Community Ownership Fund

The UK Government is providing £150 million over 4 years to support community groups in England, Scotland, Wales and Northern Ireland to take ownership of assets and amenities at risk of being lost.

Voluntary and community groups can bid for match funding to acquire important assets and run them for the benefit of the local community.

The Fund will run until 2024/25 and there will be at least 8 bidding rounds in total. This prospectus contains details for round 1.

Applicants will need to submit a full business, detail match funding that has already been secured (Community Ownership Fund will provide up to a maximum of 50% of the capital costs to purchase, repair and renovate the asset), outline what skills and resources will be required to manage the asset, what community benefits will be delivered through community ownership and what the community need is.

Full details are available here: [Community Ownership Fund: prospectus - GOV.UK \(www.gov.uk\)](#)

SBC’S Communities & Partnership team can provide support to any group considering applying to the Community Ownership Fund.
