Pension Fund Committee

20 October 2021

Scottish Borders Council Pension Fund Audit of 2020/21 annual report and accounts

Independent auditor's report

1. Our audit work on the 2020/21 annual report and accounts is now substantially complete. Subject to the satisfactory conclusion of any outstanding matters referred to later in this letter and receipt of a revised set of annual report and accounts for final review, we anticipate being able to issue unqualified audit opinions in the independent auditor's report on 28 October 2021. (the proposed report is attached at [Appendix A](#)).

Annual audit report

2. Under International Standards on Auditing in the UK we report specific matters arising from the audit of the financial statements to those charged with governance of a body in sufficient time to enable appropriate action. We present for the Pension Fund Committee's consideration our draft annual report on the 2020/21 audit. The section headed "Significant findings from the audit in accordance with ISA 260" sets out the issues identified in respect of the annual report and accounts.

3. The report also sets out conclusions from our consideration of the four audit dimensions that frame the wider scope of public audit as set out in the Code of Audit Practice.

4. This report will be issued in final form after the annual report and accounts have been certified.

Unadjusted misstatements

5. We also report to those charged with governance all unadjusted misstatements identified during our audit, other than those of a trivial nature, and request that these misstatements be corrected.

6. We identified one unadjusted error during the audit relating to late valuations for level 3 investment assets. If corrected, this would have increased investment asset values by £0.36 million.

Fraud, subsequent events and compliance with laws and regulations

7. In presenting this report to the Pension Fund Committee we seek confirmation from those charged with governance of any instances of any actual, suspected, or alleged fraud; any subsequent events that have occurred since the date of the financial statements; or material non-compliance with laws and regulations affecting the entity that should be brought to our attention.

Representations from Director - Finance & Corporate Governance (Section 95 Officer)

8. As part of the completion of our audit, we are seeking written representations from the Director - Finance & Corporate Governance on aspects of the annual report and accounts including the judgements and estimates made.

9. A letter of representation template is attached at [Appendix B](#). This should be signed and returned to us by the Director - Finance & Corporate Governance with the signed annual report and accounts prior to the independent auditor's report being certified. Due to Covid-19 restrictions, electronic signatures will be arranged this year.

Outstanding matters

10. There are some areas where we still require additional information, and these are identified below:

- Information outstanding on the pension calculation of an employee's lump sum

Yours faithfully,

Gillian Woolman MA FCA CPFA

APPENDIX A: Proposed Independent Auditor's Report

Independent auditor's report to the members of Scottish Borders Council as administering authority for Scottish Borders Council Pension Fund and the Accounts Commission

Report on the audit of the financial statements

Opinion on financial statements

I certify that I have audited the financial statements in the annual report of Scottish Borders Council Pension Fund (the fund) for the year ended 31 March 2021 under Part VII of the Local Government (Scotland) Act 1973. The financial statements comprise the Fund Account, the Net Assets Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and International Financial Reporting Standards (IFRSs) as adopted by the European Union, and as interpreted and adapted by the Code of Practice on Local Authority Accounting in the United Kingdom 2020/21 (the 2020/21 Code).

In my opinion the accompanying financial statements:

- give a true and fair view in accordance with applicable law and the 2020/21 Code of the financial transactions of the fund during the year ended 31 March 2021 and of the amount of disposition at that date of its assets and liabilities;
- have been properly prepared in accordance with IFRSs as adopted by the European Union, as interpreted and adapted by the 2020/21 Code; and
- have been prepared in accordance with the requirements of the Local Government (Scotland) Act 1973, The Local Authority Accounts (Scotland) Regulations 2014, and the Local Government in Scotland Act 2003.

Basis for opinion

I conducted my audit in accordance with applicable law and International Standards on Auditing (UK) (ISAs (UK)), as required by the [Code of Audit Practice](#) approved by the Accounts Commission for Scotland. My responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of my report. I was appointed under arrangements approved by the Accounts Commission on 10 April 2017. The period of total uninterrupted appointment is five years. I am independent of the fund in accordance with the ethical requirements that are relevant to my audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standard, and I have fulfilled my other ethical responsibilities in accordance with these requirements. Non-audit services prohibited by the Ethical Standard were not provided to the council. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Conclusions relating to going concern basis of accounting

I have concluded that the use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work I have performed, I have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the

fund's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from when the financial statements are authorised for issue.

Risks of material misstatement

I report in a separate Annual Audit Report, available from the [Audit Scotland website](#), the most significant assessed risks of material misstatement that I identified and my judgements thereon.

Responsibilities of the Director - Finance & Corporate Governance and Scottish Borders Council Pension Fund Committee for the financial statements

As explained more fully in the Statement of Responsibilities, the Director - Finance & Corporate Governance is responsible for the preparation of financial statements that give a true and fair view in accordance with the financial reporting framework, and for such internal control as the Director - Finance & Corporate Governance determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Director - Finance & Corporate Governance is responsible for assessing the fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless deemed inappropriate.

The Scottish Borders Council Pension Fund Committee is responsible for overseeing the financial reporting process.

