WORLD TEAM  
CHAMPIONSHIPS**  
**4-8TH AUGUST**

## ABOUT US

The Mounted Games Association of Scotland hold the most exciting and exhilarating competitions on horseback! Our Sport involves intricate racing challenges demonstrating Speed, Accuracy and Horsemanship.

Races are a mix of turns, hand overs, equipment collections and placements, vaulting on and off the horses – and of course – all at a gallop.

MGA Scotland (part of the 2000 member strong MGAGB) is part of a worldwide organisation IMGA which celebrates fraternity, competition and our ancient relationship with horses.

The popularity of the games has spread right across the world and has led to the formation of the International Mounted Games Association. There are over 20 nations affiliated to IMGA, many of which will be competing here in Scotland for the 2020 IMGA World Team Championship
