### 3 BACKGROUND

3.1 This report provides the Committee with financial information for the period to 30 September 2015 and projections to 31 March 2016. The report also contains a projected balance sheet for the Common Good Fund to 31 March 2016.

### 4 FINANCIAL POSITION 2014/15

4.1 Appendix 1 provides detail on income and expenditure for the 2015/16 financial year. The projected net position for the year is a surplus of £100.

#### 4.2 **Income & Expenditure – Rental Income**

There is no rental income for the properties owned by the Common Good.

#### 4.3 **Income & Expenditure – Non-Property Related Income**

The projected out-turn includes an estimate for the interest receivable on cash deposited with the Council. This, however, does not show as an actual income until the end of the financial year as amount is dependent on interest rates and the average cash revenue balance invested with the Council over the full financial year. The annual rate of interest applied to the cash deposits is expected to be around 0.4%.

4.4 The capital reserve is invested in the Newton Fund and distributions are made twice a year in September and February. Dividends of £283 were received in September 2015 in line with the proposed budget of £530 for the year. The proposed budget for 2015/16 is based on a distribution of 2.5% which will be subject to the overall performance of the fund.

4.5 There is no property expenditure projected for 2015/16.

#### 4.6 **Income & Expenditure – Grants & Other Donations**

The grants and other donations distributed and committed to 30 September 2015 are shown below. There are currently no grants and other donations that have been approved but not yet paid. The Sub-Committee at a meeting on 9 June 2015 agreed in principal to award a grant of £1,000 to Energise Galashiels subject to formal application.

<b>Grant Recipients</b>	<b>Approved</b>	<b>£</b>
<b>Approved and Paid to 30 September 2015</b>		
Energise Galashiels Grant	09/06/15	1,000
<b>Total Paid to 30 September 2015</b>		<b>1,000</b>
<b>Approved but not yet paid</b>		
-		0
<b>Total Grants Approved</b>		<b>1,000</b>
<b>Budget 2015/16</b>		<b>3,000</b>
<b>Unallocated Budget</b>		<b>2,000</b>

#### 4.7 **Income & Expenditure – Depreciation Charge**

The depreciation charge is projected to be £11,738 based on the valuation of the properties at 1 April 2014. This will change once the revaluation has been completed. This is not a cash transaction.

4.8 Appendix 2 provides the balance sheet value to 31 March 2015, the projected movement in year and a projected balance at 31 March 2016.

#### 4.9 **Balance Sheet – Fixed Assets**

All fixed assets of the Common Good Fund are revalued every 5 years as part of the Council's rolling programme. The timing of the approval of transfer of the assets to the Galashiels Common Good Fund meant that these were not revalued as part of the rolling revaluation program for Common Good Funds. These will be revalued in 2015/16. Appendix 3 shows the values of the individual properties at 31 March 2015, projected depreciation charges 2015/16 and projected value at 31 March 2016 prior to the revaluation.

#### 4.10 **Balance Sheet – Newton Investment**

a) The markets remain volatile due to the continued downturn in the growth rate of the Chinese economy and the US Federal Reserve's decision to leave US interest rates unchanged. This has resulted in a small negative return of -0.78% for the quarter to 30 September 2015 in comparison to equity markets which fell by 6% in the same period. Newton continues to put plans in place to protect the Fund.

b) Due to the volatility of the market conditions the projections do not include estimates for movements in the unrealised gains. Appendix 4 shows the performance of the Newton Fund since inception.

#### 4.11 **Balance Sheet – Cash Balance**

The cash held by the fund is projected to be £9,870, an in year projected increase of £100. The projected cash movement for 2015/16 is as follows:

<b>Cash Balance</b>	<b>£</b>
Opening Balance at 1 April 2015	9,770
Investment in Newton Fund	0
Projected Surplus for year from Income & Expenditure Statement	100
Net cash movement in Debtors/Creditors	0
<b>Projected Closing Balance at 31 March 2016</b>	<b>9,870</b>

#### 4.12 **Balance Sheet – Capital Reserve**

The projections for the Capital Reserves include the unrealised gain for the Newton Fund as at 31 March 2015 but due to the extremely volatile nature of the markets no estimate has been made for the current years' movement.

## **5 IMPLICATIONS**

Benchmark is a performance aim of cash returns (1month GBP LIBOR) plus 4% per annum on a rolling 5 year average. Therefore if GBP 1 month LIBOR is 0.5% p.a., the benchmark for the Newton Fund is 4.5%. It is not an equity market based benchmark.

The following chart shows the Newton Funds quarterly return performance against the Benchmark and against an equity performance index (MSCI AC World Index).