Auditor's responsibilities for the audit of the financial statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. I design procedures in line with my responsibilities outlined above to detect material misstatements in respect of irregularities, including fraud. Procedures include:

- obtaining an understanding of the applicable legal and regulatory framework and how the fund is complying with that framework;
- identifying which laws and regulations are significant in the context of the fund;
- assessing the susceptibility of the financial statements to material misstatement, including how fraud might occur; and
- considering whether the audit team collectively has the appropriate competence and capabilities to identify or recognise non-compliance with laws and regulations.

The extent to which my procedures are capable of detecting irregularities, including fraud, is affected by the inherent difficulty in detecting irregularities, the effectiveness of the fund's controls, and the nature, timing and extent of the audit procedures performed.

Irregularities that result from fraud are inherently more difficult to detect than irregularities that result from error as fraud may involve collusion, intentional omissions, misrepresentations, or the override of internal control. The capability of the audit to detect fraud and other irregularities depends on factors such as the skilfulness of the perpetrator, the frequency and extent of manipulation, the degree of collusion involved, the relative size of individual amounts manipulated, and the seniority of those individuals involved.

A further description of the auditor's responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website www.frc.org.uk/auditorsresponsibilities. This description forms part of my auditor's report.

Reporting on other requirements

Statutory other information

The Director - Finance & Corporate Governance is responsible for the statutory other information in the annual report. The statutory other information comprises the information other than the financial statements and my auditor's report thereon.

My responsibility is to read all the statutory other information and, in doing so, consider whether the statutory other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If I identify such material inconsistencies or apparent material misstatements, I am required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work I have performed, I conclude that there is a material misstatement of this statutory other information, I am required to report that fact. I have nothing to report in this regard.

My opinion on the financial statements does not cover the statutory other information and I do not express any form of assurance conclusion thereon except to the extent explicitly stated in the following opinions prescribed by the Accounts Commission.

Opinions prescribed by the Accounts Commission

In my opinion, based on the work undertaken in the course of the audit:

- the information given in the Management Commentary for the financial year for which the financial statements are prepared is consistent with the financial statements and that report has been prepared in accordance with statutory guidance issued under the Local Government in Scotland Act 2003; and
- the information given in the Annual Governance Statement for the financial year for which the financial statements are prepared is consistent with the financial statements and that report has been prepared in accordance with the Delivering Good Governance in Local Government: Framework (2016); and
- the information given in the Governance Compliance Statement for the financial year for which the financial statements are prepared is consistent with the financial statements

and that report has been prepared in accordance with The Local Government Pension Scheme (Scotland) Regulations 2018.

Matters on which I am required to report by exception

I am required by the Accounts Commission to report to you if, in my opinion:

- adequate accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- I have not received all the information and explanations I require for my audit; or

I have nothing to report in respect of these matters.

Conclusions on wider scope responsibilities

In addition to my responsibilities for the annual accounts, my conclusions on the wider scope responsibilities specified in the Code of Audit Practice, including those in respect of the Best Value, are set out in my Annual Audit Report.

Use of my report

This report is made solely to the parties to whom it is addressed in accordance with Part VII of the Local Government (Scotland) Act 1973 and for no other purpose. In accordance with paragraph 120 of the Code of Audit Practice, I do not undertake to have responsibilities to members or officers, in their individual capacities, or to third parties.

Gillian Woolman MA FCA CPFA

APPENDIX B Letter of Representation (ISA 580)

Gillian Woolman, Audit Director
Audit Scotland
4th Floor
102 West Port
Edinburgh
EH3 9DN

Dear Gillian,

Scottish Borders Pension Fund Annual report and accounts 2020/21

1. This representation letter is provided in connection with your audit of the annual report and accounts of Scottish Borders Pension Fund for the year ended 31 March 2021 for the purpose of expressing an opinion as to whether the financial statements give a true and fair view in accordance with the financial reporting framework, and for expressing other opinions on the management commentary, annual governance statement and governance compliance statement.

2. I confirm to the best of my knowledge and belief, and having made such enquiries as I considered necessary, the following representations given to you in connection with your audit of Scottish Borders Council Pension Fund's annual report and accounts for the year ended 31 March 2021.

General

3. I have fulfilled my responsibilities for the preparation of the 2020/21 annual report and accounts. All the accounting records, documentation and other matters which I am aware are relevant to the preparation of the annual report and accounts have been made available to you for the purposes of your audit. All transactions undertaken by Scottish Borders Council Pension Fund have been recorded in the accounting records and are properly reflected in the financial statements.

4. I confirm that the effects of uncorrected misstatements are immaterial, individually and in aggregate, to the financial statements as a whole. I am not aware of any uncorrected misstatements other than those reported by you.

Financial Reporting Framework

6. The annual accounts have been prepared in accordance with the Code of Practice on Local Authority Accounting in the United Kingdom 2020/21 (2020/21 accounting code), and in accordance with the requirements of the Local Government (Scotland) Act 1973, the Local Government in Scotland Act 2003, and The Local Authority Accounts (Scotland) Regulations 2014.

