There had been circulated copies of a report by the Chief Financial Officer providing details of the income and expenditure for the Peebles Common Good Fund for the six months to 30 September 2019 and full year projected out-turn for 2019/20 and projected balance sheet values as at 31 March 2020. Appendix 1 to the report provided a projected Income and Expenditure position which currently showed a projected surplus of £31,322 for the year. Appendix 2 to the report contained a projected Balance Sheet to 31 March 2020 and projected a decrease in the reserves of £6,119. Appendix 3 to the report detailed the breakdown of the property portfolio showing projected rental income for 2019/20 and actual property expenditure to 30 September 2019. Appendix 4 to the report showed the value of the Kames Capital Investment Fund to 30 September 2019. The Chief Financial Officer highlighted the main points in the report. In response to a question regarding the inclusion of new properties on the list at Appendix 3 and the lack of rental income against them, the Estates Manager undertook to provide a full report at the next meeting. He further confirmed that good progress was being made with regards to the map plotting the location of land and property owned by the Common Good Fund.

DECISION

AGREED:-

- (a) the projected Income and Expenditure for 2019/20, as detailed in Appendix 1 to the report;**
- (b) to note the projected Balance Sheet value as at 31 March 2020, as detailed in Appendix 2 to the report;**

3. **HAYLODGE PARK, PEEBLES**

There had been circulated copies of a plan showing plans for planting to improve the biodiversity of Haylodge Park, which included the creation of an orchard. Councillor Anderson advised that this had been prepared following a walk around the park with officers and community council members. Members confirmed they were happy with these proposals.

DECISION

AGREED to approve the plans for planting to improve the biodiversity of Haylodge Park.

4. **PARKRUN**

There had been circulated copies of a request from the Parkrun organisers to offer a Parkrun on Christmas Day. If this proved successful then they planned to offer runs on both Christmas Day and New Years Day in future years. In response to a question regarding toilets it was noted that the Rugby Club allowed runners to use their facilities.

DECISION

AGREED to approve the request to hold a Parkrun on Christmas Day.

5. **JEDDERFIELD FARM**

- 5.1 The Estates Manager advised that Edwin Thompson, Chartered Surveyors had been tasked with preparing a report on Jedderfield Farm and other areas of grazing in the ownership of the Common Good Fund and it was hoped that this would be available soon. The Solicitor outlined the legal issues which required to be resolved before any decisions regarding the future of the farm could be taken. As the previous tenant had died without a will there was a possibility that the tenancy may pass to another family member through intestate succession. If the farm was not passed on in this way then the current lease would terminate. Contact had been made with the next of kin but there had been no response so far. In response to a question it was noted that there may require to be a level of reimbursement for any leaseholder improvements. The solicitor confirmed that she had checked and was able to confirm that the land was not inalienable but any asset transfer would require a full consultation procedure.

- 5.2 In light of the information provided above it was agreed that Tweedgreen could give their presentation on proposals for the farm but the Sub-Committee could make no comment on them at this time. Mr. Scott Noble representing Tweedgreen, a local environmental group, gave a presentation on their vision for the future use of the farm. They would like a 25 year lease under Community Asset Transfer to turn the farm into a community asset which promoted good environmental practice. The initial phase would be to improve the buildings including renewal power sources such as hydroelectric. They wished to create an example of self-sufficient living and a larger community garden. There would also be provision for a number of other activities including wood storage, biodiversity, an orchard, an affordable hostel, an education centre and food production. It was also proposed to have full-time caretakers living on the site. The Chairman thanked Mr. Noble for his presentation.

DECISION

NOTED the current position with regard to the future of Jedderfield Farm.

6. **PEEBLES TENNIS CLUB**

The Chairman invited Mr Gordon Russell from Peebles Tennis Club to outline his plans to the Sub-Committee. Mr Russell advised that the Lawn Tennis Association were encouraging them to provide facilities for disabled players including wheelchair tennis. The current clubhouse had been examined to see if conversion was possible but was found to be in very

poor condition with issues such as woodworm and would cost many thousands of pounds to repair. The best option was to replace the clubhouse with a similar but more modern building. It was noted that planning permission and a building warrant would be required for a new building and the permission of the Sub-Committee would be required prior to submission. In response to a question on the number of members Mr Russell advised that there were currently around 160 members with the aim to increase this to 250. Members agreed that they would give their approval so that the Tennis Club could apply for planning permission. Changes to the building would require the current lease to be amended and this would be considered at a future meeting.

DECISION

AGREED that Peebles Tennis Club could apply for planning permission for the erection of a new clubhouse and that a report on the lease implications be considered at a future meeting.
