

**Window & Door Cost**

To: Stan Snowden 

4 September 2020 at 14:58

Sian

Cost to replace Arlbeat single door and surrounding windows would be £2185

This is for a single door with emergency escape push bar. If you wanted to omit the bar and replace with an electric opener an additional £1440 would be applicable

To break the job down in total -

Top Single Door - £720

Lower French Doors and window - £2775

Arlbeat large triple window - £1370

Arlbeat Single door and surrounding Glazing - £2185

**Total - £7050 inc. Vat**

Regards

John

Total price: £6876.75

\*Stages 1-4 complete  
excluding main entry door

## ACCREDITATIONS

We take quality seriously, so we're proud that our standards are endorsed by all the relevant industry bodies and glazing associations.

## MADE IN BRITAIN

You'll find the "Made in Britain" marque on all our products. This means they're made from start to finish in a British factory by British employees. With 50 years of manufacturing and fitting experience to call on, we have the most rigorous standards of quality and manufacture.

## SECURED BY DESIGN

Secured by Design (SBD) is an official UK Police Initiative that aims to reduce crime in the home by promoting security standards for our vast array of products.

## TRUSTED MERCHANT

Fenix have named us as a trusted merchant. This has been awarded for consistent delivery of great customer service and we are very proud to have this accreditation.

## TRADE ASSOCIATIONS

### Glass and Glazing Federation

Anglian is a leading member of the Glass and Glazing Federation. The GGF monitors the performance of member companies to ensure the standard of products and installation remain consistently high.

### Fensa

The Fescestration Self-Assessment Scheme ensures replacement window installations comply with the building regulations.

#### Trust Mark

Trust Mark is a government endorsed not-for-profit organisation that operates a quality mark programme through more than 30 scheme operators. The operators are approved to carry the TrustMark logo and regulator responsible and trustworthy traders on the scheme.

#### Energy Saving Trust

Windows with a WER rating of A or above can be registered with the Energy Saving Trust and can carry the energy saving trust logo.

#### BS EN ISO9001:2008

This series of standards sets out how we establish documentation and maintain an effective quality system to ensure our products and services meet customer requirements.

BS EN 1279-2:2002 & BS EN 1279-3:2002 Licence No KM 7431- for materials used and water resistance on all sealed units.

BS EN 12150:2004 Licence No KM 07438- for impact resistance and glass fragmentation on safety glass.

BS EN 12068 Licence No KM 12476- for colour fastness, impact resistance and corner strength of PVC frames.

#### NVQ

All our installation teams have achieved NVQ qualifications for window and door installation.

#### PRICE MATCH PROMISE

Meeting you at the highest standards in quality and workmanship and my attention at all times.

Kind Regards

Derik Mackenzie  
Senior Sales Executive

Shaesbury 0151 334 3799

Registered office: Litherow Road, Norwich, NR4 6EJ. Registered in England No. 2746020.  
Authorised and regulated by the Financial Conduct Authority for consumer credit and non-  
investment services activities.

We're confident that all our products represent the highest quality at the best price. So confident, that we've thrown down the gauntlet to our competitors. If you can find an equivalent product from another company we will reduce our price to match it.

Of course, some other products may look similar at first glance. But take a closer look and you may find they don't have the same benefits, such as the level of energy efficiency, or the safety and security features that you get with Argilan.

#### GUARANTEES

When it comes to guaranteeing our products, our word is our bond. Our products are built to last by some of the finest craftspeople in Britain, if you need us, we'll be there.

A 10-year guarantee on parts and labour for all our windows and doors.

A 15-year guarantee on all our gas-filled sealed units.

As we are members of the Glass & Glazing Federation, you get extra protection, including deposit protection.

A free insurance-backed guarantee on all windows and doors.

#### GUARANTEE

As is our company policy, 25% deposit would be payable, which is fully indemnified, with the balance amount payable only after final inspection and total satisfaction of the completed installation. Thereafter, all products and workmanship are covered by a 10 year insured unconditional guarantee, for complete peace of mind in your investment.
