Review procedure

The Local Review Body will decide on the procedure to be used to determine your review and may at any time during the review process require that further information or representations be made to enable them to determine the review. Further information may be required by one or a combination of procedures, such as: written submissions; the holding of one or more hearing sessions; and/or inspecting the land which is the subject of the review case.

Please indicate what procedure (or combination of procedures) you think is most appropriate for the handling of your review. You may tick more than one box if you wish the review to be conducted by a combination of procedures.

1. Further written submissions ****
2. One or more hearing sessions ****
3. Site inspection ****
4. Assessment of review documents only, with no further procedure

If you have marked box 1 or 2, please explain here which of the matters (as set out in your statement below) you believe ought to be subject of that procedure, and why you consider further submissions or a hearing are necessary:

Site inspection

In the event that the Local Review Body decides to inspect the review site, in your opinion:

No

1. Can the site be viewed entirely from public land?
2. Is it possible for the site to be accessed safely, and without barriers to entry?

If there are reasons why you think the Local Review Body would be unable to undertake an unaccompanied site inspection, please explain here:

The exterior can be viewed from outside with no problem, for the interior I would need to unlock the front door

Statement

You must state, in full, why you are seeking a review of your application. Your statement must set out all matters you consider require to be taken into account in determining your review. Note: you may not have a further opportunity to add to your statement of review at a later date. It is therefore essential that you submit with your notice of review, all necessary information and evidence that you rely on and wish the Local Review Body to consider as part of your review.

If the Local Review Body issues a notice requesting further information from any other person or body, you will have a period of 14 days in which to comment on any additional matter which has been raised by that person or body.

State here the reasons for your notice of review and all matters you wish to raise. If necessary, this can be continued or provided in full in a separate document. You may also submit additional documentation with this form.

Please see attached statement

Have you raised any matters which were not before the appointed officer at the time the determination on your application was made? Yes/No

If yes, you should explain in the box below, why you are raising new material, why it was not raised with the appointed officer before your application was determined and why you consider it should now be considered in your review.

I am raising matters that were not included in my written statement, but all the matters that I am raising now have been verbally discussed with the planning officer several times both in person and on the phone.

As I have explained in my statement, when I spoke to SBC about moving my business I was told that I just needed to let them know once the business had moved there, there was no mention of needing planning permission.

When I let the council know that the business had moved, I was then informed that I had to pay for planning permission.

I applied for planning permission with the assumption that having not been given any prior warning of the need for planning permission and that having shown the planning officer the site and informed him of the nature of the business and the circumstance and reasons for moving the business to my property that there would be no problem so the statement I gave at the time was brief and to the point.

The statement that I am now submitting explains the nature of the business and the need for planning permission in greater depth, as per the discussions with the planning officer.

List of documents and evidence

Please provide a list of all supporting documents, materials and evidence which you wish to submit with your notice of review and intend to rely on in support of your review. Note: there will be no opportunity to submit further documents to accompany this notice of review.

Written statement

My latest Tax Credits award - to show just how small the business is, how limited the scope for growth is and that I am bringing my daughter up on the Minimum wage. If the council sees fit they can check the company filings via the Companies House website to confirm that I am not supplementing my wage with huge dividends of any kind.

Note: the planning authority will make a copy of the notice of review, the review documents and any notice of the procedure of the review available for inspection at an office of the planning authority until such time as the review is determined. It may also be available on the planning authority website.
