Teviot and Liddesdale Area Partnership

The Teviot and Liddesdale Area Partnership¹ is about creating a space where the aspirations and ideas of the community can be heard and community planning can be strengthened through communities and public bodies working together.

The Locality Plan is part of this process. It outlines the priorities of the Teviot and Liddesdale area with a focus on reducing inequalities to improve the area for those who live, work and visit the area.

¹Area Partnership – brings together organisations, groups, individuals and businesses from across the locality to collectively work together

Introduction

Welcome to the Teviot and Liddesdale Locality Plan

This plan builds on the Scottish Borders Community Plan and sets out:

- The priorities for improving the area over the next five years
- The commitment to work in partnership and use our shared resources ² in the most effective way to reduce inequality

In bringing together this plan we have asked, and will continue to ask, local people across Teviot and Liddesdale what would make the area better.

² Resources – this could be funding (e.g. budget or grants), people (e.g. staff or volunteers) or assets (e.g. land, buildings or equipment)

This plan is structured around four themes:

- “How do we build and improve our economy, skills and learning?”
- “How to we promote and improve our health, care and wellbeing?”
- “How do we protect and improve our quality of life?”
- “How do we develop and improve our environment & place?”

Comments and feedback gathered at Area Partnership meetings to date have been prioritised to reflect what actions need to be undertaken in the Locality to make a difference.

Communities, community planning partners³ and local service providers⁴ will need to work together in partnership to plan and deliver better services that meet the needs of the people who use them.

At a Borders-wide level this is done through the Scottish Borders Community Plan and the Community Planning Partnership.

At an area level this is done through the Teviot and Liddesdale Area Partnership, the Teviot and Liddesdale Locality Plan and associated Action Plan. We expect to continue to evolve these plans to reflect the developments within the area. The most up to date action plan is available on Scottish Borders Council's Website www.scotborders.gov.uk/areapartnerships.

At a local level, services and communities continue to respond to their local community needs. Local plans, including local community action plans demonstrate this and are referenced at the end of this plan.

³ Community planning partners – those organisations who are taking forward the Scottish Borders Community Plan

⁴ Local service providers – those organisations who are providing services locally (e.g. GPs, Community Nurses, Business Advisors, etc.)
