Name: Sean Turner

Comments:

The Caravan and Motorhome Club has a site in Melrose town centre adjacent to the proposed location of the Melrose 7s Rugby marquee over 9-12 April 2020. We have two objections: first, the nuisance noise which our members will suffer due to the proximity of the event and the entertainment programme; second, the security of our site after last year, when a number of youths tried to gain entry to use our toilet facilities. We need noise output from the event to be controlled and sufficient security provided by MRFC to keep unauthorised people off our site, both for the duration of the event.
