

Summary of the main activities in relation to these objects

The organisation has power to do anything which is calculated to further its purposes or is conducive or incidental to doing so.

The organisation's purposes are to:

- save lives by promoting the installation of Public Access Defibrillators (PADs) in Jedburgh and training the relevant people in their maintenance;
- advance education by training the general public, including local schools and groups, in the use of defibrillators and basic life support techniques;

Charitable purposes

Objectives and activities

Trustee recruitment and appointment

The board may, at any time, appoint a charity trustee.

At each AGM, the members may elect any member to be a charity trustee. At each AGM, all of the charity trustees elected/appointed shall retire from office – but shall then be eligible for re-election. A charity trustee retiring at an AGM will be deemed to have been re-elected unless:

- they advise the board prior to the conclusion of the AGM that they do not wish to be re-appointed as a charity trustee; or
- an election process was held at the AGM and they were not among those elected/re-elected through that process; or
- a resolution for the re-election of that charity trustee was put to the AGM and was not carried.

Type of governing document

Jed Hearts Here is governed by its constitution that was adopted November 2019.

Structure, governance and management

Name	Dates acted if not for whole year

Names of all other charity trustees during the period, if any, (for example, those who resigned part way through the financial period)
