3 BACKGROUND

3.1 This report provides the Committee with financial information for the period to 30 June 2015 and projections to 31 March 2016. The report also contains a projected balance sheet for the Common Good Fund to 31 March 2016.

4 FINANCIAL POSITION 2015/16

4.1 Appendix 1 provides detail on income and expenditure for the 2015/16 financial year. The projected net position for the year is a deficit of £6,615, assuming full expenditure of the grants and donations budget of which £22,858 remains to be allocated.

4.2 **Income & Expenditure – Rental Income**

There is no Rental Income due from the Jedburgh Common Good properties.

4.3 **Income & Expenditure – Non-Property Related Income**

The projected out-turn includes an estimate for the interest receivable on cash deposited with the Council. This, however, does not show as an actual income until the end of the financial year as amount is dependent on interest rates and the average cash revenue balance invested with the Council over the full financial year. The annual rate of interest applied to the cash deposits is 0.4%.

4.4 The capital reserve is invested in the Newton Fund and distributions are made twice a year in September and February. The proposed budget for 2015/16 is based on a distribution of 2.5% which will be subject to the overall performance of the fund.

4.5 **Income & Expenditure – Property Expenditure**

There are no Property Expenses on the Jedburgh Common Good properties.

4.6 **Income & Expenditure – Grants & Other Donations**

The grants and other donations distributed to 30 June 2015 are shown below.

2015/16 Budget		30,000
Budget Remaining		22,858

Total Approved but not yet paid		0
Unallocated Budget Remaining		22,858

4.7 **Income & Expenditure – Depreciation Charge**

The depreciation charge is projected to be £11,600 based on the revaluation of the properties at 1 April 2014. This is not a cash transaction.

4.8 Appendix 2 provides the balance sheet value to 31 March 2015, the projected movement in year and a projected balance at 31 March 2016.

4.9 **Balance Sheet – Fixed Assets**

All fixed assets of the Common Good Fund are revalued every 5 years as part of the Council's rolling programme. The fixed assets were revalued at 1 April 2014. Appendix 3 shows the values of the individual properties at 31 March 2015, projected depreciation charges 2015/16 and projected value at 31 March 2016.

4.10 **Balance Sheet – Newton Investment**

a) With the current uncertainties in financial markets worldwide caused by the Greek debt crises, speculation over possible interest rate rises in the US and the downturn in the growth rate of the Chinese economy, Global markets have proven to be very volatile in the second quarter of 2015.

b) This has resulted in a downturn across financial markets, which has averaged 5%. Against this background, information from Newton shows an overall performance reduction of 2.76% indicating a reduction in assets value but a lower level of relative performance reduction compared to the wider market over the quarter. The Newton Fund due to its remit of "capital preservation" has therefore been impacted by market fluctuations to a lesser extent than other funds. It should again be noted that these investments are long term investments and individual quartile performance should not be taken in isolation but must be viewed over the longer term. Newton's have action plans in place and as at the end July recovered 0.8% of the second quarter reduction. They believe the overall objective of the fund to return LIBOR+4% over a 5 year average is still achievable and there is no reason to change the strategy adopted at this point.

c) The projections include an unrealised profit of £12,972 for the Newton Fund Investment as at 30 June 2015. Appendix 4 shows the performance of the fund since inception.

4.11 **Balance Sheet – Cash Balance**

The cash held by the fund is projected to be £29,614, an in year projected increase of £975. The projected cash movement for 2015/16 is as follows:

Cash Balance	£	£
Opening Balance at 1 April 2015		28,639
<i>Repayment of Principal (Long Term Debtors)</i>		
Jedburgh Bowling Club Loan	5,590	
Jedburgh Golf Club Loan	1,000	
Jedburgh Community Trust Loan	1,000	7,590
Projected Deficit for year from Income & Expenditure Statement		(6,615)
Projected Closing Balance at 31 March 2016		29,614

4.12 Balance Sheet – Capital Reserve

The projections for the Capital Reserves include the unrealised profits for the Newton Fund as at 30 June 2015.

4.13 Contingent Asset – Jedburgh Golf Club

The final accounts will also include a Contingent Asset of £25,000 for the remaining balance of the secured grant given to Jedburgh Golf Club in January 2005 for the purchase of two additional fields. This position will be reviewed on an annual basis to assess the likelihood of the Golf Club disposing of the fields.
