relevant Delivery Partner and such recommendations as the Chief Executives' Group may issue from time to time), the claim shall be paid by the Accountable

Body to the relevant Delivery Partner in accordance with such timetable as may be approved from time to time by the Chief Executives' Group.

- 12.11 The Accountable Bodies will draw down funds from the Scottish Government and UK Government on the following basis:
- 12.11.1 for Growth Deal Projects approved by the UK Government and/or Scottish Government prior to the signing of the Growth Deal, the grant will be paid by the UK Government to Northumberland County Council, as the Accountable Body for England and/or via grant-in-aid by the Scottish Government to Dumfries and Galloway Council, as the Accountable Body for Scotland; and on the basis that the he profile of payments will reflect when grant is required by the Project Delivery Partner as indicated in the full business case (for the avoidance of doubt, no grant will be paid to Accountable Bodies in advance of need);
- 12.11.2 upon finalisation of the Growth Deal, grant monies will be paid to Accountable Bodies under the conditions of an Annual Grant Offer Letter, and on the basis that he profile of grant payments will reflect the multi year profile agreed for the Growth Deal