7. In accordance with the 2014 regulations, I have ensured that the financial statements give a true and fair view of the financial position of the Scottish Borders Council Pension Fund at 31 March 2021 and the transactions for 2020/21.

Accounting Policies & Estimates

8. All significant accounting policies applied are as shown in the notes to the financial statements. The accounting policies are determined by the 2020/21 accounting code where applicable. Where the code does not specifically apply, I have used judgement in developing and applying an accounting policy that results in information that is relevant and reliable. All accounting policies applied are appropriate to Scottish Borders Council Pension Fund circumstances and have been consistently applied.

9. The significant assumptions used in making accounting estimates are reasonable and properly reflected in the financial statements. Judgements used in making estimates have been based on the latest available, reliable information. Estimates have been revised where there are changes in the circumstances on which the original estimate was based or because of new information or experience.

Going Concern Basis of Accounting

10. I have assessed Scottish Borders Pension Fund's ability to continue to use the going concern basis of accounting and have concluded that it is appropriate. I am not aware of any material uncertainties that may cast significant doubt on Scottish Borders Council Pension Fund's ability to continue as a going concern.

Assets

11. For the year ended 31 March 2021, the amounts included in the Net Assets Statement reflects investments managed/held both internally and externally by appointed fund managers and the global custodian on behalf of the funds. Amounts have been calculated in accordance with approved bases of valuation and fairly represent the values at 31 March 2021. In making these assertions I am reliant on the opinions of the appointed fund managers. As far as we can reasonably ascertain, all assets are free from any lien, encumbrance, or charge except as disclosed in the financial statements.

Banking and Cash Flow Arrangements

12. Scottish Borders Council Pension Fund maintains separate bank accounts and while these accounts form part of Scottish Borders Council's treasury management arrangements, the pension fund can demonstrate that there is no borrowing from the administering authority. Amounts due to the administering authority to cover daily cash flows such as payments through the council's systems are reimbursed on a regular basis.

Other Current Assets

13. On realisation in the ordinary course of the Funds' business, the other current assets in the Net Assets Statement are expected, in my opinion, to produce at least the amounts at which they are stated. In particular, adequate provision has been made against all amounts owing which are known or may be expected to be irrecoverable.

Liabilities

14. All liabilities at 31 March 2021 of which I am aware have been recognised in the annual accounts.

15. There are no plans or intentions that are likely to affect the carrying value or classification of the liabilities recognised in the financial statements.

16. The pension assumptions made by the actuary in the IAS 19 Report for the Scottish Borders Council Pension Fund have been considered and I confirm that they are consistent with management's own view.

17. There are no plans or intentions that are likely to affect the carrying value or classification of the liabilities recognised in the financial statements.

Contingent Liabilities

18. There are no significant contingent liabilities, other than those disclosed in Note 28 of the financial statements. All known contingent liabilities have been fully and properly disclosed, including any outstanding legal claims which have not been provided under the accounting code 2020/21 and IAS 37.

Fraud

19. I have provided you with all information in relation to

- my assessment of the risk that the financial statements may be materially misstated as a result of fraud
- any allegations of fraud or suspected fraud affecting the financial statements
- fraud or suspected fraud that I am aware of involving management, employees who have a significant role in internal control, or others that could have a material effect on the financial statements.

Laws and Regulations

20. I have disclosed to you all known instances of non-compliance or suspected non-compliance with laws and regulations whose effects should be considered when preparing financial statements.

Related Party Transactions

21. All material transactions with related parties have been disclosed in the financial statements in accordance with the 2020/21 accounting code. I have made available to you the identity of all the fund's related parties and all the related party relationships and transactions of which I am aware.

Management Commentary

22. I confirm that the Management Commentary has been prepared in accordance with the statutory guidance and the information is consistent with the financial statements.

Corporate Governance

23. I acknowledge, as officer with the responsibility for the proper administration of the funds' financial affairs under section 95 of the Local Government (Scotland) Act 1973, my responsibility for the corporate governance arrangements and internal controls. The fund has undertaken a review of the system of internal control during 2020/21 to establish the extent to which it complies with proper practices set out in the Delivering Good Governance in Local Government: Framework 2016. I have disclosed to you all deficiencies in internal control identified from this review or of which I am otherwise aware.

24. I confirm that the Annual Governance Statement and the disclosures I have made comply with the guidance from the Scottish Ministers and in accordance with the Delivering Good Governance in Local Government: Framework 2016 and the information is consistent with the financial statements. Also, I have reviewed the Governance Compliance Statement and the disclosures I have made comply with the guidance from the Scottish Ministers. There have been no changes in the corporate governance arrangements or issues identified, since 31 March 2021, which require to be reflected.

Events Subsequent to the Date of the Statement of Financial Position

25. There have been no material events since the date of the Net Assets Statements which necessitate revision of the figures in the financial statements or notes thereto including contingent assets and liabilities.

26. Since the date of the Net Assets Statements no events or transactions have occurred, which though properly excluded from the financial statements, are of such importance that they should be brought to your notice.

Yours sincerely

David Robertson

Director - Finance & Corporate Governance
